A BRIEF BIOGRAPHY OF OUR GRAND MASTER

Norman Edward Byrne is a native of Hamilton, Ontario, and presently resides in Ancaster.

Bro. Byrne is a lawyer and the senior partner in the law firm of Byrne, Martin & Bedford. He is also a registered professional engineer (A.P.E.O.)

He was educated in the public and secondary schools of Hamilton, Ontario. He graduated as a mechanical engineer from S.P.S. of the University of Toronto in 1949, having attended the first class of engineering held at the new engineering school created by the University of Toronto at Ajax, Ontario. Bro. Byrne then proceeded to Osgoode Hall, Toronto, where he graduated in 1953 as a Barrister at Law and Solicitor of the Supreme Court of Ontario. He was created a Queen's Counsel in 1965.

He first saw the light of Masonry at University Lodge No. 496, Toronto.

On moving to Hamilton to practice law with his father, the late Norman W. Byrne, Q.C., he became a charter member of Meridian Lodge No. 687. He served that lodge as Worshipful Master in 1961 and continued in office as organist until his election as Grand Master.

Bro. Byrne was appointed to the Board of General Purposes of Grand Lodge in 1973 and has continued as a member thereof since being first elected in 1978. He chaired several committees of Grand Lodge during his tenure on the Board, namely the Condition of Masonry, Grievances and Appeals (now Discipline), Masonic Education and, lately, the Committee on Constitution and Jurisprudence. He also served as a member of several committees and was an officer (Vice-President) and director of Masonic Holdings, the Grand Lodge holding company.

Bro. Byrne was elected Deputy Grand Master at the Annual Communication of Grand Lodge in 1989.

Bro. Byrne was elected Vice-Chairman of the Conference of Grand Masters of North America for its 1992 Conference in Alexandria, Virginia. He will serve as President of the Conference of Canadian Grand and District Grand Lodges at Winnipeg in March of 1992.

Bro. Byrne is a member of King David Chapter, R.A.M., joining that body in 1983. He acquired the rank of Honorary Past First Principal of that Chapter in 1991. He is also a Shriner and is a member of Rameses Temple, Toronto.

In Scottish Rite Masonry, he is a member of all of the Scottish Rite bodies and served as T.P.G.M. of Murton Lodge of Perfection in 1970-1971, and became Commander-in-Chief of Moore Sovereign Consistory in 1980. He was coroneted an Honorary Inspector-General 33° of the Supreme Council of Canada at Vancouver in 1973, and was crowned an active member of Supreme Council in Thunder Bay, in September, 1991. He is a member and organist of the Royal Order of Scotland.

In his profession, he is a member of several legal associations and served as President of the Hamilton Lawyers Club in 1965.

In his community, he served as a Director and later as Chairman of the Addiction Research Foundation, Hamilton Branch, and is a lifetime member, Director and Honorary Solicitor for the Hamilton/Burlington YMCA and regularly attends fitness classes there. He was recently honoured for his service of 35 years as Honorary Solicitor of the Hamilton/Burlington YMCA. An ardent skier, Bro. Byrne is a member of Holimont Ski Club in Ellicotville, New York, and served as a Director and Secretary of that club for thirteen years.

Bro. Byrne is a member and Elder of Ryerson United Church in Ancaster, Ontario.

Bro. Byrne married Nancy Dennis in 1978. He has three children; Kathryn presently residing in Burlington, Norman presently residing in Oakville and a Marketing Manager with a heavy equipment sales organization in Toronto, and a second daughter, Shelley, who is residing in Chapleau, Ontario. All of his children are married and he and his wife, Nancy, are the proud grandparents of seven grandchildren. His son, Norman III, is also a Craft Mason.

Norman Byrne, in addition to his active involvement in many Masonic Bodies, spends what little spare time he has sailing, biking and skiing with his wife Nancy, who has ably assisted him as a most talented and gracious hostess to his many Masonic friends.

PAST GRAND MASTERS

The Deputy Grand Master presented our Past Grand Masters who were present, namely: M.W. Bros. J. A. Irvine, W. K. Bailey, E. W. Nancekivell, R. E. Davies, N. R. Richards, H. O. Polk, R. E. Groshaw, A. L. Copeland, W. R. Pellow, T. J. Arthur (Hon). Grand Honours were given.

ADDRESS OF WELCOME TO GRAND LODGE

The Address of Welcome was given by W. Bro. Albert Boston, Worshipful Master of Rising Sun Lodge No. 129, Toronto 6 District, and was responded to by M.W. Bro. David C. Bradley, Grand Master.

MINUTES

The Grand Secretary proceeded to read the Minutes of the last meeting held in Toronto, on July 18, 1990, when it was moved by M.W. Bro. R. E. Groshaw, seconded by M.W. Bro. A. L. Copeland, and resolved: That inasmuch as the Minutes of the last Annual Communication held in Toronto have been printed and distributed to all constituent lodges the same be now taken as read and confirmed.

RULES OF ORDER

As the Grand Secretary read the Rules of Order as prescribed by the Constitution of Grand Lodge, it was moved by M.W. Bro. H. O. Polk, seconded by M.W. Bro. W. R. Pellow and resolved: That the Order of Business of this Annual Communication be changed at the discretion of the Grand Master.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

We have come together from all parts of the Province for this 136th Annual Communication to consider the needs of Masonry in this jurisdiction and to use our best judgment in determining the most appropriate ways to meet those needs. It is my hope that our deliberations will prove fruitful and be conducted in a spirit of amity and goodwill.

What a great pleasure it is on behalf of Grand Lodge, and on my own behalf as well, to welcome our visitors from sister jurisdictions and the representatives of associated Masonic bodies. The presence of many distinguished guests is evidence of the tremendous fraternity that exists within our Masonic family. We pray that the bond that unites us today will not only become stronger, but will never be severed. It is hoped your stay among us will be most pleasant and one that will be long remembered with fondness.

NECROLOGY

From happy thoughts of welcoming visitors, we turn our thoughts, sadly, to those whose counsel and company are no longer available to us. Between one Annual Communication and the next it is inevitable that some of our members will lay down the working tools of Masonry. It is with a feeling of deep and heartfelt sorrow that I record the loss of some of our members.

R.W. Bro. Robert Wilkinson Faithfull

R.W. Bro. Faithfull's Masonic career began in Thunder Bay when he joined Shuniah Lodge No. 287 on April 10, 1945. He became Worshipful Master of that lodge in 1954. In 1967 the members of the District elected him the District Deputy Grand Master. He was appointed to the Board of General Purposes in 1971 to fill the vacancy created by the resignation of R.W. Bro. A. V. Chapman. He remained a member of the Board of General Purposes until his retirement in 1980.

He was a man of strong character and a wonderful example of Masonry for all the members to emulate. He served Masonry in his District and in Grand Lodge with distinction and his loss will leave an intense feeling of

emptiness in the hearts of many Masons. He passed to the Grand Lodge Above on May 27, 1991.

R.W. Bro. Robert Wilson McConnell

At various times R.W. Bro. McConnell had worked for the three major newspapers in Toronto. His knowledge of journalism stood him in good stead when he accepted the position of Editor of the Grand Lodge Bulletin in 1975. His Masonic career began in Orangeville, where he joined Harris Lodge No. 216 on June 2, 1925. After moving to Toronto he affiliated with St. Clair Lodge No. 577, becoming its Worshipful Master in 1946.

He was appointed Grand Pursuivant in 1975. In 1981 he was made a Past Grand Senior Warden in recognition of the great contribution he had made to the Grand Lodge Bulletin. All members appreciated his devotion and diligence in the production of a lively and informative Bulletin.

It is with regret that I record the loss of this gentle, caring and compassionate man on April 3, 1991.

R.W. Bro. Morley John Kinnee

In my Address to Grand Lodge last year I referred to the fact that R.W. Bro. Kinnee, having served as Grand Senior Warden in 1940, was celebrating 50 years of service as a Past Grand Senior Warden. It is with sadness that I have to report that, a few months after a celebration was held to honour his long service, he passed to the Grand Lodge Above on February 21, 1991. His friendly disposition and dedication will be sorely missed by his many friends.

We have mourned these and other departed Brethren and grieved over their loss. Each of us should remember these Brethren in our own hearts, for they have touched our lives in different ways. We must therefore in the sharp stillness of memory, and in the silence of our own hearts, review our special recollections of those who have gone before. It is our task to pick up the torch and to carry on the work of our departed Brethren. We must not fail them. Neither must we falter in continuing their work.

APPRECIATIONS

The duties of Grand Master have been made easier by the kindness of the Grand Secretary. He has extended every courtesy to me and, on occasion, has gone beyond what would normally be expected of a Grand Secretary. His assistance has been invaluable and I extend to him and his staff my sincere thanks.

As in previous years, the Past Grand Masters have been available for counselling whenever I have called upon them. They have generously shared the wisdom derived from many years of service. Their assistance has been greatly appreciated.

Several members of the Board of General Purposes have decided this year to retire from active participation in the affairs of Grand Lodge. It is with reluctance that we accept their decision. There comes a time, however, when it is more convenient to concentrate on Masonic affairs closer to one's own district. Our good wishes and grateful thanks are offered to the following brethren for their years of devoted service: R.W. Bros. Arthur G. Broomhead (Chapleau), George W. Kerr (Etobicoke) and W. Lorne Pacey (Temagami).

Although it is invidious to select one for extra mention, I am sure that all will agree that it is in order to honour the contribution of R.W. Bro. W. Lorne Pacey. He has devoted many years of service and, on innumerable occasions, has made the long journey from Northern Ontario to Toronto or Hamilton, to attend important committee meetings. He was employed as a miner in Northern Quebec for a short time, but decided to return to school. He took the Associate Course at the Ontario Agricultural College in Guelph, graduating in 1939. During World War II he served for five years with the Royal Canadian Air Force. After the War, he was in a business partnership in Temagami, which proved to be very successful. In 1970, the Attorney General appointed him a Justice of the Peace.

His Masonic career began in Silver Lodge No. 486 in Cobalt, becoming its Worshipful Master in 1957. His District elected him District Deputy Grand Master in 1964. As a member of the Board of General Purposes since 1971, he has given his heart and his loyalty to the Craft that he loves so dearly. Saying "Thank You" is inadequate, but he knows that those simple words hold within them a warm, a sincere and a heartfelt expression of gratitude.

At all levels of Masonry there must be continuity of action and, to this end, the Deputy Grand Master and I have maintained the close association that was begun last year. Very few matters in Masonry are finite in their impact. Each decision reaches out to make its mark upon the future. It has been the source of much delight to have received the co-operation of the Deputy Grand Master in ensuring that plans and decisions will continue

from one year to another.

At the conclusion of each year of my term of office I held a brief meeting with all of the District Deputy Grand Masters and a separate one with the Chairmen of Grand Lodge Committees to express my appreciation for their assistance during the year. I now thank them again in this Address, so that all members of Grand Lodge will know of the co-operation and support so willingly given by them.

PAST RANK

Some Worshipful Masters were prevented from serving a full term in office as required by the Constitution for Past Rank. They served their lodges with dignity and honour. I recommend, therefore, that Past Rank be granted to:

- W. Bro. Milton Kovac, Oxford Lodge No. 76, as of September 10, 1991
- W. Bro. Robert D. Nicholls, Bancroft Lodge No. 482, as of January 14, 1992
- W. Bro. Frederick J. P. Vickers, Prince of Wales Lodge No. 630, as of May 25, 1991

and posthumously to:

- W. Bro. Donald W. Rae, Caledonian Lodge No. 249, as of June 11, 1991
- W. Bro. Leslie Lovasz, Andor Gero Lodge No. 726, as of November 23, 1990.

SPECIAL EVENTS

In my Address to Grand Lodge last year, I unintentionally omitted to mention an event that had taken place in Simcoe. The Curator of the Eva Brook Donly Museum allowed several lodges to arrange an exhibition in one of the rooms of the Museum so that Masonic regalia, furniture and documents could be displayed. I was privileged, at a special preview, to officially open this exhibition of Masonic history, dating back to the formative days of our Grand Lodge. The event was a wonderful success. It made the immediate community and their neighbours conscious of the existence of Masonry and aware of its interconnection with the life of the people. It is hoped that more such exhibitions will be arranged.

There were several other events which were remarkable for the interaction between a lodge and its community. In the town of Madoc on

September 9, 1990, the ceremony of laying the Cornerstone of St. John the Baptist Church was reenacted. Members of the community and the brethren participated in the event, including the procession, travelling along the route originally taken 125 years ago.

On September 16, 1990, there was a reenactment of the laying of the Cornerstone of the railway tunnel in Brockville on September 16, 1854, by Sussex Lodge No. 5. The Masons paraded through the city to the tunnel entrance, where many citizens had assembled to watch the ceremony as it originally took place 136 years ago. Members of the City Council were dressed in period costumes. Many people followed their example and were attired in the style of 1854. It was truly a heart-warming occasion, full of civic and Masonic pride. It demonstrated the close liaison that exists between Masonry and that community.

An Eastern Ontario Weekend was held in late September, 1990, in the historic city of Kingston. This was planned as a means whereby Masons might meet the Grand Master, Officers and Committee Chairmen of Grand Lodge and join in a weekend of fun and education. As families had been invited, the wives and other guests were entertained with a social programme, while members listened to the Grand Master or watched the presentations of some of the Grand Lodge Committees. A group from Grand Lodge had the pleasure of meeting the Lady Mayor of Kingston, who is a most charming person. On Sunday morning the Masons and their families paraded into St. George's Cathedral for the morning Church Service. A large number of Masons from the Bahamas, who happened to be visiting Kingston at the time, joined the parade and added an international flavour to the event. It was a marvellous occasion and was another timely reminder of the involvement of Masonry in the local community. I recommend most strongly that meetings such as the Eastern Ontario Weekend be continued every year in different regions of the Province.

Younger men have been joining the Craft and many of them have become lodge officers. In order to encourage communication, seminars designed especially for those under the age of forty were held under my direction in various locations throughout the Province. These proved to be most stimulating, provoking a keener interest in the Craft, because these young men could see that someone was listening to them and answering their queries. Youth must be helped to accept the challenge of Masonic leadership for they will be the ones to move Masonry into the 21st Century. I recommend, therefore, that similar seminars be arranged on an annual basis by the Committee on Masonic Education.

RECOGNITION OF 100 YEARS OF ACTIVE SERVICE

The congratulations of Grand Lodge are extended to three lodges, each of which has served Masonry in Ontario for nearly 100 years. Permission to wear gold braid is granted as of the dates mentioned:

Fidelity Lodge No. 428, as of April 30, 1992

Moravian Lodge No. 431, as of March 13, 1993

Hanover Lodge No. 432, as of March 30, 1994

A particularly significant development in the history of Masonry in the Province of Ontario will occur on January 1, 1992, when Niagara Lodge No. 2 of Niagara-on-the-Lake enters its 200th year of continuous service to the Craft. Permission is granted for the members of Niagara Lodge No. 2 to wear the 200-year Crest on their Aprons as of that date. Not only Grand Lodge, but all Masons in the Province recognize this achievement. Service of this length could not have been attained without the unselfish efforts of innumerable members of that lodge. Some of these men achieved prominence, while the names of others are lost in the mists of history. As the lodge travels the road into the future, be assured that our prayers for greater success will accompany it in the years ahead.

WILLIAM MERCER WILSON MEDAL

The William Mercer Wilson Medal, which was first presented in 1945, is the most prestigious medal to be awarded in this jurisdiction. It is my pleasure to congratulate the following recipients of this Award:

Bro. Robert Steiner Hutton, William James Dunlop Lodge No. 675

Bro. Harold Nelson Grimmell, Palmer Lodge No. 372

Bro. Bernard E. Tucker, Temple Lodge No. 296

Bro. James E. Campbell, Central Lodge No. 110

Bro. Eric Williamson Mawson, London Daylight Lodge No. 735

Bro. Thomas William Hawke, St. John's Lodge No. 17

Bro. Geoffrey O. Knight, St. George's Lodge No. 42

Bro. William Emerson Ludlow, Dundalk Lodge No. 449

For a brother to be considered for this Award, he must have served Masonry with exceptional loyalty and dedication. By submitting their names to the Awards Committee to be considered for this unique recognition, the peers of each of these brethren have acknowledged his contribution to Masonry and to the community. The good wishes of all members are

extended to these brethren for bringing honour to our Fraternity. The jewel that is Masonry has been polished to greater brilliance by their Masonic and community involvement.

It is becoming increasingly common for members of the recipient's family and his non-Masonic friends to be invited to the presentation of the William Mercer Wilson Medal. This development is highly commendable. It requires a lodge to call off for only a brief moment. Members of the family ought to be allowed to share with the recipient of the Award the enjoyment of his well deserved moment of glory. The service to the community by Masons such as the holders of the William Mercer Wilson Medal has been kept secret for too long.

It is a source of regret that I must record the passing of two of our previous recipients of the William Mercer Wilson Medal:

Bro. George Alexander Lockie – January 12, 1991 who was awarded the Medal in 1989

Bro. Robert Armitage – July 10, 1991 who was awarded the Medal in 1978

HONOURARY MEMBERSHIP

The previously mentioned retirement of R.W. Bro. W. Lorne Pacey necessitates the appointment of a member to complete the unexpired portion of his term. In accordance with Section 131(e) of the Constitution, I, therefore, recommend the name of R.W. Bro. H. Allan Leal as an honourary member of the Board of General Purposes for one year. I also recommend the reappointment of R.W. Bros. T. R. Davies and S. H. Cohen, each for a further term of three years.

APPOINTMENTS OF GRAND REPRESENTATIVES

I was pleased to recommend to the Grand Masters of other Grand Lodges the appointment of the following Grand Representatives near our Grand Lodge:

Alaska – R.W. Bro. Jack Moore French National Grand Lodge – R.W. Bro. H. Neil Britton Hawaii – R.W. Bro. Ronald M. Watson New Brunswick – R.W. Bro. Frederic R. Branscombe New Zealand – V.W. Bro. Alan D. Hogg For many years V.W. Bro. Henry Walter Lyons has been the Grand Representative of the Grand Lodge of New Brunswick near this Grand Lodge. Because of severe ill health, he has been unable to attend the last four Annual Communications of this Grand Lodge. He was initiated into Canada Lodge No. 532 on November 16, 1945, becoming its Worshipful Master in 1958. He joined Progress Lodge No. 711 as a Charter Member when it started in 1964. In 1965 he was appointed a Grand Steward. He has enjoyed a long and illustrious career in Masonry. Unfortunately his health has deteriorated to the point where he is no longer able to perform the duties of Grand Representative.

It was a pleasure also to confirm the following brethren as our Grand Representatives near the Grand Lodges of:

Dominican Republic – Bro. Orbe De Jesus Soto
Israel – R.W. Bro. Moshe Campeas
Italy (Grand Orient) – Bro. Luciano Bergamaschi
Kentucky – Bro. James D. Warfield
Manitoba – M.W. Bro. J. A. Fergusson
Nuevo Leon (Mexico) – Q.H. Humberto Garcia Cantu
Minnesota – W. Bro. Daniel F. Levenduski
Prince Edward Island – M.W. Bro. Robert Allison Ellis
Rio de Janeiro (Brazil) – Bro. Celso Da Veiga Ferreira.
Rio Grande do Sul (Brazil) – W. Bro. José Wohlegemuth Koelzer Neto
Sweden – Bro. Anders Fahlman

GRAND MASTER'S BANQUET

I have invited R.W. Bro. W. Scott Stoner, the Grand Master of the Right Worshipful Grand Lodge of the Most Ancient and Honorable Fraternity of Free and Accepted Masons of Pennsylvania, to be the Guest Speaker at the Grand Master's Banquet this year. We look forward to a strong endorsement of Masonry by this sincere gentleman and leader of Masons in his State.

LODGE SUMMONS

It is unfortunate that it is again necessary to call attention to Section 270 of the Book of Constitution. This Section prohibits the inclusion of material not related to Craft Masonry in the Summons or in the envelope. This regulation must be strictly observed. All lodges must abide by the requirements of the Constitution.

MASONRY AND THE COMMUNITY

Unfortunately many Masons conceal their good deeds. They perform these as a matter of course, because they are considerate human beings. Their services to the community have not been rendered with a view to receiving tangible rewards or public honours. This is an admirable sentiment. It should not, however, preclude giving Masonry due credit for promoting and facilitating acts of charity.

As we do not know the names of all these benefactors, I speak to them through the medium of this Address. I urge them to take advantage of every opportunity to mention their Masonic connection, as this might lead to a fruitful dialogue with non-Masons. Masons, we are sometimes told, may initiate a conversation with non-Masons. But do we really need approval for this? Surely it is the most natural thing to do.

Last year I granted several dispensations to allow Masons to wear regalia when involved in certain community parades and fairs. I have continued the same policy this year. This has given the Masons greater visibility in those areas and shown that Masonry is an active supporter of and a participant in community affairs. I recommend the continuance of this policy.

THE RITUAL

The task of the Custodian of the Work is not an easy one. Tact and diplomacy are the major tools in gaining acceptance on the part of members of the fact that alterations or additions are not to be made to the ritual unless sanctioned by the Ritual Committee. As I stated in my Address last year, the practice of giving eulogies at Masonic Memorial Services does not have the sanction of the Custodian of the Work, M.W. Bro. N. R. Richards, and the Ritual Committee. This prohibition is of long standing, having first been enunciated by the late Grand Master, Archbishop W. L. Wright. It is a sad commentary on the work of lodges that these admonitions have to be repeated.

With reference to Masonic Memorial Services, the Custodian of the Work wishes that attention be drawn to the fact that provision for cremation has now been made in the Memorial Service Booklet.

As a result of decisions by several other Grand Lodges, some Ontario Masons have become aware of changes made in the positioning of the penalties in the obligations. The Custodian of the Work has stated emphatically that no change is being contemplated at present by the Ritual

Committee. It is not a valid defence for making a change to say that others have made that change. In this jurisdiction our Grand Lodge is paramount. If there are to be changes to the ritual or anything else Masonic, these changes have to be made for our own reasons and not because someone else has done so. Masonry is a voluntary association of men, who wish to preserve our wonderful heritage. The Custodian of the Work, therefore, expects that all Masons will adhere strictly to the duly authorized ritual.

I wish to reinforce the declaration of policy by the Custodian of the Work that every member, regardless of rank, must wear the collar of the lodge office to which he has been elected or appointed. Specifically, this means that a Past Grand Lodge Officer, who is a current officer in a lodge, must wear the collar of the lodge office to which he has been elected or appointed and invested. Although a Past Grand Lodge Officer, who holds an office in a lodge, wears the collar of his lodge office, he may (except for the Worshipful Master) wear the apron of his Grand Lodge office. This rule applies, of course, only while he is serving in the lodge in which he is an elected or appointed officer of that lodge. On other occasions it is appropriate to wear his normal Grand Lodge regalia.

CONFERENCES

In company with the Deputy Grand Master, the Grand Secretary and Past Grand Master W. R. Pellow, who is now Chairman of the Commission on Information for Recognition, I attended the North American Conferences of Grand Masters and Grand Secretaries in California. I am pleased to report to you that at this meeting our Deputy Grand Master was appointed Vice-Chairman of the Conference Committee to make arrangements for and to administer the 1992 meeting in Washington, D.C.

A list of visitations by the Grand Master to other Grand Lodges and Masonic Bodies is given in the Appendix.

ESPECIAL MEETINGS OF GRAND LODGE

On March 23, 1991, Grand Lodge met in Brampton to perform the impressive Ceremony of Constitution and Consecration of Ibrox Lodge No. 740.

During the year, the following four buildings have been dedicated: Alexandra Lodge No. 158, March 9, 1991, Oil Springs Saugeen Lodge No. 197, April 6, 1991, Walkerton Brampton Masonic Building, May 4, 1991, Bramalea Cope-Stone Lodge No. 373 and Merritt Lodge No. 168, May 10, 1991, Welland

The Advisory Committee on Lodge Buildings has devoted many hours to assist these lodges to bring their buildings to the point where a Ceremony of Dedication could take place. The work of this Committee is of critical importance, because a Masonic building cannot be dedicated until this Committee has given its approval of the construction and of compliance with all building codes. On behalf of Grand Lodge, I extend grateful thanks to V.W. Bro. Alan D. Hogg and the members of his committee for their diligence and for the great service they have provided.

PROXY VOTING

It is absolutely essential that the regulations regarding proxy voting at Grand Lodge are understood and followed by all members. Each lodge is entitled to three votes, which are cast by the Master and the two Wardens. The Constitution does not make any provision to allow the proxy to collect and exercise the lodge vote if any one of the senior officers is present. I recommend that the Committee on Credentials and the Committee of Scrutineers examine the proxy voting requirements and make appropriate recommendations in order to eliminate any possibility of errors in the voting procedures.

THE MASONIC FOUNDATION OF ONTARIO

For many years the Masonic Foundation has been conducting its business affairs from the home of the Secretary-Treasurer, M.W. Bro. T. John Arthur. His retirement made it necessary to seek alternative arrangements. The Masonic Foundation approached the Grand Master and the Grand Secretary to gain their agreement to move the Foundation's base of operations to the Grand Lodge Office in Hamilton. This matter was concluded satisfactorily and the office of the Masonic Foundation will shortly be transferred to the Grand Lodge Memorial Building in Hamilton.

I mention also that M.W. Bro. N. R. Richards, after an extremely notable term of office, resigned last July as President of the Masonic Foundation and R.W. Bro. C. John Woodburn was elected to succeed him. During his presidency M.W. Bro. N. R. Richards directed the work of the Foundation with quiet assurance. Although his leadership was gentle, it possessed a strength and determination that gave it a steady continuity over many years. Under his guidance the Foundation continued as a powerful vehicle for Masonic charitable efforts. His capable and temperate hand at the helm will be sorely missed. We hope that his successor will enjoy similar success.

A MASONIC DISTRICT

A District is not an accidental geographic alignment of a number of lodges. A District is very much alive and should be operated as a vital entity composed of active lodges. It enshrines the hopes and aspirations of all its lodges. The dreams and expectations of the lodges in a District depend upon all its members learning the tradition and history of their District. Every District must act as a cohesive unit. It therefore must have a good administrative infrastructure.

I recommend that the organization of Districts be examined by a committee of the Board of General Purposes, so that more specific guidelines can be included in the Constitution for the direction of the District Deputy Grand Master.

LODGES

The Charter of Centennial Lodge No. 679 was transferred from Niagara Falls to Hamilton. The lodge became a Daylight Lodge at a special meeting held in Hamilton on December 11, 1990. W. Bro. Ernest F. Goodyear of Centennial Lodge No. 679 was appointed and invested as a Grand Steward at that time. I request approval of this appointment and also of Past Rank for V.W. Bro. Ernest F. Goodyear.

It was with an immense feeling of sorrow and reluctance that I accepted the surrender of the Charter of Andor Gero Lodge No. 726 last fall. This lodge had been organized by Hungarian refugees who escaped when the uprising in that country in 1954 was subdued. Their work as a Masonic Circle to keep alive Masonic tradition began in Canada in 1959. In 1974 they were constituted and consecrated as Andor Gero Lodge No. 726.

The members of that lodge were assisted by many Toronto Masons, prominent among whom were M.W. Bro. William K. Bailey, R.W. Bro. Wallace E. McLeod, V.W. Bros. E. Eugene Baker, William Edwards and Lloyd Mellor. Among the Hungarian members was W. Bro. Emery Gero, the son of Bro. Andor Gero, who had been the Grand Secretary of the Grand Lodge of Hungary at the time it was forced into darkness. Andor Gero Lodge added a fresh and diverse element to the Masonic life of Toronto. Particularly notable was its contribution to the educational process and its evenings of music.

I directed that the funds of the lodge which, in accordance with the Constitution, were transferred to Grand Lodge be sent to the newly

reconstituted Symbolic Grand Lodge of Hungary for its Benevolent Programme.

Because the Minute Book of a lodge is often considered to be a necessary evil, it frequently suffers from lack of thought and care. Minute Books are part of the history of a lodge and should be written with the future historian in mind. Newspaper clippings of major events, photographs, comments about the weather and anything else that would bring life and emotion to the record of the lodge may properly be included. When we speak of the good old days with evident nostalgia, we should remember that today will be one of the good old days of tomorrow. We must, therefore, make our today a good one. Let us, at least, ensure that the Minute Books reflect some vitality and vibrancy so that a future historian may find something of more than passing interest.

The twenty-first century lodge will need candidates to renew its human resources. The lodge must ensure that the applicants are given an honest idea of the kind of institution that they may join. Caution should be the watch word. The sponsors should make a thorough investigation of the applicant. This has to be followed by a ready interchange of questions and answers with the committee of inquiry, then training of the candidate begins with the mentor programme followed by more advanced education as the candidate reaches greater seniority. Each lodge must teach its members in order to retain the candidates that enter its ranks.

MASONIC BUREAUS

An individual Masonic Bureau performs a useful function within its own geographic area. There was a time when each Bureau operated entirely on its own, with little need to consult with another Bureau. This is no longer the case. As a result of increased business mobility and the move of older members to retirement areas, Masonic Bureaus have much greater need to maintain liaison with one another. More information should be exchanged so that Masonry does not lose contact with members merely because they have moved to new locations. In addition, more statistical data might be gathered for the entire Province. It is hoped that Masonic Bureaus will be encouraged to make more frequent and formal contact with each other.

FAMILY INVOLVEMENT

As a Mason you should not let your commitment to the Craft blind you to the needs of your family. Masonry should be shared with wives because they are generally proud of you, proud of your achievements, proud of your

work and proud of the happiness which you derive from membership in the Craft. Why not, therefore, let your family share your joy and pleasure? Tell your wife about Masonry. Masons must not wrap themselves in cotton wool nor fold themselves into a cocoon of isolation. Your wife, being proud of you, will want to tell her friends. Do not scare her with too many stern cautions about secrecy. Do not do anything to diminish the goodwill that your family holds towards your lodge and your Masonry. This is essential for the tranquillity both of the family and of the lodge. It follows, therefore, that we must increase our efforts to bring the family into the magical circle of Masonry.

An Education Night, provided it is not devoted to ritual, can be a wonderful opportunity for both the lodge member and his wife to learn about the history and the philosophy of Masonry. Viewing a video of the Freemasons' Hall in London or of the Masonic Temple in Philadelphia is not something from which wives should be excluded. Also, a slide show of the life of Mozart is not so secret that wives cannot attend. On such special occasions the whole family can join in a pleasant and relaxing evening. Possibly family, friends and neighbours might be invited to share the enjoyment with them. Not all educational evenings have to concentrate on Masonic matters.

Emphasis should again be placed upon fostering the association of sons with Masonry by including them in social activities. Of foremost importance is the restoration of Father-Son relationships to bridge the gap from one generation to another.

I requested the Public Relations Committee to prepare a pamphlet explaining Masonry for the benefit of a candidate's wife. I agreed to the suggestion of the Chairman of that Committee that the theme be expanded to include the whole family. Consequently a pamphlet directed to the Mason's family has been printed and copies may be obtained from the Grand Secretary at the Grand Lodge Office in Hamilton.

ANNUAL COMMUNICATIONS

The date of the Annual Communication has come under review. It has been suggested that, instead of the third Wednesday and Thursday of July, the Annual Communication be held on the third Saturday of July. The timing of the meeting of the Board of General Purposes would therefore have to be reviewed.

The Board of General Purposes is empowered by the Constitution to set

the date of the Annual Communication. As the present proposal is a major departure from what has previously been done, your co-operation is requested. Each member registering at this Communication received a questionnaire outlining the present and the proposed systems. Each is asked to complete it and place it in the receptacle in the Registration Room. The responses will provide an invaluable guide as to whether a further and more detailed study of this idea should be undertaken.

YOUTH GROUPS

I draw your attention again this year to the excellent work being carried on by those members who are working closely with the development of De Molay Chapters. The response in Toronto has been most encouraging. Visits to several lodges have been made by DeMolay members to demonstrate portions of their ceremonies. They have been received enthusiastically.

One of the most urgent needs is to obtain participation by Masons who are willing to devote their time to guiding the DeMolay members. All Masons are urged to help these young men, who are to be highly commended for their outstanding ritual work.

MANAGEMENT COMMITTEE

In 1982 the idea of a Management Committee for the Board of General Purposes was put forward. Discussions have been held and proposals examined in the intervening years.

The Board of General Purposes is too large a group for frequent meetings to be held. Acting on its authority, under Section 134(j) of the Book of Constitution, the Board of General Purposes has created an interim Management Committee. The special committee has made recommendations to bring into existence a permanent Management Committee composed of the Grand Master and the Deputy Grand Master, together with five other members of the Board of General Purposes. Initially, three of these will be elected by the Board of General Purposes and two appointed by the Grand Master. The eventual term of office for an elected or appointed member of the Management Committee is to be three years.

I heartily endorse the concept of a Management Committee and recommend that guidelines be developed so that an appropriate motion can be placed before Grand Lodge in July, 1993, to create this Committee as a Standing Committee of the Board of General Purposes.

It is essential that continuity of planning be maintained. At present the composition of the Board of General Purposes alters from year to year. It follows, therefore, that the administration and the philosophy of management are liable to frequent and fundamental changes. A Management Committee would reduce the possibility of radical changes, maintaining our planning on an even keel.

MAKING MASONRY WORTHWHILE

We must come to grips with the fact that the world at large is generally ignorant about Masonry. It does not know about the Craft because, by and large, we have neglected to explain Masonry. This may be in part because we Masons do not know enough about ourselves. We must become more aware of our accomplishments, more aware of our work. Not only must we be ready to answer simple queries, but we must be more able to respond to basic questions such as — What does Masonry believe in? What message does it have for non-Masons? What is there about Masonry of which we can be proud?

To develop answers to questions such as these, we must open our minds to fresh ideas and let our thoughts be innovative and imaginative. Masons cannot be regulated too tightly. They need room to breathe. Our strength is in our belief in Masonry. We must stand firmly against any critic and not be afraid to defend our opinions. It is easy to be a Mason in times of peace and calm, but it is during crisis, change and controversy that our true character can be seen.

Some say that Masonry is difficult; too hard to be attractive. So it should be! But it must also be made worthwhile. Something that is too easily gained usually is not greatly esteemed. Man must suffer in attaining a prize before he appreciates the value of what he has won. Masons of the past never refused a challenge. It is the task of the Mason of today to face his challenge.

For the last two years this challenge has been answered in three ways: first, by promoting education; second, by involving the family and the community in Masonic affairs; and third, by efficient administration.

In order to open up the educational process many kinds of seminars were arranged. For example, members (under 40 years of age) met for discussions, also informal meetings of questions and answers were held with the Grand Master and a Grand Master's Conference was held to combine pleasure and education. All of these were direct attempts to make the educational process

more stimulating and exciting. I recommend most strongly that these types of educational meetings be continued.

The public has been made aware of Masonry through Open Houses and through invitations to friends to share in the social activities of the lodge. Other helpful strategies have been to permit youth organizations to use the banquet room for meetings and to combine with the Red Cross to run a Blood Clinic. In addition, some lodges have arranged entertainment for the ladies in the banquet room while the lodge was in session. Afterwards, both groups come together for refreshments.

Efficient administration is essential to the well-being of the Craft. Lodges have been urged to plan their financial affairs carefully and examine their management methods critically. The lodge must be run and not allowed to drift. It is vital to the survival of Masonry that each lodge enjoy financial health and efficient management. Every member must be a part of the process. He must not be afraid to voice his opinion. It is, after all, his lodge and his Masonic home. The right to say how his lodge ought to be run, however, is matched by the obligation to ensure that it is well run.

The merit of Masonry lies in the fact that the teachings and ceremonies of the Craft are based upon the idea of conscientious and satisfying labour. This theme of toil and joy in workmanship appeals to one of man's basic needs. There is no easy way to knowledge or to success. They must be achieved by laborious and painstaking research and effort. Masonry has never held out the promise of an easy life. It continually emphasizes that much unremitting labour must be undertaken before the life of a Mason becomes perfect.

PROSPECTS FOR MASONRY

A Mason must live in the age in which he exists but must, at the same time, live on the leading edge of life, always pushing forward into the future. He must draw sustenance from the past, but be more creative and innovative and be realistic about the present day and the changing world. New ideas and a new way of looking at things must be encouraged. We must rid ourselves of the shackles of ancient thinking. The problems and difficulties in Masonry have not appeared suddenly. They have been with us since time immemorial. It is only on infrequent occasions that a problem does arise that is so separate and discrete that a definite solution can be applied to completely and finally end the difficulty.

Most of the problems, however, do not have terminal solutions. Most

assuredly they will return again and again. We cannot hope to eliminate them, but only to control them. A human institution, such as Masonry, is often troubled by human failings. Masonic problems are sometimes increased because a particular friction from the past still clouds the attitudes of members to one another and prevents them working in fellowship and brotherly love.

It is now time for renewal, a time to pledge ourselves anew to the work of Masonry. Just because its administrative and organizational systems are in place and its ceremonies set in a steady pattern does not mean that our job is completed and we can relax. We cannot afford to rest on our laurels or the good deeds of our predecessors. There is still work to be done and building enough to last a lifetime.

Sometimes we are accused of being too philosophical. This is, however, at the root of Masonry. Its entire being centres around philosophy. One cannot separate the branch from the root, because Masonry draws its nourishment from that very root. The beliefs of Masonry run deep and are always fresh, wholesome and exciting. The urge to forsake the old for something new, simply because it is experimental, must be resisted. We cannot strike down the three great pillars of Masonry: Wisdom, Strength and Beauty.

The Beauty of which Masons speak is not physical good looks, but is the beauty of the mind and soul. It is the attraction of clean thoughts and pure motives.

Similarly, Strength to a Mason does not indicate merely physical prowess, but strength of character, strength of will and that strength of heart that breeds courage in the face of adversity.

Finally, Wisdom in Masonry refers to that mysterious insight imparted to a Mason in the three stages of his journey, by which he is able to knit together the lessons learned in the ritual. Wisdom enables the soul to acquire the inner tranquillity that it needs. It shows how to apply to life the values taught in Masonry. To possess such wisdom is to understand the subtleties and true satisfactions of a real human life.

Philosophy is our starting point and fraternity is the force that translates it into action. Fraternity pervades every aspect of our Masonic lives and impels us to assist the sick and the destitute, to help the widows and prevents us from suspending those of advanced age, simply because of their inability to pay their dues.

In order to do our work, buildings are needed. These must be cleaned, heated or air conditioned, repaired and food placed on the banquet tables. Regalia and furniture must be purchased and maintained. Taxes have to be paid. Ordinary running expenses have to be covered, such as notification of meetings to members, postage and many other expenses. The income must be sufficient to discharge these liabilities. Regulations must be passed to obtain the income and guard the resources of the lodge. In this aspect of Masonic life we must act in a businesslike manner. To do otherwise leads to hardship and a curtailment of activity. The income is not merely to pay expenses, but to provide an attractive social environment in which Masons can associate in genuine fraternity either by themselves or with families and friends. And that is how Masonry continues. It softens the harsh bluntness of business with the sweetness of fraternity.

Do not be lulled into a false sense of security because all seems well at the moment. To be competitive is not something that happens on infrequent occasions. It is essential to compete day by day in order to prevent the bad times returning. Success is based upon two factors: first, to look after and pay attention to the members; second, to innovate and find fresh alternatives to tired procedures. And if there is someone who feels that something cannot be done, tell him to get out of the way so others may get to work.

If we wish to build a greater fraternity then all members must work as a team with intelligence and sturdy hearts. The members must ask why certain things are done. Continual scrutiny must be brought to bear upon the administrative methods of the lodge. Candidates must be taught and they, in their turn, will add their talents to promote the happiness of the lodge. The first line of Masonry is the lodge and that is what the candidate sees. If the brethren are excited and enthused by lodge activities, Masonry will flourish.

Be proud today and in the future and make sure that the future you help to develop will be a worthy successor to that of your predecessors. May your efforts of the past and of today bring every lodge into the bright sunshine of a new century with a sense of adventure and fresh thoughts, not just retreads from previous years, and a steady courage to do what is best for your Masonry. Think your own thoughts, lay your own plans within the general confines of normal masonic propriety and move forward into an exciting future. Good wishes are extended to all members of every lodge for a strong and healthy future. If you can think of a bright future and believe it, you will be able to build it.

CONCLUSION

I stand here today with a heart that is filled with conflicting emotions: weighed down by sadness, but buoyed up by joy; discouraged by frustration, but emboldened by hope. Sadly, I count the promises that remain unfulfilled during my term of office. Joyously, I number the friendships that have been made or enhanced in the same period and the evidence of confidence and regard that have encouraged and strengthened me. No matter how great an effort I might make, I could not express my thanks adequately for the remarkable affection, trust and respect and for the numerous courtesies and privileges that you have bestowed upon me. Possibly the most prized privilege of all has been that of being invited into your homes, to sit by your hearth and, perchance, to break bread with you and your family. I only hope that in some measure I have been able to live up to your expectations.

The time draws near when it will be my duty to place the Grand Master's gavel in the hand of my successor. I am deeply conscious that there are many problems still unresolved. I am equally conscious that I leave with my successor a force of champions. I know your Masonic qualities, your vitality, your generosity, your enthusiasm and your goodwill. I am confident that you will transfer all of these qualities to support my successor. I also pledge to him my wholehearted support. The continuity of support has been created by individuals from the past each working with joy and pleasure, each performing his allotted task, each seeking personal excellence and each communicating his pride in a job well done and his satisfaction in passing the torch of Masonry to a new generation. Now it is our turn not only to continue this work, but to review our organization with openness and freshness of heart. The old attitudes of "it can't be done," or "it won't work," or "they won't let us" must be swept aside to allow the minds of the brethren to be freed from these old attitudes. Masonry is worth the effort. We can move into a dynamic and vigorous future, if we sweep aside any doubts.

There is no magic wand that can be waved to alleviate the problems of Masonry. Rather, it is the steady daily work of teaching and learning, of just being Masons that gives Masonry the power and the will to rise from its knees and be the wonderful, desirable, stimulating and exciting organization that it can be. Have we given up the effort? Is the task too heavy for us? Can we do what is necessary? Brethren, you bet we can!

Sincerely and fraternally.

APPOINTMENT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. N. R. Richards, seconded by M.W. Bro. W. K. Bailey, and carried: That a committee composed of all the Past Grand Masters present consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON DECEASED BRETHREN

This Report was presented by R.W. Bro. D. W. Dixon, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Dixon, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Deceased Brethren may I encourage each one, in your own way, to reflect for a few moments in paying tribute to those of our brethren who, since our last communication, have been called to the Grand Lodge Above from whence all goodness radiates.

Let us remember with thanksgiving those who by their lives have spread the teachings of Masonry throughout our jurisdiction and enriched the lives of all whom were privileged to have shared the Brotherhood of Man under the Fatherhood of God with them.

We, my brethren — you and I — must take up that challenge and carry the torch of "human kindness and love of our fellow man," to pass on to future generations that will enable our beloved Order to be thought of as the school of human understanding and care for all who enter its portals.

This committee sincerely acknowledges and commends all those lodges and individuals who are actively engaged in organizing and conducting memorial services for our departed brethren, and we are reminded that these tributes we pay to the dead today are useful only as lessons to the living. It is our solemn duty to do so.

We are grateful to all Lodge Secretaries for their returns of all names of deceased brethren and the Grand Secretary and staff for compiling the following list of Grand Lodge members who so faithfully served in this jurisdiction.

These Tablet Pages

Are inscribed and fraternally dedicated

in memory of

Our Departed Brethren

DONALD W. DIXON Chairman

RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of their Grand Lodges, those who were present stood up and were welcomed by the Grand Master. Grand Honours were given under the direction of the acting Grand Director of Ceremonies.

RECOGNITION OF RETIRING BOARD MEMBERS

M.W. Bro. D. C. Bradley called R.W. Bros. W. L. Pacey, A. G. Broomhead and G. W. Kerr to the dais where he paid a fitting tribute to these retiring members of the Board of General Purposes. The three brethren then received the richly deserved applause of their brethren.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We have audited the statements of financial position of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1991 and the statements of revenue and expenses and fund balances for the general and special funds for the year then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the organization as at April 30, 1991 and the results of its operations for the year then ended in accordance with generally accepted accounting principles.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Although we budgeted for a small surplus for the current fiscal year, I am happy to report a surplus of \$50,000. This was due to a number of factors. During this past year we were able to show a return approaching 13½% in our treasury bill portfolio. In our budget we projected book sales of \$25,000. In reality, we sold \$45,000 — a surplus on this item alone of \$20,000. The Most Worshipful the Grand Master must be commended for the example he has set in fiscal restraint as representative to other Grand Lodges. Despite a budget of \$11,000 his actual expense was only \$7,711. Similarly on a budgeted figure of \$15,000 for furniture and equipment only \$8,367 was spent. Under the heading of data input and equipment, because all the information for tabulation was not received, only \$8,000 of a budgeted amount of \$25,000 was spent. Because of all these various factors the surplus of \$50,000 resulted.

During this past year, with the approval of the Board of General Purposes, your Grand Treasurer was authorized to manage the investment portfolio of Grand Lodge with a more balanced investment philosophy which would permit investment in a professionally-managed portfolio. Accordingly the firm of Cassels Blaikie was engaged to manage our complete investment portfolio. I am happy to report that our asset mix at the end of our fiscal year was 5% in equity, 83% in term fixed income and 12% in cash. The average term of our bond portfolio portion has been reduced to $8\frac{1}{2}$ years. We are in constant touch with Cassels Blaikie regarding our longer term objectives.

We all realize that as interest rates decrease market value of bonds increase. As a result our investments in the General Fund have increased from \$994,971 in 1990 to \$1,166,837 as of April 30, 1991. In total, the General Fund assets have shown an increase from \$1,618,199 in 1990 to \$1,700,798 in 1991 — a modest increase of \$82,599. Our three funds, which include the General Fund, the Memorial Fund and the Commutation Fund, have an aggregate value in excess of \$3,000,000.

Our Commutation Fund now stands at \$446,507. We've come a long way from a standing start just a few years ago, but in order for this fund to be self sufficient and to discharge its obligation to the commuted life

membership we would require close to \$900,000. This is based on generating \$90,000 at an annual yield of 10%. Accordingly your Grand Treasurer has requested that the revenue generated from investments within that fund remain in that fund. It would thereby accelerate the increase in capital and be allowed to reach the plateau where the fund could be self sustaining. Despite the fact that we budgeted for a transfer of funds from the Commutation Fund to the General Fund I had no alternative but to address this \$450,000 shortfall by retaining the interest earned by the Commutation Fund in that fund.

During this past year salaries and benefits showed an increase from \$222,495 to \$260,000. This was due in part to the retirement of one of our staff members. This is a nonrecurring expense.

One might think that looking back at our track record this past year your Grand Treasurer would be pleased with the results. Unfortunately this is not the case. Our anticipated revenue for the coming year will be decreased by some \$60,000. After paring every conceivable expense from our budget we face a projected deficit of \$37,000. Generated revenue on our investments have decreased drastically as the prime rate has fallen over 4% in a matter of months. In order to provide Grand Lodge with a combination of a steady and growing income stream plus capital growth, I reecho the request from the chairman of the Audit and Finance Committee that Cassels Blaikie be authorized to increase the portion of the investment portfolio in conservative blue chip equities from 10% to a maximum of 20%, using the same caution they have displayed in the past few months.

This reduction in investment revenue, the ever decreasing membership base with resultant decrease in membership dues, coupled with the extra GST load all combine to make an increase in per capita inevitable. I, therefore, endorse the motion of the bylaw amendment by the chairman of the Audit and Finance Committee to increase our per capita by \$1.00 per member, effective January 1, 1992.

Finally, I must thank the Grand Secretary, his staff and the chairman of the Audit and Finance Committee for their support and cooperation.

Respectfully and fraternally submitted.

A. LOU COPELAND

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report was adopted.

Grand Lodge A.F. & A.M. of Canada in the Province of Ontario Notes to Financial Statements

Year Ended April 30, 1991

1. Accounting policles

a) Investments

Investments in bonds are recorded at cost and generally are held to maturity. Discounts and premiums on acquisition are not amortized, but are maintained in cost with final gain or loss recorded on disposition.

b) Equipment purchases are recorded as current expenses in the appropriate fund.

		1990	1989

2. Notes receivable - Masonic Holdings

6% debentures - Series A	\$ 100,000	\$ 100,000
- Series B	10,000	20,000
	<u>\$ 110,000</u>	\$ 120,000

Both Series A and B are payable on demand.

3. Fund transfers

Section 127 of the Grand Lodge Constitution permits transfers from the Commutation fund to the General Fund at the discretion of the Grand Treasurer. An amount transferred may not exceed the Commutation fund investment income plus 5% of the aggregate capital of the fund at the commencement of the fiscal year.

4. Related party transaction

During the year the Grand Lodge paid rent to Masonic Holdings in the amount of \$43,800. Masonic Holdings is a non-profit organization whose board of directors is appointed by the Grand Lodge.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed R.W. Bro. J. I. Carrick Chairman of the Committee of Scrutineers to supervise and count the vote at the election of Grand Lodge officers, with power to name the members of the Committee.

PRESENTATION

A presentation of a group photograph of all the District Deputy Grand Masters and the Grand Master was made on behalf of the D.D.G.M.s by R.W. Bro. W. Paling. M.W. Bro. D. C. Bradley expressed his deep appreciation of this gift in his response to R.W. Bro. Paling.

CALLED OFF

Grand Lodge was called off to allow the introduction of Mr. John Worsley of the firm of Cassels Blaikie Ltd. Mr. Worsley advised the delegates of his firm's intent in dealing with Grand Lodge's investment portfolio. In doing so he reviewed their programme to date and suggested their future goals.

Mr. Worsley was thanked by both the Grand Master and the Chairman of Audit and Finance.

CALLED ON

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This Report was presented by R.W. Bro. T. R. Davies, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Davies, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Audit and Finance of Grand Lodge has reviewed and considered in detail the reports of the Grand Treasurer, the Auditor's Report attached thereto and the report of the Grand Secretary as referred to it by this Annual Communication. These reports appear to fully and accurately record the essential details to:

- (a) The financial position of this Grand Lodge as of April 30th, 1991, and the results of its fiscal operations on an accrual basis for the twelve-month period ended on that date.
- (b) Details of all Receipts and Disbursements in respect to the General Fund, the Commutation Fund and the Memorial Fund; together with particulars of all transactions and changes in Capital Accounts of Grand Lodge which have occurred during the said period, namely the twelve months ending at April 30th, 1991.
- (c) The Investment Accounts of the above-mentioned Funds and the summary of all financial resources as of April 30th, 1991.

The following observations respecting certain matters covered by these reports, and/or relative to its financial affairs are presented for your consideration.

- (1) The Audited Statements of Grand Lodge accounts show that the net balance of our total resources now amounts to \$3,137,947 an increase of \$115,488 from the net assets one year previous.
- (2) Total receipts under the General Fund for fees, dues, commissions, interest on investments, etc. amounted to \$597,267, while disbursements, etc. amount to \$547,210. The accumulated surplus on our financial operation of the General Fund for this past year is therefore \$50,057.
- (3) Grants for benevolent purposes amounted to \$96,000 an increase of more than \$9,000 from the previous year. These grants were paid out of the income of the Memorial Fund.

The Committee of Audit and Finance has always participated in the deliberations of the Committee on Benevolence and again this year commends that committee on the way in which it has administered the funds for benevolent purposes within the bounds of their availability.

From all of the above you can observe that the financial results for the year just ended have been quite satisfactory, i.e. a surplus in the General Fund on the year's operations of more than \$50,000 and an increase of more than \$100,000 in the total resources available to Grand Lodge.

Now for the bad news! Our budgetary requirements for 1992 have been reviewed with the most thorough scrutiny by all members of the Audit and Finance Committee at a lengthy meeting early in June. The reality is that our total revenue expectations — after allowing for the increase which will come from the new dues assessment presented in our Notice of Motion — will be \$536,000 — down by more than \$60,000 from the year previous! Our expectations on the expense side are detailed in the budget attached to this report and you will see that we anticipate total expenses in the year ahead of \$573,000, resulting in a deficit on the year ahead of \$37,000.

There are two principal ingredients in the 1992 budget which are causing this awkward problem. Firstly, the fact that interest rates have fallen so substantially in recent weeks means that our expectations for interest income from the investments in our General Fund are only \$110,000 – down by approximately \$44,000 from last year. Sale of books is also expected to be off by about \$20,000, meaning that total revenues can only be realistically projected at \$536,000 – off by \$61,000.

On the expense side we are able to hold the line on our salary costs as a result of the reorganization last year of our staff requirements. The only expense item increase of consequence is in the data input category where we plan to spend \$20,000 in 1992 to proceed and hopefully complete the computerization programme at Grand Lodge. All other expense items are self-explanatory and we feel are realistic and will bear any scrutiny.

At Grand Lodge last year the Grand Treasurer recommended that Grand Lodge engage professional management of the Investment Portfolios of Grand Lodge. This has been done and the firm of Cassels Blaikie have been managing the financial portfolios of Grand Lodge for the past year.

We meet with them regularly and have been favourably impressed with their advice and work so far. At the present time they are working with an authorization approved by Grand Lodge last year to invest up to 10% of the aggregate face value of the Portfolio in high grade/blue chip equities. Cassels Blaikie have recommended to the Committee of Audit and Finance on different occasions that they would like to expand this approval ratio and by this report the Audit and Finance Committee is recommending to the Board of General Purposes and to Grand Lodge that Cassels Blaikie be authorized to invest an additional 10%, i.e. up to a maximum of 20% of the Portfolio as they see fit and in a cautious and prudent way.

We have found their advice and performance to be very conservative and are very comfortable in recommending this increase in their authority. A short report provided to the Committee of Audit and Finance from Cassels Blaikie is appended to this report and will be of interest.

In accordance with Section 134(c) of the Constitution, your committee submits for consideration and approval, as set out below, an estimate of the receipts and expenditures as they relate to the General Fund for the year ending April 30th, 1992. Your committee believes the estimates of the General Fund Schedule of Disbursements, i.e. \$573,000, to be realistic and to provide for items which can be reasonably foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the current financial year.

In closing, we wish to express appreciation to the Grand Treasurer, to the Grand Secretary and to the Grand Lodge staff for the wonderful cooperation which has been provided by all concerned. I also must extend a word of sincere appreciation to each of the members of this committee for meeting so regularly and working so diligently in managing the business and financial affairs of this Grand Lodge.

We respectfully submit this report on behalf of the committee.

T. R. DAVIES Chairman

To the Grand Treasurer and
To the Committee on Audit and Finance

We at Cassels Blaikie appreciate the opportunity of working with you on the investment of the Grand Lodge capital. Bearing in mind the objectives of preservation of capital, continuity of income, capital growth and especially the maintenance of real purchasing power we have focused the funds in a smaller number of bond investments. As well we have started to invest in a selection of top quality Canadian companies.

Over the next year we anticipate taking advantage of the smaller number of bond holdings when prices permit. In addition we expect to add further to the equity investments. Although the portfolio return will reflect the overall health of the economy we believe the conservative policies we are following will provide consistent results enabling the Grand Lodge to carry on its activities in the years ahead.

SEMIANNUAL RETURNS

Semiannual returns have been received from 651 constituent lodges and the information contained therein has been entered in the books of Grand Lodge. Statistical information may be found in the audited statement presented by the Grand Treasurer and in other tables printed in the annual Proceedings of Grand Lodge.

It must be noted that several lodges were unduly tardy in the completion and return of this documentation. As of this date, the semiannual return due January 9, 1991, for one lodge has not been received. Our Auditors, Doane Raymond Pannell have taken note and will be contacting the lodge directly.

Unfortunately the necessity of completing and returning the current information required on the semiannual returns and alluded to in this report last year is still not being taken seriously in several lodges. Again, we request the co-operation of all Worshipful Masters in addressing this problem where necessary.

WARRANTS

It is my sad duty to report that the members of Andor Gero Lodge No. 726 have seen fit, during this year, to return their warrant to Grand Lodge. Comfort can be taken however in the knowledge that the light of Masonry has again been rekindled in the homeland of most of the members of Andor Gero with the reformation of the Symbolic Grand Lodge of Hungary.

On a more pleasant note, the transfer of the charter of Centennial Lodge No. 679, formerly of Niagara Falls, to become a daylight lodge in Hamilton, was successfully completed on December 11, 1990. We wish this lodge much success in their new location.

No applications for Warrants were received during the year; however we understand a petition to form a daylight lodge may soon be received from brethren in the Ottawa area.

PRINTING AND PUBLICATIONS

Interest in the books and publications printed and distributed through the Grand Lodge office remains high and this interest is reflected in the revenue from book sales which was considerably above budget this past year.

The only new item created, published and distributed through the Grand Lodge office this past year is the popular pamphlet entitled TO A MASON'S FAMILY. This publication seems to enjoy great acceptance from the membership and is readily available to all lodges from the Grand Lodge office.

Promotion of book sales by members, lodges, districts and Grand Lodge personnel is not only greatly appreciated but makes it easier for the membership to become better informed Masons.

COMPUTERIZATION

The computerization programme in your Grand Lodge office is ongoing. Additional memory capacity has been added to the file server to accommodate the data base presently being built. Input of the information into the Grand Lodge data base has been completed for lodges 2 to 205, after checking the detail on the data sheets with the Grand Registers. Printouts will be going out shortly to these lodges for verification. While the actual data entry takes approximately one minute per member, much additional time has been required to search for missing information and/or verification of information submitted. Nevertheless, progress is being made and we all look forward to the day of the completion of the data base.

Our genuine appreciation and thanks must be recorded to W. Bro. Melvyn J. Duke, Secretary of St. Johns Lodge No. 75, who has devoted countless hours to writing and installing the software for the Grand Lodge data base. Bro. Duke's credentials in software design are well known and documented. We can do no more than offer our congratulations and thanks to him for the contributions of his time and talent so freely given to your Grand Lodge.

Similarly, the contributions of R.W. Bro. Brian E. Bond, D.D.G.M. of Toronto District 4, who likewise has given his time and talent in designing and creating the software programme for the use of the individual lodges must be recognized. This PCFile programme has now been distributed to 80 of our lodges and floppy disks containing complete lodge data are beginning to be received from many of these lodges. The programme is designed to

integrate with your Grand Lodge system and this compatibility will greatly speed up the creation of the Grand Lodge data base. This software has also been requested by many other jurisdictions, both in Canada and the United States, and copies have been provided. Who knows — this PCFile software could well become the standard for the lodges of several other jurisdictions.

Additional software to integrate the Grand Lodge data base and the AccPac accounting programme is presently being written by Mr. Kris Nickerson of the accounting firm of Doane Raymond Pannell. Kris has first hand knowledge of our needs for not only did he set up our computerized accounting programme in the beginning, but his wife, Gail Nickerson, just happens to be the latest member of your Grand Lodge staff who's responsibilities include the Grand Lodge accounting.

Yes, exciting things are happening in your Grand Lodge office as we move along towards the electronic era of the 21st century with keen anticipation of better serving you electronically.

Ere closing, I must express the appreciation of our entire staff to you the membership for your support, assistance and co-operation which has greatly assisted your staff in their quest to better serve you.

Respectfully and fraternally submitted.

R. E. DAVIES Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The 46 reports of the District Deputy Grand Masters were presented by the Grand Secretary and on motion of the Deputy Grand Master, seconded by the Grand Secretary, they were referred to the Board of General Purposes.

REPORT OF THE COMMUNICATIONS COMMITTEE

This Report was presented by R.W. Bro. C. E. Drew, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Drew, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege to present this report on behalf of the members of the Communications Committee: R.W. Bros. William Anderson, Norman Buckingham, Wallace Marner, Terence Shand, Harold Stanley, Robert Summerville, Robert Wands; V.W. Bros. Lloyd Bittle, Richard Large; W. Bros. John Mansfield, John Petch and the undersigned as chairman.

The mandate given to the committee was:

"To study the state of communications within our jurisdiction, and to make recommendations for the modification and improvement of the same.

To produce the Grand Lodge Bulletin, study the proposals previously presented, consider other suggestions, such as advertising and a direct distribution system.

To recommend ways by which our lodges, districts and Grand Lodge can employ the tools of communication now available: computers, fax machines, modems, desk top printers, etc."

The Bulletin

Two issues of The Bulletin were published during the year by the editor, Richard Large, implementing the recommendation to use black ink. Harold Stanley, John Petch and the Editor presented a report to the Board Meeting in January, 1991, "A New Approach to Print Communication." This included a suggested new format and distribution system, and the budget which would be required. This presentation was forwarded to the Management Committee for consideration.

Computerization

Following the seminar presented at the Communication in July, 1990, a seminar was held at London in February by Wallace Marner, with great assistance from the London brethren.

Robert Wands, Wallace Marner and John Mansfield formed the subcommittee to study the programme presently available, which was provided by R.W. Bro. Brian Bond, and to present a seminar at our Communication in July, 1991, after incorporating the updates in the software available to the lodges.

Display Board

A communications display board was recommended for the committee, which would be suitable for seminars, workshops and the annual communications. A three-panel portable board could be purchased for \$250, including taxes. This amount was included in the proposed budget.

Standard Letterhead

Samples of a standard letterhead were presented to the committee by John Petch, and the committee proposes that a sample be used on a trial basis for one year. This would be personalized for each of the 46 districts, and would include the name, address and telephone number of the District Deputy Grand Master and the District Secretary on the standard letterhead.

Within seven days after receipt of the names and addresses, the committee would mail laser printed proofs (4), suitable and ready for reproduction by local printers or photocopy shops.

The one-year cost, including material and mailing, would be \$195. This amount was included in the proposed budget.

Monthly Communique

A monthly communication newsletter to the District Deputy Grand Masters — ten issues annually — to provide a regular line of communication and information. The annual cost would be \$850 and this amount was included in the proposed budget.

Districts Trestleboard

A study into the possibility of a trestleboard which would include the information of all (46) districts was made by Wallace Marner and Terence Shand. 200 copies could be produced and ready for distribution by September 1st, 1991, for a total cost of \$350. This amount could be recovered by charging a nominal amount per copy. This was included in the proposed budget.

Lodge Summons and Newsletters

A subcommittee of William Anderson, Robert Summerville and Terence Shand studied lodge summonses and newsletters. They noted that although the summons is the line of communication to ALL members, many Worshipful Masters do not include a message to the members. It was recommended that particular attention be paid to the proper use of rank abbreviations, and perhaps lodge committees could be standardized. Clarification regarding the application of Section 270 of the Book of Constitution, especially with regard to newsletters, is required.

St. Lawrence District produced the first edition of a District Newsletter in January, 1991, and this is a fine example of communication at the district level. The editor, R.W. Bro. Don Hanton, and those responsible are congratulated on their efforts.

Survey

The results of the survey conducted last year, by Norman Buckingham, have now

been assembled and will be ready for presentation at the Communication of July, 1991.

All of which is respectfully submitted on behalf of the committee.

C. EDWIN DREW Chairman

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by R.W. Bro. R. E. Jewell, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Jewell, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the members of the committee, R.W. Bros. William Anderson, Gregory Hazlitt, Larry Hostine, George Kerr, Sidney Maddock, Ray Porter, Robert Throop, Donald Thornton and Ronald Watson, I am pleased to present this report.

Our Grand Master, M.W. Bro. David C. Bradley, has challenged the Craft to keep moving onward. By urging the brethren to question established practices, he has created new interest and enthusiasm throughout our jurisdiction.

The emphasis placed on the use of the Mentorship Programme has heightened the awareness of our new members and given them an immediate insight into the beauty of our Craft. The care and concern for our new members should be given the utmost attention. They must be kept informed, active and involved. (Reference — page 78 Masonic Manual.)

The general condition of Masonry is one of optimism and desire to move forward with a positive attitude. To this end, your committee presents the following observations and recommendations:

Specific directions to assist lodges has long been available from Grand Lodge through the "Masonic Manual," "Meeting the Challenge" and "Towards the Square." Many Masters and officers are not taking full advantage of these resources. Every officer should have the Masonic Manual as a ready reference and guide.

Workshops and Seminars presented in various districts are a great source of instruction and should be continued. As well, the chairmen of the various Grand Lodge Committees are available to offer assistance. They only need to be asked.

(Reference - page 79 Masonic Manual.)

Lodge "Open Houses" should be encouraged as a means of enlightening our non-Masonic friends of the history and philosophy of the Order and to dispel the notion of being a "secret society." Attendance should be by invitation only so that the brethren will be acquainted with those in attendance.

A member should never be lost. Every lodge should have a telephone committee of sufficient size to give each member four or five telephone numbers to call every six weeks, so that contact may be maintained. No doubt, suspensions and demits would be drastically reduced.

Our committee again recommends the establishment of Degree Directors to fully involve all members of the lodge in the ritual, particularly the newest members who are eager to assist in the degrees.

Preparations of a lodge financial budget is again stressed as well as the use of a Committee of Finance to oversee expenditures and generally see to it that the lodge is operating from a sound financial base. Invoicing of dues in a separate envelope should be continued. Assistance to the lodges is available from the Grand Lodge Committee on Lodge Finances. (Reference — page 164, Section 1, Masonic Manual.)

The lodge must review its procedures and its needs from year to year. It is essential, therefore, that a lodge elect a Management Committee of W.M., S.W., J.W. and three others (elected for three years, one to be replaced each year.) Lodge Team Management must be established in every lodge in order to meet the challenge of the '90s. Team management makes the best use of people with special talents and expertise.

R.W. Bro. Terry McLean, D.D.G.M. of Toronto District 2, will expand on this concept. (Also reference – page 198 Masonic Manual.)

The establishment of Masonic Bureaus in every district is encouraged. This would facilitate circulation of information throughout the district concerning applications, rejections, suspensions and demits, as well as other events for the betterment of the Craft.

The use of video presentations for the training of officers is recommended under the direction of the Custodian of the Work. As well, a video presentation of our Grand Lodge History with some dramatization would excite the interest of newer Masons. Duties and responsibilities of the committee of inquiry could also be exemplified on video to assist the members. In the electronic age, there is no end to the benefits that can be derived from video training sessions if we are but prepared to do it properly.

A letter, addressed to the wife of a newly initiated candidate is recommended for

consideration. This could be sent from the wife of the D.D.G.M. and state her pride in the integrity and honour of the Masons she has come to know. A draft copy is circulated for information.

The committee promotes training and planning in all aspects of Masonry, but especially for the office of District Deputy Grand Master. The seminars at Grand Lodge on this topic are excellent. Further to this, our committee suggests for strong consideration that the candidate for D.D.G.M. be elected one year in advance and confirmed the following year by the Grand Master.

This would allow ample time for preparation, choosing of Committee Chairmen as well as instructional meetings with the Grand Master and Custodian of the Work.

The Committee on the Condition of Masonry reiterates its support for a Management Committee of Grand Lodge. This committee would co-ordinate the flow of information between committees and direct whatever action needed to be taken.

A final recommendation would be to encourage all members of our Fraternity to make their ideas known to the D.D.G.M.s so that suggestions, comments and worthwhile input can be gained by the Board of General Purposes. The strength of our Masonry is in the willingness of the individual lodge members to be involved, committed and thinking.

DISTRICT DEPUTY GRAND MASTERS' REPORTS

The District Deputy Grand Masters comment very fully and factually on events and situations in the various districts.

R.W. Bro. Harold Carter of Windsor District indicates that the Long Range Planning Committee is taking an active role in assisting with the organization of the new district. Certain lodges are initiating candidates but are not retaining the new members. He further comments that officers and brethren are not working as a unit and, therefore, lodges are floundering. A successful "Parents Against Drugs" presentation was made at Harrow District High School and was well received. Great concern is being expressed over the condition of the Masonic Temple in Windsor. Studies are being made to formulate a viable plan to either renovate or seek other accommodation. R.W. Bro. Carter closes his report by stating that "many solutions are being examined to aid in the work of the District to restore commitment to Brotherly Love, Relief and Truth."

The District Deputy of Wilson North, R.W. Bro. Donald Pattinson, and the District Deputy of Wilson South, R.W. Bro. Norris Lennox, both report a great deal of activity and the two districts are doing well in their first year. Wilson North has had five presentations by District Committees and good use has been made of Grand Lodge videos. Wilson South had a lodge requiring a call for benevolence which was properly documented and speedily approved by the Grand Lodge Committee of Benevolence.

In Georgian South, R.W. Bro. Charles Coursey reports that a social club, meeting at noon on a monthly basis, continues the relationship between North and South. He further reports that with 35 initiates and several applicants awaiting, there seems to be an increase and that younger officers are appearing in the lodges.

In Eastern District, R.W. Bro. William Yates reports the lodge summonses fully informs the members and where deficiencies exist he contacts the Master by letter. He also indicates that some lodges are experiencing great difficulty and perhaps mergers may occur. A successful "Open House" was planned by Plantagenet No. 186 and St. John's No. 21a. Both were well organized and well attended. He concludes his report by stating that "it will take dedicated Masters and Wardens, who are not afraid to put the brethren to work and assign various tasks, in order to give members a reason to attend."

In Nipissing East, R.W. Bro. John Chadbourne comments on the Mentorship Chairman, W. Bro. Bruce Watson, utilizing a sound synchronized slide presentation for each of the four candidates meetings. It is widely used in the district and quite effective. He further notes that, despite the economic difficulties of the region, Masonry is still attracting good men.

In North Huron, R.W. Bro. William Vincent indicates that lodges are reaching out to the public by participation in Bowl-A-Thons for Big Brothers. As well, another lodge owns and maintains a children's playground in the local village. He further states how pleased he was that seminars were held in London for the brethren who cannot attend in Toronto.

In Niagara A District, R.W. Bro. Gove Merritt has organized a District Supervisor of the "Work" who assists with ritualistic training and co-operates with the Education Committee on Workshops and Seminars. W. Bro. Michael Kirby, Chairman of the Education Committee, comments that "the District is fertile ground as there is a core of young Masters and officers, eager and willing to learn more and willing to support good programmes."

Activities from Grey District, as reported by R.W. Bro. Fred Moore, included a District Lodge of Instruction with M.W. Bros. N. R. Richards and R. E. Davies speaking on the three degrees and installation. This was followed by a District Ladies' Night and Divine Service with R.W. Bro. Sidney Maddock. All attracted a large attendance.

London East District Deputy, Morley Haynes, speaks of the excellent social programmes: Ladies' Nights, Fish Fry, Summer-Fest, Moose Milk Party and Children's Christmas event. All were well attended with great fellowship and sociability for Masons and their families.

R.W. Bro. Russell Barber of London West reports another huge success with the Walk-A-Thon. Over \$18,000 raised for local charities.

Algoma District presented five T.V. closed-caption decoders to the Thunder Bay Chapter of VOICE. R.W. Bro. Walter Matyczuk also praised Port Arthur Lodge No. 499 for completely rewiring a home where a handicapped child resided. The Spirit of Giving and Sharing is alive and well in Algoma District.

R.W. Bro. George Burt of Toronto District 1 instituted a committee on Instruction and Protocol to assist the Masters and Officers in the District Lodges. He further reports that "the older lodges are experiencing difficulty in attracting new members. In contrast, the lodges in the suburbs are enjoying the benefits of new members." The district, under the direction of V.W. Bro. Bas De Man, also collected over 6200 lbs. of nonperishable foodstuffs to be distributed to the Food Banks in the area. Well done!

R.W. Bro. Mel Hougen reports that the recession has had a major impact on Temiskaming District but he notes an increase of initiations and has had great success with his programme of "Promoting Fellowship."

R.W. Bro. Dennis Walden of Toronto District 7 instituted an analysis of Masonry in the '90s with a great response rate. He further states that most lodges are extremely active with full ritual activities and social fellowship opportunities. However, he states that several lodges are discussing means of amalgamation and methods of bringing this about amicably and successfully.

R.W. Bro. James Barber of St. Thomas District reports on the high public visibility of the Masonic Parade Float which appeared in five parades. As well, many Masons participated in Remembrance Day Services. Along with his father, R.W. Bro. Russell Barber of London West District, they form the first father and son team as District Deputy Grand Masters in the same year.

In Chatham District, R.W. Bro. Wayne Paling has developed its first ever "District Video." It includes: Grand Master's Reception, Divine Service excerpts, information from each lodge — such as a 70 year jewel presentation, and other special events. This video can now be taken to shut-ins, widows and used at lodge "Open Houses."

In Ottawa District 2, R.W. Bro. Gordon Gross had a full representation from all the lodges at a Long Range Planning Seminar and states that all lodges appear to be determined to meet the challenge of revitalizing lodge programmes and activities. He also expressed serious concern over the slow progress of the Mentors Programme in many lodges. It seems to be related to a breakdown in communications. The establishment of a Daylight Lodge is being received with great enthusiasm. R.W. Bro. Gross closed his report with a recommendation for active and vigorous leadership at the lodge, district and Grand Lodge levels if the practice of Masonry is to be revitalized.

In Toronto District 2, R.W. Bro. Terry McLean used as his theme, "Involvement," both fraternally and socially, with emphasis on the promotion of Grand Lodge and those programmes requested by the membership through the Long Range Planning

Committee. R.W. Bro. McLean reports that nearly \$14,000 has been raised for support of "Kerry's Place" and their goal of \$18,000 will soon be reached. As well, the D.D.G.M. states that "the Mentors Programme ought to become a way of life in our Masonic endeavours."

R.W. Bro. John Slessor, District Deputy of Toronto District 5, reports on the commitment of Ashlar Lodge No. 247 to the Blue Mountain Easter Seal Camps, not only in donating money but in providing a work party to do maintenance and clean-up. He comments that Corinthian Lodge No. 481 continues to improve following a move to Newmarket. He notes the enthusiasm and commitment of the officers and members in most lodges, but acknowledges that a few are facing difficulties and are struggling. W. Bro. Eric Holt in his report as Chairman of the Mentor Programme states that "this programme is vital to our future well-being. We must see that it does not disappear."

In District 3, R.W. Bro. George Hinds notes several lodges operating at a deficit. He further mentions the good fellowship in many lodges contributing to the potential for a bright future. The district has also instituted a letter to the wife of a new candidate to make the family feel part of the Masonic experience. R.W. Bro. Hinds recommends continuity in District Chairmen and committee members.

Throughout the reports of the District Deputy Grand Masters, there is a feeling of enthusiasm for Masonry. Particularly in the lodges that follow suggestions and directions of the Grand Master. It is distressing to note that there are many lodges operating in a deficit, situation, but not budgeting or examining their dues structure. The use of "Open Houses" has been promoted by successive Grand Masters and where used have proved successful. The retention of membership is of the utmost importance and close contact must be kept with all members of the lodges. The Mentors Programme, along with other pamphlets, fully informs our new Masons of the depth and scope of our Order. Only by being fully informed and welcomed with enthusiasm will we retain our new members. We will be facing amalgamations and mergers of lodges in the future, but let us do it with good planning and with fairness and understanding. The strength of our Masonry is in the individual lodges. All the efforts of our Grand Master and Grand Lodge Committees are to strengthen the membership through the many programmes presented by Grand Lodge.

I wish to thank the Grand Master for his wise counsel and direction to this committee. As well, the Grand Secretary and staff of the Grand Lodge Office have been most helpful. The members of the Committee on the Condition of Masonry have been most diligent in this attendance at meetings and I thank them for their dedication to the Craft.

May I close by quoting the final paragraph of M.W. Bro. David C. Bradley's Address to the 1990 Convocation:

"We do our work without arguments, without loud voices, without stridency and without aggressive confrontation. We do our work by negotiation, by open debate and by

offering to every member an opportunity to voice his opinion. In this spirit of cooperation let us unite our hearts and hands and think about Masonry and work at Masonry."

Respectfully and fraternally submitted on behalf of the committee.

REPORT OF THE COMMITTEE ON BENEVOLENCE

This Report was presented by R.W. Bro. W. E. Elgie, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Elgie, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Benevolence has the honour to report that during the year ending April 30, 1991, there was disbursed in the interest of benevolence 58 grants and Christmas gratuities from the Memorial Fund, totalling \$96,000. Sixteen were for interim grants of \$25,740. In addition, \$10,000 was paid for services provided by the Grand Lodge staff, and \$4,239 was paid to the firm of Cassels Blaikie for investment portfolio management fees. Investment income was \$89,600. Bequests and private donations to the Memorial Fund totalled \$15,398. With the new committee based costing procedure, the resultant shortfall was \$20,639.

In June, your committee reviewed 45 applications, of which 10 were new. Subject to the Supervisor of Benevolence receiving satisfactory documentation from the subscribing lodges, the following grants are recommended for the 1991-92 year —

42 Grants through the Lodges	\$ 59,900
3 Grants through the Vancouver Board of Relief	3,000
25 Estimated Interim Grants	25,000
Christmas Gratuities	1,000
Grand Lodge Fees for Service	10,000
Investment Management Fees	4,300
•	\$103.200

The applications received are representative of 43 lodges from 25 districts.

It was heartwarming to read of the numerous benevolent activities listed in the reports of the District Chairmen of Benevolence. It now appears to be an accepted

practice for each lodge to maintain an active private benevolent fund. Remitting the dues of a needy brother is an act of benevolence. We commend those lodges which look after the needs of their Masonic families, quietly and with love and compassion.

Chairmen comments of concerns and practices include:

- I visited each of the recipients of Grand Lodge benevolence in company with a member of the lodge.
- I am concerned with the interpretation and understanding the lodges place on benevolence.
- Lodges need to realize that benevolence is many things, the least of them being money.
- · The lodge adopted a little girl in a refugee camp in Zimbabwe.
- They have a bursary program which gives an annual grant to a High School student.
- · This lodge is a strong supporter of the Food Bank.
- Some lodges extend their benevolent work into the community, while others are more concerned about the benevolence of their members and families.
- · If we do not inform our wives and families about our desire to assist in bereavement, how are they to know how to ask for help in life and in death.

The Committee again compliments those District Chairmen who attended each official visit with the District Deputy and who spoke about benevolence in general and how to access Grand Lodge Benevolent Funds, if needed, in particular. It is expected that retiring District Chairmen will review the function role and expectations with their successors.

Of the many uplifting stories of Masonic Benevolence which reach the Committee, the following deserves your awareness -

"Benevolence need not always involve money. A work party to repair someone's home, replace a major item of furniture, arranging a trip to buy groceries or a personal visit and listening, can be the most welcomed gift" stated the District Chairman in his September letter to each lodge. Excerpts from a letter to the Worshipful Master of a lodge, after ten electricians from that lodge, equipped with donated material, diligently and cheerfully applied their craft to bring the home of a handicapped person up to wiring code standards one Saturday are:

... taking from our minds the terrible fear of what will we do with our handicapped son if the faulty wiring ever causes a fire;

- ... doing the work at no cost, when we could not afford the cost;
- ... restoring our faith that there are people in the world who do care and are willing to sacrifice time, effort and money to do something about it;
- ... being confined to a life in a wheelchair can be depressing. When I told him what the chaps from the lodge were doing he could not believe it. As it unfolded around him, he commented "I've heard of angels Dad, and I sure would like to meet them";
- ...your lodge exemplifies the finest qualities of applied Freemasonry. Compassion and charity to those around you in your community.

This singular act of benevolence captured the attention of many and reminded brethren to be vigilant to the needs of others so we can all demonstrate that as Masons we CARE.

M.W. Bro. Eric W. Nancekivell will preside at the 49th Biennial Conference of the Masonic Relief Association of United States and Canada to be held in Burlington on September 27, 1991. This will be hosted by the Hamilton Masonic Districts' Board of Relief with support and assistance from Toronto and Waterloo brethren and Grand Lodge. We recommend continuance of the subscription to this worthy Masonic organization.

The Committee was pleased to develop and man a display booth at the Grand Master's Eastern Ontario Masonic Weekend in Kingston on September 22, 1990.

We thank R.W. Bro. T. R. Davies for hosting the June Meeting in Toronto. To our Supervisor, R.W. Bro. K. L. Whiting, we offer a sincere thank you for work well done in the past year, with the assistance of the Grand Lodge staff and the support and counsel of the Grand Secretary.

Today in Ontario, one million are living on social assistance. Tough economic times spell job losses and concomittant loss of self-esteem, selfworth and everything that attends such as depression, family violence, alcoholism, poor health and poverty. Poverty is so pervasive, that growing up poor is causing more and more people, especially children, to becoming wards of the state in order to live. Of all the disadvantaged and disempowered, children are the least powerful to do anything about it and the most vulnerable to the realities and most likely to be the ones to suffer.

Children are our most important economic resource. They are our leaders of tomorrow. For them the question is how are we going to do it better without anymore money.

Similarly, with respect to Grand Lodge Benevolence, it may lead one to question how we are going to continue our stewardship without more funds. Your Committee deliberated long upon each application. In these times of recession and fiscal difficulties, it has been necessary to make prudent decisions in keeping with the funds

available. Possibly consideration could be given by this Board to increasing the capital for Grand Lodge Benevolence, so as to afford this Committee more resources from which to draw.

The need to review the total Grand Lodge Benevolence picture is far greater than this Committee but, in order to bring protocol and practice in harmony with current happenings, this Committee is prepared to respond if so directed.

"To get the spirit out of the stone is the challenge for any great sculptor — To get the spirit of benevolence into each Mason is the calling of Masonry — Forget not the northeast angle."

Respectfully submitted on behalf of the Committee.

REPORT OF THE COMMITTEE ON ANNUAL COMMUNICATION SEMINARS

This Report was presented by R.W. Bro. W. T. Anderson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Anderson, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Annual Communication Seminars has organized for this year four seminars which will be presented at 1:30 p.m. on Tuesday, July 16, 1991. The presentation sector of the seminar to last at least one hour, with the remainder of the time for audience participation.

The topics and the seminar leaders responsible for each are:

Computerization R.W. Bro. Robert G. Wands Preparation for the Office of D.D.G.M. R.W. Bro. Murray Wagg Lodge Budgeting and Preparation of Financial Statements YES – "You're Extra Special" W. Bro. Jack S. Leitch

In addition, the committee has organized a GET ACQUAINTED seminar for Tuesday evening, July 16th, at 8:00 p.m.

The committee arranged, under the leadership of V.W. Bro. Paul Mullen, two of

the 1990 Seminars, Computerization and Preparing for the Office of Worshipful Master, which were presented in London this past February. The attendance of 138 Masons and their positive response to the seminars was most gratifying. We are most indebted for the excellent assistance and leadership afforded by our London and area brethren, who worked so diligently for this successful event.

The attendance and interest in the London event has prompted the committee to recommend that seminars from these sessions be presented in three locations this coming year. The suggested locations are: southwestern, central and eastern Ontario.

The committee extends sincere appreciation to the Grand Secretary, M.W. Bro. R. E. Davies, in arranging the seminar accommodations at the Royal York, the seminar leaders and all who assisted in the preparations and presentations of the seminars.

Respectfully and fraternally submitted on behalf of the committee.

W. T. ANDERSON Chairman

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. Peter Barrow, Grand Chaplain, and received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

During the past Masonic year I have been delighted to attend or take part in many diverse functions of Masonry.

I have not been able to travel as extensively as I could have wished and I know there are areas where I could have done better things. Notwithstanding, I have been assured that the Craft is alive and well in the province.

Everywhere I have found a dedication that is uplifting and humbling. The solemnity of Constitution, Consecration and Dedication Ceremonies made it a joy to be part of them. Joining in worship with the brethren either from pulpit or in the pew has been a constant source of inspiration. It has been a refreshing and salutary year and an honour to serve with people of such calibre.

I remember as a boy — in the spring break — going to the little village in the hills of Lancashire where my grandparents lived. The winter was over, the snow was gone from the hills and the spring flowers were at their best. Although I remember all these

things, the thing that impressed me most was the open windows. "At last" my grandmother would sigh, "I can give the house an airing," and open would fly doors and windows, letting the cool, sweet air rush in. Quilts and mattresses hung from every bedroom windowsill giving the whole village a festive appearance; and woe betide the housewife who did not air her bedding; the village folk would shake their heads and wonder at the quality of her housekeeping. It seems strange to me when I go into houses with central heating and central air-conditioning — winter, spring, fall or summer — the last thing anyone wants is for a window to be opened.

There are other places where this is true as well - the lodge is one of them.

A young Master told me recently how he had, during a cleanup session, found a summons 50 years old. "I was amazed, it was exactly the same as the one we had used the previous month," he said. Sometimes we need to let a little spring wind blow through the lodge. Find a new way to present the Craft and go ahead with it — that young Master did.

More and more people are letting a wind blow through the Craft. We have at last begun to realise that we are not a secret society, but a society that is open to all, even though we have a few secrets of recognition. We are beginning to fling open the windows and let a breeze blow through.

Some time ago I attended a simulation of a degree put on by a group of younger Masons. They had attempted to paraphrase the work of the first degree to make it more comprehensible to the brethren. At first I left the windows closed. Where was the solemnity? Where was the beautiful language, the set lectures and the charges? What were these young men doing? The window inched open and the refreshing breeze of utter sincerity rushed in. I am not able to do it like them and perhaps never will be able, but I hope that some of their joy and pleasure will ring through my degree work in the future.

We have to open windows. We have to live with zest in this vivid and ever changing world. May the Most Hight keep us from being a discreet male club, musty with the smell of ages; dusty because our doors and windows are never opened.

Finally, I would thank the brethren of the lodges for their fellowship and friendship always shown to a visitor, and most of all thank the Most Worshipful the Grand Master, David C. Bradley, for his wise counsel, generous spirit and terrible jokes.

Yours faithfully.

PETER BARROW Grand Chaplain

REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

This Report was presented by R.W. Bro. H. A. Leal, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Leal, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. and A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee has considered the proposed amendments to the Constitution as contained in the Notices of Motion received for presentation to Grand Lodge at its 136th Annual Communication 1991, and circulated by the Grand Secretary on April 12, 1991. Your Committee begs leave to deal with them in the order in which they appear in the list provided by the Grand Secretary and under the name of the brother by whom they are being proposed.

1. By V.W. Bro. A. Reg Medhurst

That the Constitution be amended by adding after Section 182 a new section 182.1 reading as follows:

182.1 A lodge may request the permission of the Grand Master to remove the name of a member from the membership rolls if he has reached the age of 90 years and the lodge has been unable, despite reasonable attempts to contact him during the preceding five years. The request to the Grand Master shall outline the attempts made to locate the brother.

That Section 194 of the Constitution be amended by changing the first sentence to read:

194. The lodge may, by resolution, of which notice of motion has been given and published in a summons for a regular meeting, accept the application for demission of a member who is in arrears of dues.

That Section 331 (b) of the Constitution be amended by adding the words "or is affiliated" after the word "initiated" in the third line of this section and the words "or affiliated" after the word "initiated" in the eighth line.

The proposer has accepted that Section 332 is accurate as written and the amendment has been withdrawn.

Your Committee finds the proposals do not offend either on grounds of constitutionality or regularity and these amendments will be before you.

2. By R.W. Bro. Larry J. Hostine

That section 23(f) of the Constitution be amended by adding new subsection (iii) Blood Donors, and renumber the remaining items.

That section 135 of the Constitution be amended by adding new subsection (c) Blood Donors, and reletter remaining items.

That section 136 be amended by adding new subsection

(c) Blood Donors

To stimulate support and co-ordinate lodge and district blood donor programmes.

To assist The Canadian Red Cross Society in any of its Blood Related Programmes.

To collect, collate and report on the number of units of blood donated.

To assist with the establishment of co-operation between the various Red Cross Regions and the Masonic Districts.

To encourage the participation of members in the Blood Donor Programme and generally inform them of beneficial results to society.

and reletter remaining items.

Your committee finds the proposals do not offend either on grounds of constitutionality or regularity and these amendments will be before you.

3. By V.W. Bro Alan D. Hogg

That section 274 of the Constitution be amended by deleting the last sentence reading:

From and after the first day of January, 1994, all buildings or structures in which are situate one or more regular lodge room(s) shall have displayed outside of and adjacent to the building or structure, an illuminated sign, pole or surface mounted, in form approved by the Grand Master.

Your committee finds the proposal does not offend either on grounds of constitutionality or regularity and this amendment will be before you.

4. By R.W. Bro. Robert T. Runciman

That the Constitution be amended, as follows:

- 1) S-424 (a) be deleted in its entirety.
- 2) S-424 (b) be deleted in its entirety.
- 3) S-424 (c) the words in line one thereof "Except where there is an automatic appeal" be deleted.
- 4) S-424 (e) the words in line one thereof "Wherever there is an automatic appeal or" be deleted.
- 5) That the subsections of S-424 be relettered as follows:

```
S-424 (c) becomes S-424 (a)
```

S-424 (d) becomes S-424 (b) S-424 (e) becomes S-424 (c)

S-424 (f) becomes S-424 (d)

S-424 (g) becomes S-424 (e)

S-424 (h) becomes S-424 (f)

S-424 (i) becomes S-424 (g) S-424 (j) becomes S-424 (h) S-424 (k) becomes S-424 (i)

S-424 (1) becomes S-424 (j)

S-424 (m) becomes S-424 (k)

Your Committee finds the proposal does not offend either on grounds of constitutionality or regularity and this amendment will be before you.

By R.W. Bro. H. Allan Leal

That section 70 of the Constitution be amended to lengthen the period of giving Notice of Motion for amendment of the Constitution from the 1st day of April to the 1st day of January and that provision be made for giving shorter notice on the consent of the Grand Master in proper circumstances so that the section will read as follows:

70. The Constitution of Grand Lodge may be amended at the annual meeting thereof by an affirmative vote of two-thirds of the members present and voting. A notice of motion in writing, stating distinctly the proposed amendment shall have been given at the preceding annual meeting or shall have been received by the Grand Secretary on or before the 1st day of January preceding the meeting at which the motion is to be considered, or at such shorter period as may appear to the Grand Master, on consultation with the Committee on Constitution and Jurisprudence, to be just and appropriate considering the special circumstances of the case. The Committee on Constitution and Jurisprudence shall have reported favourably on the constitutional validity of the proposed amendment and Grand Lodge shall have adopted its report.

Your Committee finds that the proposal does not offend either on grounds of constitutionality or regularity and this amendment will be before you.

6. By R.W. Bro. Edward J. Hare

I am informed that R.W. Bro. Hare has withdrawn this amendment and it will not be before you.

7. By V.W. Bro. Donald W. Lewis

That section 37(a) of the Constitution dealing with biographical data in nomination papers be amended to delete the reference to "age."

Your Committee finds this proposal does not offend on grounds of constitutionality or regularity and the amendment will be before you.

8. By R.W. Bro. T. R. Davies

That section 152 of the Constitution be amended by substituting in place of the present section, the following:

- 152. Fees payable to Grand Lodge shall be as follows:
 - (a) Two hundred dollars for a warrant or the replacement of a warrant.
 - (b) One hundred dollars for a dispensation for the formation of a lodge.
 - (c) One hundred and fifty dollars for the commutation of dues to Grand Lodge.
 - (d) Twenty-five dollars for a dispensation to confer any degree within four weeks of the previous degree.
 - (e) Twenty dollars for a dispensation to accept a petition for initiation from a person residing outside the jurisdiction of a lodge.
 - (f) Ten dollars for the registration of every person initiated in a lodge including the issuance of a Grand Lodge certificate.
 - (g) Ten dollars for the registration and Grand Lodge certificate for a brother who, either as an Entered Apprentice or as a Fellowcraft coming from another recognized Grand Lodge, has received the remaining degree or degrees in this jurisdiction.
 - (h) Ten dollars for a dispensation to accept a petition for initiation from a person who has not resided for one year within the jurisdiction of the lodge.
 - (i) Ten dollars for a Past Master's Certificate.
 - (j) Ten dollars for the replacement of any lost certificate.
 - (k) Ten dollars for a dispensation to elect and install (or either) at a time other than that fixed by the by-laws of that lodge.
 - (I) Ten dollars for every Mason joining from another lodge including honorary

and charter members.

- (m) Six dollars per annum for every member of each lodge whose fees have not been commuted to Grand Lodge, including honorary and charter members.
- (n) Three dollars for a dispensation for any public procession or function, other than a Divine, Memorial or Remembrance Service.
- (o) Three dollars for any other dispensation, other than for a Lodge of Instruction.

Your Committee finds these proposals do not offend either on grounds of constitutionality or regularity and these amendments will be before you.

9. By R.W. Bro. Jack Moore

I am informed that these proposed amendments have been withdrawn and will be referred to the Management Committee for consideration and report.

All of which is respectfully submitted.

DISPOSITION OF NOTICES OF MOTION

PART I

In accordance with the Notice of Motion duly given and presented to Grand Lodge by V.W. Bro. A. R. Medhurst, seconded by V.W. Bro. A. Simms, and amended by R.W. Bro. W. E. McLeod and seconded by R.W. Bro. C. E. Drew, the motion, as amended, was moved by V.W. Bro. A. R. Medhurst and seconded by R.W. Bro. H. A. Leal and adopted, as follows:

Section 182: The following sentence has been added.

While membership in a lodge shall normally cease at the time of the member's death, suspension, or demission, a lodge may request the permission of the Grand Master to report the member as "presumed deceased" if he has reached the age of 90 years and the lodge has been unable to contact him during the preceding five years — such request to outline attempts made to locate him.

Section 194 now reads: The lodge may, by resolution of which notice of motion has been given and published in a summons for a regular meeting, accept the application for demission of a member who is in arrears of dues. The Certificate of Demission (dues owing) in accordance with prescribed Form 2 shall state the fact and the amount of the indebtedness of the brother to the lodge.

Section 331(b) amended by inserting the words "or is affiliated" after the word "initiated" in the third line of the section.

Section 332 amended by inserting in brackets the words "with dues owing" after the word "demissions" in the first sentence.

R.W. Bro. D. I. Greenwood presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by R.W. Bro. Greenwood, that the Report be received. (See page 236)

REPORT OF THE SPECIAL COMMITTEE AND THE MANAGEMENT COMMITTEE TO THE BOARD OF GENERAL PURPOSES

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

At the July, 1990, meeting of the Board of General Purposes, I reported to that Board with respect to the establishment of a Management Committee. That report suggested some of the proposed duties and responsibilities of that Management Committee, its name and its composition for its initial year of operation. You will recall that for its inaugural year, the Management Committee was to be composed of the Grand Master, the Deputy Grand Master (as Chairman), and the Honourary Members of the Board of General Purposes.

This report was accepted by the Board of General Purposes and the Management Committee was given birth.

The Management Committee has conducted two meetings during the year. One of the problems encountered was the long distance some Honourary Members of the Board (who formed the Management Committee) had to travel to attend meetings, coupled with the fact that such travel was at the personal expense of those members of the Management Committee as during its first year it had no budget to provide funds to defray this travel expense or otherwise compensate or reimburse its several members for personal funds expended. Notwithstanding these circumstances, the members who did travel long distances did so at their own expense without hope of reimbursement and, as Chairman of the Management Committee, I thank these Masons for dedication and commitment far beyond the normal. The Board of General Purposes, and indeed Grand Lodge in general, owes these brethren a debt of gratitude and while these sentiments do little for individual bank accounts, let our general thanks to them be so recorded here.

As chairman of that Management Committee, it is my pleasure to report briefly on the committee's work during the last year.

Each member of the committee studied and reported on the work and reports of several of the Grand Lodge Committees — standing and special. This was done to ensure that any suggestions or programmes set forth in the reports of any Grand Lodge Committee would not fall between the cracks and be forgotten, rather than be implemented into the work of the Grand Lodge and its committees in the year following last summer's meeting of the Board.

I can assure the members of Grand Lodge today that following this phase of the Management Committee's deliberations, I believe that all suggestions of the various Grand Lodge Committees are presently being dealt with as far as time and money will allow. This critical examination also pointed out several shortcomings in some Grand Lodge programmes and it would now appear that after these matters were turned over or referred to the relevant committees, proper attention or remedial action has or will be taken. It is not my intention to report on or deal specifically with each matter considered for to do so is really repetitious and a waste of your time, but I can assure you that within the bounds of reason and the time available for the committee and its members, all matters brought forth in the reports of Grand Lodge Committees have received appropriate action or have been suitably referred back for further attention.

Several items not considered in the reports of any specific Grand Lodge Committee have given the Management Committee very serious concern, not the least of which is the financial condition of some of the temple buildings in which Masons meet in this jurisdiction. It is too early to see a "turn around" here but hoped for timely action may avert serious difficulties in the future.

The committee gave a great deal of consideration to the methods used and the requirements of amendments to our Constitution. As a result, certain changes to the Constitution are being presented this year for Grand Lodge consideration.

The committee studied several matters of particular concern to our Grand Master and the committee was able to advise him of their respective view points, which I trust were of some use to our Grand Master in his responsibilities as our Masonic leader.

Some of the matters considered by the committee included the Grand Lodge Bulletin or magazine, Prince Hall Masonry, the use or abuse of alcohol at Masonic affairs, photo identification and publication of candidates for Grand Lodge Office, district banquets and receptions, the probability of an increase in the per capita assessment of Grand Lodge, the Mentor's Programme, the status of the Blood Donor's Committee, lodge and temple building finances, Discipline Committee matters, regalia, public relations, a video of a Grand Lodge Communication, a 40-year masonic pin, a widow's pin, amendments to the Constitution, a monthly bulletin for D.D.G.M.s, the Masonic Foundation and the streamlining and restructuring of meetings of the Board of General Purposes and, in particular, significant changes in the format of our Annual Communication.

It is the considered opinion of the chairman of the Management Committee that while much remains to be done, which can only be accomplished with many, many more meetings of this committee, the results of its first year's operation were definitely worthwhile and clearly indicate that the continuance of a Management Committee is a step — in fact several steps — in the right direction.

The Special Committee therefore heartily endorses and supports in principle the continuance of the Management Committee for next year. With this recommendation in place, your Special Committee has met and deliberated and carefully considered the composition of the Management Committee for the next period of time.

The following summarizes the suggested guidelines and rules for the formation of a Management Committee of the Board of General Purposes:

- 1. The committee shall be called "The Management Committee."
- The Management Committee (herein called the committee) shall consist of seven persons, namely the Grand Master, the Deputy Grand Master, two appointed members and three elected members.
- 3. The Deputy Grand Master shall be a member of the committee by virtue of his office and shall serve the committee as its chairman.
- 4. The Grand Master shall be a member of the committee by virtue of his office.
- 5. Two members of the committee shall be appointed by the Grand Master, each to serve for a three-year term.
- Three members of the committee shall be elected by the elected, appointed and honourary members of the Board, as per Section 131 (c) (d) and (e), each to serve for a three-year term.
- 7. Appointed and elected members of the committee shall be among the elected, appointed and honourary members of the Board of General Purposes of Grand Lodge (herein called the Board.)

THE INITIAL ESTABLISHMENT OF THE COMMITTEE AND REQUIRED SUBSEQUENT ACTION

- a) The Grand Master shall appoint one member for a two-year term and one member for a three-year term. Subsequent appointments shall be for a three-year term.
- b) The Board shall elect by secret ballot three members of the committee, one for three years, one for two years and one for one year. The term of office of each elected member of the committee will correspond to the number of votes received by each with the three-year term for the highest number of votes, the two-year term for the second highest number of votes and the one-year term for the third

highest.

Subsequent to this first inaugural term, the Board (that is, the elected, appointed and honourary members of the Board of General Purposes) will elect one member to the committee annually, each for a three-year term.

- c) Vacancies in "appointed" members of the committee will be filled by appointments by the Grand Master. Vacancies in the "elected" members of the committee will be filled by the Board (as above defined) by secret ballot at its next meeting. The term of office for a member so appointed and/or elected shall coincide with that of the member he replaces.
- d) The election of the "elected" members for the initial Management Committee three in number shall take place by secret ballot on Tuesday morning, July 16, 1991, immediately following the close of the Board of General Purposes meeting. The elected, appointed and honourary members of the Board will be asked to remain after the meeting for this purpose. The Grand Master will announce the results of this election and name his own appointments on Thursday morning at Grand Lodge.

It is hoped (although this may not be possible this first time) that the Management Committee will recommend to the Board of General Purposes meeting held immediately following the close of Grand Lodge the names of the Chairmen of the various Grand Lodge Committees.

The above guidelines have been adopted and approved in principle by all members of the Special Committee. The committee is fully aware that as in any new venture, not everything will work out just as planned. Notwithstanding that possibility, your committee requests approval in principle by Grand Lodge of this report and its immediate implementation so that the Management Committee in its new form can be established and constituted forthwith ready to go to work at once.

All of which is respectfully and fraternally submitted on behalf of the Special Committee consisting of M.W. Bros. David C. Bradley, William K. Bailey, Robert E. Davies and R.W. Bros. Samuel H. Cohen, T. Richard Davies and W. Norman Buckingham.

And on behalf of the Management Committee consisting of M.W. Bro. David C. Bradley; R.W. Bros. W. Norman Buckingham, Samuel H. Cohen, T. Richard Davies, Edsel C. Steen, Robert T. Runciman, W. Lorne Pacey and M.W. Bro. Robert E. Davies as Secretary.

NORMAN E. BYRNE Chairman

It was moved by R.W. Bro. N. E. Byrne, seconded by R.W. Bro. W. N. Buckingham, that this report and its implementation be approved and adopted by Grand Lodge.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. J. A. Hughes, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hughes, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

One of the exciting elements of Masonic Education is the latitude given for the development of new and varied programmes. Many lodges and districts are surging ahead with programmes that are both challenging and interesting — ideas that are the product of enthusiastic and dedicated Masons — forward thinkers — programmes that provide information, guidance and instruction.

As an example: The Waterloo District School of Freemasonry — what an exciting challenge — a programme involving The College of Freemasonry (the Correspondence Course); The Mentors Programme; and the booklet *Towards the Square*. This project involves a large number of past Grand Lodge Officers working with other brethren in the district. Topics such as history, philosophy, symbolism, adminstration and responsibilities are covered. An example of positive thinking and where so much knowledge and information can be disseminated among the brethren. An ambitious project. All who are involved are to be congratulated. Let's hope other districts will follow suit and accept such a challenge.

There is also the Hamilton Districts Deacons Programme – an officers' training programme based on *Towards the Square*. This programme is held every second year and is geared to training the Deacons and Wardens and preparing them for their year as Worshipful Master.

Speechcraft Dynamics — to develop skills, self-confidence and poise enabling you to stand up and deliver a message, toast or an introduction — eliminating the fear of public speaking. This programme is now being conducted in ten districts and only the highest of praise has been forthcoming. For information on how to start this programme, contact your Committee on Masonic Education. Once it is up and running, lodges or districts then can operate as their needs dictate.

What about a Banquet Pizzazz Workshop? Or a Banquet Hall Protocol Symposium? Understanding Craft Masonry?

The idea brethren is to let our minds wonder – test our imagination. Where do we need instruction? What type? When is the ideal time? Who should attend? Why? What topics are to be covered? How do we create the interest? Don't inhibit our imagination

by letting negative thoughts surface. Always be positive. Nothing has ever been accomplished by saying "Its never been done before"; "That won't go over in this area"; "It won't work." Brethren, $TRY\ IT-you'll$ be surprised at the results. IT WILL WORK.

The Mentors Programme; a very important programme of education. One that deals positively with membership retention. Every lodge is asked to accept the challenge of instructing new candidates in the fundamentals of the Craft. This should be done in conjunction with the sponsors. Remember, the Mentors Programme complements the sponsors - it does not replace them.

It is appropriate at this juncture to mention The Newsletter. To educate is to communicate — have you considered offering every new member a one year's free subscription? Alternatively, at the completion of the degree include a subscription form with Booklet No. 1.

The Newsletter provides insight into Masonry in this Grand Jurisdiction and is a great source of good educational material. If you have something of interest to share, please forward it to the editor, R.W. Bro. Robert A. Barnett.

Anything worthwhile requires effort. The Correspondence Course is worthwhile and does require effort — that is why it is so attractive to the brethren. The continuing growth of this outstanding course attests to this fact. It covers so much of the basic information necessary to become more knowledgeable about the origin of the Craft — the importance of administration and preparing ourselves for leadership. New programme applications in 1990 were up 26 per cent over 1989. In addition, we've received five new members into The College of Freemasonry. Congratulations to Brothers:

David R. Dainard, John Ross Robertson Lodge No. 545, Toronto 4 District William Fish, Garden Lodge No. 641, Windsor District Frederick W. Furyk, Tweed Lodge No. 239, Prince Edward District Peter Shields, Beaver Lodge No. 234, Georgian North District John Slade, Erie Lodge No. 149, Wilson South District.

Brethren, you are urged to consider completing this course before assuming an office in your lodge or at least commit yourself to take it while serving as a junior officer — you will not be disappointed — both you and the lodge will reap the benefits.

Similarly, the office of District Deputy Grand Master. There is growing interest among members to learn about this office prior to assuming its responsibilities. This is good. The Information Booklet for the Prospective District Deputy Grand Master discusses personal requirements and considerations, being a leader, administration, speaking, and more. To date, four regional seminars have been held and all were well received and well attended. Look for the one coming to your area and if you may be considering letting your name stand for this office sometime in the future, be sure and attend.

As chairman of this committee, I want to thank the committee members for their cooperation and diligence: R.W. Bros. Gary L. Atkinson; Robert A. Barnett; Ralph Green; Larry J. Hostine; Duncan J. McFadgen; Robert J. McKibbon; Edsel C. Steen; J. Murray Wagg; Robert G. Wands; Ronald M. Watson and W. Bro. Claude Brodeur.

Your Committee on Masonic Education continues to work on your behalf and if it can be of assistance at any time, please do not hesitate to contact any one of its members.

Education is one of the most important facets of a lodge meeting. The wise Worshipful Master will conduct his meeting in a timely manner so the brethren will look forward to the educational portion and will not look upon it as a "fill-in" or as something that is extending the meeting time beyond an acceptable time of closing. Education is interesting and exciting and we must challenge the membership with programmes and topics that stimulate thinking — create a desire to learn — and encourage our members to be curious.

Be curious always; Knowledge will not acquire you, you must acquire it.
Sudie Back

Respectfully and fraternally submitted on behalf of the committee.

JAMES A. HUGHES Chairman

REPORT OF THE BLOOD DONORS' COMMITTEE

This Report was presented by R.W. Bro. L. J. Hostine, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hostine, it was received.

To the Most Worshipful the Grand Master, Officers, and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege and pleasure to present the report of the Blood Donors' Committee, which is composed of the following members: R.W. Bros. G. E. M. Bilboe, G. Given, J. Gilpin. J. W. Glass, C. Miller, R. McKibbon, J. Scarborough and the undersigned as chairman.

The Committee wishes to thank the D.D.G.M.s, the District Blood Donor Chairmen and Lodge Chairmen for their assistance and dedication to this cause. The recommendations and results attained would not have been possible without your efforts. It is sincerely recommended that those dedicated District and Lodge Chairmen

wishing to continue in this service be given consideration to do so.

Although there has been a close co-operation in the past between the Canadian Red Cross Society and the Grand Lodge Blood Donors' Committee, this past year has seen much closer co-operation. As a result, the committee would like to thank Mr. John Mulvihill, Commissioner, for his assistance and introduction to his Divisional Directors.

This close co-operation has resulted in one meeting at the Red Cross Office in Toronto, at which time they acknowledged, with thanks, the assistance of the Masons of Ontario. Also at this meeting the Red Cross Society suggested that perhaps the Masonic districts and individual lodges might wish to sponsor clinics in their respective areas at their request.

The first area suggested, in which they were having trouble setting up a mobile clinic, was Port Perry. As a result, Fidelity Lodge No. 428 has volunteered to sponsor four clinics a year starting August, 1991. We wish for them every success in this endeavour and look forward to next year's report.

We extend congratulations to R.W. Bro. William J. C. Noble on receiving a certificate of appreciation from the Canadian Red Cross Society for twenty-six exemplary years as chairman of Sudbury-Manitoulin District. We sincerely believe that this kind of service and recognition can only increase the public's appreciation of Masonic Charity and what 'Masons Do'.

The committee participated in the Grand Master's Eastern Ontario Masonic weekend on September 22, and 23, 1990, at Kingston. The presentation was well received by the visitors and guests and was successful in promoting interest in the work of the committee. We extend a sincere thank you to R.W. Bro. Carl Miller for chairing this event on behalf of the committee.

During the past year, the committee met at various locations around the jurisdiction and included District Chairmen from various districts. The result was a mutual exchange of ideas and practical plans that benefited both the jurisdiction and districts. It is recommended that this practice continue in the future for the benefit of all.

The committee, with assistance from R.W. Bros. Rod Connor, Phil Hernandez, Wallace McLeod and W. Bros. Wayne O'Sullivan and John Hornell, have produced a history of the Masonic involvement in Blood Donor Recruitment from the beginning in 1940 to 1958, and a yearly synopsis from 1958 to present. It is hoped that this history will be of assistance to the District and Lodge Chairmen in their recruiting efforts.

The committee, at the beginning of the year, felt that it was important to find a way of letting the brethren of the jurisdiction, as well as the general public, know exactly what we as MASONS DO as blood donors. R.W. Bro. Jim Scarborough

volunteered to chair this project and with assistance from the committee the idea to produce a Masonic pamphlet was suggested. At subsequent meetings of the committee, after many suggestions and changes, the committee brought to fruition a pamphlet which includes Masonic History, donor qualifications, and promotional material.

It would be an ideal pamphlet to distribute, to let the public know exactly what we do in this most worthwhile charity. Remember, my brethren, charity does not have to come from the pocketbook; it is best when it comes from the heart. It is recommended that this pamphlet be produced for distribution to our members and to the general public.

In response to a letter sent in October, 1990, the majority of the D.D.G.M.s gave recommendations as to what the Grand Lodge Blood Donor Committee should do to enhance the Blood Donor Programme. The following are two of the most popular responses from the jurisdiction:

- Recognition for District and Lodge Chairmen and outstanding individuals who have worked endlessly to promote this programme.
- 2) A lapel pin for 50 donations to be presented to and to be worn by Masons only.

Both of these responses are referred to the 1991-1992 committee for consideration.

Some districts have access to schedules when the Red Cross is holding mobile clinics in their areas — others do not!! Beginning in May and June, we started mailing to the D.D.G.M.s the schedules for clinics in their areas. It is hoped that this information will be of assistance to the chairmen in their endeavours to MAINTAIN and indeed INCREASE donations.

The chairman wishes to extend a thank you to the Grand Master, the office of the Grand Secretary, and especially to the members of the committee. All have travelled thousands of kilometres to assist in promoting this endeavour and each has contributed greatly to its promotion.

My brethren, don't forget, the first month of the year is just as important as the last! The Blood Donor Committees of each district and each lodge should be PROUD of their efforts. I KNOW THAT THE GRAND LODGE BLOOD DONOR COMMITTEE IS PROUD OF YOU!!!

Congratulations are extended to all who have given 100 donations:

TOTAL DONATIONS -14,277

Brant District

The 14 lodges of Brant District sponsored another successful clinic with a total of 288 donations.

Erie District

With 1,017 donations, may we welcome you, a new district to this most benevolent charity. A small district of 9 lodges — we will watch with interest as you grow. Good luck and keep up the good work!

Frontenac District

The district worked in conjunction with the Kingston Knights of Columbus and sponsored a March Clinic. Competition seemed to bring out the donations.

Grey District

W. Bro. Terry D. Freeborn reports St. George's No. 88 sponsored a very successful Masonic Blood Donor Clinic – the brethren had a good time sponsoring the clinic.

London East District

W. Bro. Clare Hatt reports that the Masons realize that blood donations and public image are connected. Also, more younger Masons and their families and friends were donating, which is a good sign for the future of our cause and our fraternity.

London West District

We did it! We ended up with 1,056 blood donations for the district which exceeded the goal of 950 by a substantial amount. W. Bro. Art Rake also reports they should take off our hats to Bro. Gary Barker for sponsoring 162 students from Beal Secondary School. Grand Lodge extends to you sincere congratulations on attaining the most donations in the jurisdiction.

Muskoka-Parry Sound District

W. Bro. Laird Eaton reports another successful year for the district. He also reports that Powassan Lodge is compiling a list of 250 potential donors and hope to add more in an attempt to have the Red Cross hold a <u>Blood Donor Clinic</u> in Powassan.

Ottawa 2 District

W. Bro. Dave Mackey submitted a detailed report of his district, as well as many recommendations for consideration of the future committee. A sincere thank you is rendered and I assure you your report will be given careful consideration.

Prince Edward District

Another successful year with a total of 776 donations. Eureka Lodge will sponsor their fourth clinic in July, with 16 members of the lodge serving on the committee.

Temiskaming District

R.W. Bro. Melvin Hougen, the D.D.G.M., reports that the two-day Masonic clinic sponsored by the three lodges of the Timmins area (Porcupine 506, Aurum 704, Golden Beaver 528) have a great many Masons working together and a large number of donations (483).

Toronto 2 District

W. Bro. David Sims reports that they had a successful Masonic-sponsored clinic on March 30, 1991, and they hope to sponsor a second clinic in the fall. They also included pictures taken at the clinic which will be put in an album for future use.

Toronto 4 District

W. Bro. Everard Blackburn reports the TROPHY donated by R.W. Bro. Leighton McLeod was won by WEST HILL No. 670. He also reports the district has a 25% increase over last year . . . EXCELLENT WORK.

Wellington District

The D.D.G.M., R.W. Bro. Norm Taylor reports that every lodge in the district is working towards sponsoring a clinic. Presently Wellington No. 271 and Trillium No. 724 are sponsoring clinics, and Guelph No. 258 will be sponsoring a clinic in June, 1991.

Windsor District

Chairman W. Bro. Collin Johnson reports that not only was the M.W. Bro. George E. Turner trophy won by Harmony Lodge No. 579 but they donated \$1,000 to the Windsor Red Cross Society. Excellent work and Masonry in Action!

Respectfully and fraternally submitted.

L. J. HOSTINE Chairman

REPORT OF THE LONG RANGE PLANNING COMMITTEE

This Report was presented by R.W. Bro. H. N. Britton, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Britton, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again it is my privilege to submit the annual report on behalf of the Long Range Planning Committee. Its members include: R.W. Bros. A. Aggerholm, C. S. Brooks, I. L. Clunie, R. J. McKibbon, D. R. Thornton, D. G. Walker, R. M. Watson, W. K. Wellstead, S. R. Whiteley and the writer.

Four meetings were held at which many subjects were considered, some of which are referred to in this report.

In order to fulfil its mandate the committee wrote to all districts in December informing them of its mandate and encouraging Long Range Planning Committees in the districts and through them in the lodges also. A GUIDE TO LONG RANGE PLANNING COMMITTEES was included and a list of topics they might investigate. The name and address of their liaison member of our committee was included, along

with the results of the two questionnaires to which they responded the previous year.

As a result, Long Range Planning Committees have been established in several districts that did not have any previously, and many others have indicated the ground work has been completed for an early start next year. However, there are still many districts that do not have the responsibility for long range planning either as a separate committee or part of another — such as a Management Committee.

Our liaison members have met with their respective District Committee whenever invited. We believe the approach was positive and recommend that it be continued.

A number of concerns received from the districts for attention in the future have been incorporated in our recommendations. Others received too late for consideration will be made available to next year's committee.

The following are recommended for your consideration:

- That the Board of General Purposes appoint an Ad Hoc Committee to recommend provision in the Constitution to recognize the organization and operation of the district, including the holding of district meetings in the district, the formation of a District Management Committee, the approving of the district budget, and such other direction as may be deemed appropriate.
- 2. That the Board of General Purposes appoint an Ad Hoc Committee to review the reasons and need for the amalgamation of lodges, and prepare guidelines and subjects for consideration during the period leading to amalgamation, and recommend such changes to the Constitution as may be deemed appropriate to facilitate the amalgamation.
- 3. That the Board of General Purposes appoint an Ad Hoc Committee to review:
 - (a) the formation and structure of Grand Lodge, including the duties of the Grand Lodge Officers, their method of election, and the possible formation of districts with regional representation.
 - (b) the election of the District Deputy Grand Master with a view to having his election within the district prior to the Annual Communication with appropriate changes to the Constitution.
- 4. That the Board of General Purposes initiate a review of the venue, form, and schedule of the Annual Communication and report.

The committee is grateful for the opportunity to serve the Craft and wishes to thank you Most Worshipful Sir for your continued encouragement and support.

Respectfully and fraternally submitted on behalf of the committee.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by R.W. Bro. J. D. Jackson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Jackson, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F.and A.M. of Canada in the Province of Ontario

Most Worshipful Sir and Brethren:

Last year your committee alluded to the ever changing Masonic scene beyond the perimeters of Ontario. The same holds true again this year with the reestablishment of the National Grand Lodges of Czechoslovakia on December 12, 1990, and the formation of the Grande Loja Maconica Do Tocantins as a result of the division of the state of Goias which created a new state called Tocantins in Brazil.

It is understood that a new Grand Lodge either has been or is about to be formed in Portugal.

Requests for recognition have been received from the Symbolic Grand Lodge of Hungary, the Grand Lodge of Czechoslovakia, the Grand Lodge of Yugoslavia, the Grande Loja Maconica Do Tocantins, the Grande Loja Do Estado De Sergipe and the Grande Loja Maconica Do Brazilia.

Your Committee of Past Grand Masters has carefully reviewed these requests and now recommend that the Grand Lodge A.F. and A.M. of Canada in the Province of Ontario extend formal recognition to the Symbolic Grand Lodge of Hungary, the Grand Lodge of Czechoslovakia and the Grande Loja Do Estado Do Tocantins.

It is further recommended that the remaining requests be again reviewed when further information becomes available.

Respectfully submitted.

JAMES D. JACKSON Chairman

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by V.W. Bro. A. D. Hogg, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Hogg, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

During the year R.W. Bros. J. R. Gilpin, D. I. Greenwood, K. G. Bartlett, A. E. Dyer, E. S. Rutter and R. S. Throop, served as members of this committee and participated in the reviews which saw the creation of new facilities by the following bodies:

Saugeen Lodge No. 197, Walkerton Welland Masonic Temple Ltd., Welland Blyth Lodge No. 303, Blyth Brampton Masonic Corporation, Brampton

Many skilled craftsmen within the fraternity gave freely of their skills to realize the above projects and it was a particular delight for this committee to see the fine results of their labours.

Our existing and new buildings must be safe for all who use them. For this reason alone your committee has attempted continually to make lodges and lodge building corporations aware of their legal responsibilities and associated liabilities insofar as complying with the requirements of the Ontario Building Code and other regulatory codes. Grand Lodge can neither assume these obligations nor waive any code requirements.

To allay any misunderstanding regarding its function the Advisory Committee has, in conjunction with the Committee on Constitution and Jurisprudence, worded the following disclaimer which will be stamped on submitted documents after review by the Advisory Committee:

"In performing its limited function of review the Advisory Committee on Lodge Buildings and Grand Lodge assume no legal responsibility of any kind arising out of compliance or noncompliance with existing building and fire codes and other governmental regulatory requirements pertinent to this application. These matters remain the responsibility of the applicants."

The maximum occupancy of any lodge room in this jurisdiction is governed by the Ontario Building Code on the basis of floor area and exits provided. The owners of lodge buildings are responsible for determining the maximum occupancy for places of assembly and ensuring compliance therewith. Particular vigilance is necessary when a large attendance is anticipated for any function.

Lodges conscious of this concern have successfully arranged overflow accommodation in adjoining areas to the lodge room hooked up by closed circuit television during Dedication and Installation Ceremonies or similar event.

The final version of the revised L.B.3 is now available. It is a two-page check list

making their report to the Grand Master. The completion of L.B.3 must be treated seriously by the D.D.G.M. He must not shoulder the legal responsibilities of lodges and building corporations by confirming compliance with Grand Lodge requirements on the assumption that these will be carried out sometime in the future.

Guidelines and report forms for use by District Chairmen of Lodge Buildings have also been prepared and are now available from the Grand Secretary.

Several Masonic Temple Corporations have applied to the Grand Master requesting permission to use lodge rooms for other than Masonic purposes. Permission has been granted with certain conditions on a trial basis. This is an encouraging indication that lodges are beginning to realize that in many cases their facilities are under utilized and are now exploring means to remedy the situation.

Lodges would be well advised to review periodically the appropriateness of their accommodation. When rents vary in direct proportion to the floor area, it seems extravagant to meet in an area where the number of vacant seats exceed those occupied — yet this is not an uncommon observation.

Finally, a motion to amend Article 274 of the Constitution, as suggested by this committee last year, is scheduled for presentation and consideration this year.

Respectfully submitted.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S BANQUET

A brief oral report was presented by the Chairman, R.W. Bro. G. W. Kerr. This report was received on motion of the Deputy Grand Master, seconded by R.W. Bro. Kerr.

CALLED OFF

Grand Lodge adjourned at 3:00 p.m.

CALLED ON

Grand Lodge resumed labour at 8:45 a.m. on Thursday, July 18, 1991.

REPORT OF THE COMMITTEE ON LODGE FINANCES

This Report was presented by R.W. Bro. J. Moore, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Moore, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your committee is composed of R.W. Bro. T. E. Lewis, W. Bro. N. G. McCarthy and myself.

During the year we continued to carry out our purpose and contribution to the brethren as follows:

- 1) to provide advice to the Most Worshipful the Grand Master, when so directed;
- 2) to provide advice to the lodges and brethren, when so requested;
- 3) to maintain a watch on the evolution of the economic relationship of lodge annual dues in the categories of:
 - a) In-town/Out-of-town
 - b) Life Memberships paid and free
 - c) Honourary Memberships paid and free
 - d) Other fees
- to maintain a watch on other lodge-related financial matters such as ownershipstructure of buildings, and the operation of such enterprises.

During the year we have had referred to us by the Most Worshipful several dozen proposals to amend lodge bylaws as they relate to life memberships. After examination of the information made available to us, and considering the uniqueness of each lodge, we have provided our comments to the proposals.

We have found during those examinations that many lodges seem not to have organized their membership programmes on sound financial basis which will protect the future income of the lodge and its dues-paying members from significant subsidization.

It is difficult to generalize about a facet of the finances of the 652 lodges in this Grand Jurisdiction, for each lodge has its own notion of how it should operate. However, we must reiterate that we are opposed to Life Memberships and Honourary Memberships, either paid or free, unless proper and adequate steps are taken to protect the existing members from financial expense or loss resulting therefrom.

We have prepared a set of guidelines and objectives related to paid (commuted)

and free memberships, bylaw amendments and fund operations which we would be glad to make available to any lodge on request.

It is essential, to present and future financial stability, that free memberships are promptly funded by the members of the lodge, and that commuted memberships are sufficient that the annual dues, whatever they may be, of those members may be paid annually from the fund to the lodge. The fund should be reviewed on a regular basis to verify its own long term solvency. Also, free and/or commuted dues should be neither portable nor refundable.

We are anxious to meet with lodges and/or members to examine and discuss life membership funds. We are glad to do this and encourage enquiries from interested brethren.

Finally, we are hopeful that more and more Masonic real estate holdings and operations will be moved into corporate structures as recommended by this committee in 1988 (see Proceedings, page 113).

Respectfully and fraternally submitted on behalf of the committee.

JACK MOORE Chairman

REPORT OF THE AWARDS COMMITTEE (WILLIAM MERCER WILSON MEDAL)

This Report was presented by M.W. Bro. H. O. Polk, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Polk, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The eight brethren named in the Grand Master's Address under the caption "William Mercer Wilson Medal Awards" constitutes a record number of recipients for a given year, in this the year 1990-91, now under scrutiny by your committee, since provision for such an award was enacted in 1944.

It is thereby reasonable to conclude there are numerous lodge members across the province adeptly qualified for such recognition, if and when proposed as a nominee.

Petitioners are once more reminded to be wary in the details of submitted applications to be certain each one precisely reflects the brother's qualifications, who,

basically, must personify the epitome of an ideal member of the Craft.

As committee chairman, we were saddened to have to accept the resignation of M.W. Bro. Bruce B. Foster from the committee, during the year. While otherwise enjoying good health, Bro. Foster has unfortunately become a victim of impaired vision, the justification of his decision to retire.

M.W. Bro. Bruce Brown Foster served Grand Lodge as Grand Master for the years 1969-70, 1970-71 with great distinction, and a member of this committee since 1978. Bro. Foster's services to the committee are a matter of unblemished record, beyond reproach. His response to application process has been rapid, decisive, and without exception the respective petitions were adjudged in a spirit of fraternal fairness, with open mind.

Bro. Foster, the thanks and gratitude of your brethren and peers across the province for your services of love and compassion are hereby proclaimed "A friend to the human race, fast by the road." We hope that nothing but life's best will come the way of you and your lady Marion eternally.

Your committee members congratulate the year's worthy honorees. Wear the jewel you have manifestly earned with honour and pride.

As customary, but with genuine sincerity, we thank the Grand Secretary and his staff for the courteous manner in which they respond to the detailed requirements of this committee.

Respectfully submitted.

REPORT OF THE LIBRARY COMMITTEE

This Report was presented by R.W. Bro. R. G. Wands, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Wands, it was received.

To the Most Worshipful the Grand Master, Officers, and Members of the Grand Lodge of Canada in the Province of Ontario

Most Worshipful Sir and Brethren:

It is my privilege to present the 59th annual report of the activities of the Grand Lodge Library Committee, composed of R.W. Bros. Elgie, Kerr, Wilkes; W. Bro. Warner and the undersigned.

As in prior years, the Library, located in the Grand Lodge Memorial Building in Hamilton, was open each Monday evening and Wednesday afternoon from September through May. There were 152 books and audio visual material loaned to 128 visitors, while another 134 such items were loaned to brethren throughout the Grand Jurisdiction through our mailing service.

Among the visitors to the library during the year was a student from a university in Hungary engaged in research on Masonic history in that country and a brother from Scotland researching the Masonic career of M.W. Bro. John Ross Robertson.

The video cassette section of the Library, available in both VHS and BETA, continues to increase and generates a great deal of interest for both private viewing or for lodge meetings. We urge our membership to make use of the following video cassettes as part of their lodge education programmes.

The committee is presently considering the possibility of providing a travelling library. It will take the form of a collection of books which will be made available at the request of lodges, in order that the brethren who are not in the vicinity of the Library may have access, at first hand, to the types of material available in the circulating section.

On behalf of the Library Committee, I extend our sincere thanks and appreciation to each of the devoted volunteers who faithfully staffed the Library during the year — R.W. Bros. Clifford Tootell, Robert Faulds, George Wilkes; V.W. Bros. Harold Prowse, Ernest Cassidy, Charles Nicholson; W. Bros. David Gordon, Robert Todd, John Mannisto, Robert Showkenik; and to W. Bro. Tom Warner who ably administered the mailing service. A dinner of appreciation and thanks to these volunteers, for giving of their time and effort on behalf of the Library, was held in the Scottish Rite Club.

Our appreciation is extended to the staff of the Grand Secretary's Office and to the Grand Secretary for their support and continued cooperation.

We commend and thank the District Deputy Grand Masters for their support and assistance in promoting the use of the Library — an excellent Masonic resource.

Respectfully and fraternally submitted on behalf of the Grand Lodge Library Committee.

REPORT OF THE COMMITTEE ON PUBLIC RELATIONS

This Report was presented by R.W. Bro. W. N. Buckingham, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Buckingham, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The committee's efforts in the past year have been directed mainly toward public relations opportunities and activities at the district and lodge levels. A series of communications to the District Deputy Grand Masters included suggestions and guidelines, and a prepared text of an address on Freemasonry suitable for use with service clubs and other groups. Direct guidance on conducting open house events for the public has been provided to several lodges. Similar assistance concerning news media relations was given to a number of lodges seeking publicity for special events.

Many of these events, of wide variety, have received news coverage and any newspaper articles sent to the Grand Lodge office are added to the clipping books now on display there.

Information on public relations efforts and opportunities are available on video tapes in the Grand Lodge Library and guidelines are contained in "The Manual," but each occasion has its own set of circumstances. The Committee on Public Relations recognizes this and appreciates being able to assist other committees, the lodges and districts whenever possible.

A new pamphlet, "To a Mason's Family," was produced and an initial distribution made to every lodge. A further quantity, sufficient for mailing a copy to each member, will be supplied this fall. The purpose of this publication is to help our members share Masonry with their families, to help them explain the principles of our Order, its objectives and how it functions. It is intended that each new member receive this pamphlet at his initiation and that he be asked to share it with his family.

We hope this item will help to establish, maintain and strengthen the support of our families; a factor of great importance to the Order and to its members.

Respectfully submitted on behalf of the committee.

W. NORMAN BUCKINGHAM
Chairman

MEMBERSHIP SURVEY Communications Committee Report to Grand Lodge – July, 1991

In mid-1990 the Communications Committee conducted a survey among a number of our members. It was designed to meet several requirements. One was to obtain an evaluation of written Masonic communications issued by lodges, Districts and Grand Lodge. We sought other information as well, information that could be put to good use by the Masters, Wardens, Secretaries and others with lodge management responsibilities. Information for the use of District officers and committees; Grand Lodge committees and all Grand Lodge officers.

An added benefit was that it provided a direct line of communications from the participating members to a committee of Grand Lodge. The members were invited to express their opinions and suggestions on several specific aspects of Masonry and upon Masonic affairs in general.

Close to 2,700 forms were sent out to individual Masons. Well over 600 members, providing a return of almost 25 percent, took the time to fill out all, or much of a four-page form which asked plenty of questions and had ample room for comments. A covering letter asked them to "tell it like it is — the good and the bad." Which they did.

By intention, this report is mainly about items on which affirmative action should be taken. This does not mean that the overall message from the survey is negative. Far from it. Reading the returns would provide you with a strong positive impression.

We are now at the stage of releasing a summary of what the members told us. Its release has been timed to coincide with the start of our new Masonic year; with new district management teams; new Grand Lodge officers and committees; and even for those lodges whose officers are in mid-term, September starts a new season with a new vigour.

The summary is concise and to the point without editorial comment or recommendations. We recognize that those most directly involved with the various concerns expressed by the members are in the best position to determine the future action required.

A printed copy of the summary is being sent to each Lodge, District, Grand Lodge Committee, and to every Grand Lodge officer. It is on letterhead size paper for easy reproduction by lodges, districts and committees.

On behalf of the members who accepted the invitation to "tell it like it is," I urge you to get a copy of the summary from your secretary or committee chairman and to read it.

On behalf of Freemasonry, I urge you to take action on it at your lodge, within your district, or with your Grand Lodge committee.

Most surveys of this type do not provide any startling revelation or unsuspected truths. They serve mainly to confirm what is already known, or believed to be correct.

Their true value lies in these areas. First, they allow management to plan with greater confidence and brighter prospects for success. Second, the participants, and their peers, feel as if they have shared in the planning process and are more inclined to participate in its execution.

Our survey is no exception. Certainly there are some interesting aspects, but no great surprises for anyone who has had his ears and eyes on Masonic trends and attitudes over the past few years.

Some of the general impressions that come from the responses are these:

 a sincere concern for the well-being of both the member's own lodge and Masonry in general.

- a concern for the role of younger members, and the importance of adapting to meet changing times.
- the need for interesting, rewarding lodge meetings.
- the importance of participation in lodge affairs and meetings.
- the importance of personal contact and encouragement.
- a strong feeling that greater public awareness would benefit Masonry and encourage interest among potential candidates.

In the first part of the survey form we asked the member why he attends lodge, or why he does not; why he is, or is not, active in lodge affairs.

At the top of the list of reasons to attend is fellowship and brotherhood.

Leading the reasons for not attending are age and health, followed by business pressures, other commitments, and distance. These are reasons we may not be able to do much about, so we separated them from those on which we can take positive action.

The other list of reasons for not attending lodge, the ones we can work on, includes: just drifted away; memory problems; forgotten the signs or passwords; moved away and not affiliated; don't know anyone; lack of brotherhood; a closed shop; no chance to participate.

High on the list of reasons for being active in lodge affairs is the enjoyment of, and a pride in Masonry itself. Coupled with this is the enjoyment of being involved in ritual and other assignments, and the fellowship that comes with working together.

The reasons for not being active resemble those for not attending. Age, health, distance, and others over which we may not have much influence. But the list also contains: drifted away; forgotten the work; was not made to feel welcome; moved and not affiliated; little opportunity to participate. Reasons on which we can go to work.

We asked for suggestions on what would increase involvement in lodge affairs.

Topping the list by a wide margin is "greater participation in the work and/or with the committees."

This suggestion was mentioned more than 50 times, twice as often as either of the next two, which were, "better organized/more interesting meetings," and "more social events."

Other suggestions mentioned personal contact, education, help new members, listen to younger members, display fellowship and make lodge more enjoyable.

And, while some want more Grand Lodge help, others want less Grand Lodge interference.

I wish we had time to reflect on that strong recommendation for more involvement, more participation. This desire to take part, to be needed, to contribute, to share in what's going on, is apparent throughout this whole project.

At present, we have but a feeling for the importance of participation. I believe we have an obligation to each other, and to our order, to explore and develop its potential to far greater dimensions.

The hard-working secretaries who usually have the job of putting the summons together, as well as distributing it, should be encouraged to know that 86 percent of the survey respondents say they read all or nearly all of their summons.

We asked the members if the summons is among the first items of mail to be opened. The majority said yes. When asked what sparks his interest in reading the summons, one-third said it is their only contact with the lodge. If that's the way it is, let's continue to work toward making our summonses easy to read, warm and friendly, and full of interesting news about the lodge, the members and Masonry.

From the respondents who said they received a lodge or district newsletter, the ratings were not as high as for the summonses but as you will see in the report they are read and appreciated.

Almost all who replied to the survey provided information on the Grand Lodge publication, "The Bulletin." The data has already been sent on to those responsible for putting it out.

An interesting aspect here is that there were 1,300 "votes" on a variety of topics that could enlarge the editorial scope of "The Bulletin."

The addition of a section on historical facts lead the way with 169 endorsements.

The last question on the survey was this:

"How important do you think it is to the fraternity that the public be better informed about Masonry?"

This simple question at the bottom of the last printed page drew an opinion from almost every respondent.

Over 80 percent said they thought it is important that the public be better informed, and most of them said it is very important.

Now, this response relates directly to what I earlier described as the first value of a survey of this type — it allows management to plan with greater confidence and brighter prospects for success.

This response indicates that Masons want to belong to an outfit that shows its

colours once in a while; that we want our neighbours and friends, as well as our families, to understand what it means to be a Mason; and while we want to retain that precious mystique that is part of Masonry, we must dispel the shroud of mystery and secrecy that can separate us from many a good would-be Mason.

Any success in this regard, and in utilizing the other information coming to us from this survey, will depend largely on what you and I do about it as individuals.

While we may work through the office we hold, or the committee on which we serve, it is still our own personal application to the task that makes things happen within our lodge, our district, or our committee.

Over 600 Masons, in 12 lodges throughout the jurisdiction, have provided a tool to help us do our work.

I invite you to make full use of it.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This Report was presented by M.W. Bro. N. R. Richards, seconded by M.W. Bro. W. K. Bailey and adopted.

To the Officers and Members of the Grand Lodge A.F. and A.M. of Canada in the Province of Ontario.

It is a pleasure to be asked to respond for the Committee on the Grand Master's Address. The Grand Master's capability in presenting his thoughts through the spoken and written word is well known to those who have heard him and have read the many articles he has published over the years. The Address he presented at this the 136th Annual Communication is but another example of a succinct and effective communicator.

During his term of office, the Grand Master travelled widely not only outside of this jurisdiction but also was generous in making himself available to the Districts and Lodges of the Grand Lodge of Canada in the Province of Ontario at District Receptions, Installations, special events and group discussions. On many occasions he was accompanied by Mrs. Bradley who, in her own way, displayed dignity and charm as she mingled with the ladies, the brethren and their families. The Grand Master, in his Address, alludes to the importance of including the family in Masonic programmes and through their own example he and Evelyn gave meaning and purpose as to how this can be accomplished.

It is a pleasure to report that the Committee on the Grand Master's Address endorse the programmes he developed and the recommendations he has made. The committee expresses the hope that each lodge in the jurisdiction will study the report, discuss it and have read in open lodge those portions that have particular significance to the future and continuing importance of Masonry to the society of which we are a part.

I found in preparing this report that it is dangerous to remove items out of context because it does not do justice to what the Grand Master has written. The report should be studied in its entirety to fully appreciate the many items to which he makes reference.

He writes with feeling about stalwarts who departed this life terrestrial since we last met. He is sincere and generous in his thanks, whether it is to Past Grand Masters, District Deputy Grand Masters, Worshipful Masters, Master Masons, Fellowcrafts, Entered Apprentices or friends who assisted him in the discharge of his duties.

The special events held during his term of office illustrate a response to his leadership and a desire on the part of brethren to recognize not only the office of Grand Master, but the incumbent of the office in particular. The Grand Master's

judgement, compassion and appreciation are apparent whether in awarding Past Rank, recognition of 100 years of service, appointment of Grand Representatives or in appointing Honourary Members to the Board of General Purposes. We note in particular his congratulations to the recipients of the William Mercer Wilson Medal.

We recognize his respect for and importance of protecting the ritual and his support of the work of the Ritual Committee and the Custodian of the Work. The committee confirms his recommendation related to Proxy Voting. Administrative matters that occupied his attention included the move of the base of operation of The Masonic Foundation of Ontario to the Grand Lodge Memorial Building in Hamilton and the recommendation that the organization of districts be examined by a committee of the Board of General Purposes.

The Grand Master is conscious of the problems facing Masonry and states them with much feeling and concern, but exhorts all Masons to be a part of a solution. The recommendation that the guidelines for a Management Committee be developed for 1993 attests to his concern about the need for action. This seems to be a realistic time frame and should provide ample time for input to matters related to the restrengthening and restructuring of Masonry in the jurisdiction.

There is both comfort and challenge in the section of the Address dealing with Making Masonry Worthwhile and The Prospects of Masonry For The Future. The Grand Master has the fortitude to write that we must come to grips with the fact that the world at large is generally ignorant about Masonry. It does not know about the Craft because by and large we have neglected to explain Masonry. The Grand Master goes on to state that this may be because we as Masons do not know enough about ourselves. In cultured tongue, he reminds us that during his tenure of office the challenge had been answered in three ways: first, by promoting education; second, by involving the family and the community in Masonic affairs and, third, by efficient administration. He shares that experience with us and then leads us into his views about The Prospect for Masonry.

It is in this section that he shares with us what he envisages for the future of Masonry. In his words, "A Mason must live in the age in which he exists but must, at the same time, live on the leading edge of life, always pushing forward into the future. He must draw sustenance from the past, but be more creative and innovative and be realistic about the present day and the changing world." He reminds us that he along with those who have gone before him have built stone by stone and, although philosophy may be our starting point, fraternity is the force that translates into action.

Most Worshipful Brother Bradley takes leave from the office of Grand Master with strong words of encouragement for the future. Those who have preceded him in office share his feelings of conflicting emotions as he states, "weighed down by sadness but buoyed up by joy; discouraged by frustration, but emboldened by hope." And as one would expect, he assures us that he knows the Masonic qualities of his brethren, their vitality, their generosity, their enthusiasm and their goodwill. He pledges his wholehearted support to his successor and his confidence that each Mason will transfer

that support, confidence and loyalty to the one who assumes the mantle of responsibility as Grand Master.

My brethren, M.W. Bro. Bradley has left us with a thought provoking, beautifully phrased, challenging, convincing message. The Committee on the Grand Master's Address endorse it and hasten to express the hope that the recommendations, when acted upon, will have a great impact upon Masonry in the future. As the Grand Master moves to that challenging office of past status, his experience and counsel will find opportunity to be a part of leading Masonry in this jurisdiction to the expectations he charted and challenged for us during his tenure of office. He will be remembered. It must be so. As a fraternity, if we chose not to have regard and respect for the past, there will be little left to remember with pride and confidence for the future.

Respectfully submitted.

N. RICHARD RICHARDS Chairman

REPORT OF THE GRAND HISTORIAN

This Report was presented by R.W. Bro. W. E. McLeod, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McLeod, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Let me once again express my gratitude to the Grand Master, for honouring me with the title of Grand Historian. The duties that go with the office, according to the book of *Constitution*, are to "compile and preserve a record of all matters connected with the history of Grand Lodge." One justification for looking at history is to help us to profit from the lessons of the past. Many "matters connected with the history of Grand Lodge" no doubt can help to teach us. Let us concentrate for now on three aspects of Masonic finances: lodge fees, Grand Lodge dues, and benevolent donations.

Nearly thirty years ago, the great Dwight L. Smith, Past Grand Master of Indiana, wrote about a Masonic veteran in his jurisdiction who had been honoured for his fifty years in the Craft. This man had applied to join "in 1911 when he was making \$10 a week as an apprentice printer. The fee for the degrees was \$20. He thought enough of Freemasonry to empty his pay envelope twice . . . Today petitioners are paying a fee which represents a week's wages at the most -- sometimes only two or three days!"

Not in Canada, you say? Look at the record. Nearly two hundred years ago, in 1799, in muddy York (now Toronto), the initiation fee for Rawdon Lodge, No 13 on the Provincial Register, was \$12.00, and we know that this was not out of line with

other lodges. That very year, an Englishwoman who lived here wrote a letter to a friend, complaining that a labourer's wages amounted to five shillings a day, which at that time would correspond to \$1.00. That is to say, if a working man wanted to become a Mason, he would have to hand over twelve days' pay.

Time passed. The value of money remained relatively stable during the nineteenth century. We know that in 1811 the fee for receiving all three degrees in Union Lodge, No 24, West Flamboro, was \$13.00. When our Grand Lodge was founded, it decided that it would provide guidance in this matter. And so, in *The Book of Constitution* for 1859, we read that "No lodge shall make a mason for a less consideration than \$15, nor on any pretence remit or defer the payment of any part of this sum." The amount was raised to \$20 in 1864.

At the time, this was not unrealistic. The initiation fee for Richmond Lodge, No 23, Richmond Hill, in 1865 was \$20.00. Inflation was low for a number of years, and there was no need for Grand Lodge to change its figure for the minimum fee. In 1890, the initiation fee in Doric Lodge, No 424, Pickering, was set at \$25.00. That same year, a general labourer received \$1.25 to \$1.40 per day. If that labourer wished to become a Mason, he would pay out the equivalent of almost twenty days' wages. In 1908, in St Andrew's Lodge, No 16, Toronto, the initiation fee was \$50.00. That was a respectable figure; as nearly as I can calculate, it corresponded to more than four weeks' wages for the average man. In 1920, St John's Lodge, No 20, in London, set its initiation fee at \$75.00 -- three weeks' pay. In 1943, for Richmond Lodge, No 23, the figure was \$60.00 -- about two weeks' pay.

There was, as we all know, heavy inflation in the nineteen sixties and seventies. When the new book of *Constitution* was adopted in 1979, Grand Lodge raised the minimum fee for making a Mason from \$20, where it had stood for 115 years, to \$100. Is that enough? According to the *Canada Year Book* for 1990 the average weekly wage in 1987 was \$442.74. It doesn't take a computer to calculate what the initiation fee should be, if we are to maintain the ratio that has been current for two hundred years. Otherwise, there are bound to be problems in paying the rent, or the upkeep and the taxes, and the utilities, and the printing, and the postage, and the honoraria, and the dues and the fees to Grand Lodge.

We don't always remember that Grand Lodge too has a number of expenses. It has a main office in Hamilton that costs money to maintain. It has a number of full-time employees who must be paid. At the present time it has several sources of income, such as rental of part of the building, and interest on its investments. But ever since the very beginning, the chief source of funds has been the annual capitation levy, the dues paid by each lodge, on the basis of the total number of members listed on the return. The amount payable per member is set from time to time by Grand Lodge, and is specified in the *Constitution*. Let's look at the changes over the years.

When the system was first set up (in 1856), the amount for each member was two shillings and sixpence. When this was converted into North American currency in 1859, it became fifty cents *per annum*. In 1890, the dues were still fifty cents a member. At

that time, as we noted above, a general labourer received anywhere from \$1.25 to \$1.40 per day; that would be \$0.15 to \$0.17 per hour for an eight-hour day, or \$0.13 or \$0.14 per hour for a ten-hour day. So the dues to Grand Lodge corresponded to the wages for about three or four hours' work. The dues of fifty cents stayed the same for another twenty-seven years, even though wages were rising. By 1901 the hourly rate for a labourer was \$0.23; so fifty cents amounted to two hours' work. By 1917 wages had risen to \$0.40 an hour, and the dues now corresponded to an hour and a quarter of work. In that year, 1917, the amount of the membership dues to Grand Lodge was increased to one dollar per annum -- a labourer's pay for about two-and-a-half hours. In 1953, it was raised to one dollar and ten cents; by this date this meant wages for less than an hour. In 1960, it was increased to one dollar and twenty cents; about 36 minutes' work. Since that date, the capitation levy has been raised to \$1.50 (1972) --17 minutes' work; \$2.00 (1976) -- 16 minutes' work; \$2.50 (1981) -- 12 minutes' work; \$3.00 (1983) -- about the same; \$5.00 (1989) -- not much more. So it is clear that Grand Lodge is getting by on less and less. Its receipts from this source have in no way kept pace with the value of the dollar, or with the rise of wages.

On to the next point. The ritual tells us that Freemasonry patiently ministers "to the relief of want and sorrow," and calls upon its members to "exercise that virtue" which Masons "profess to admire," that is to say charity; it instructs them to extend "relief and consolation to [their] fellow creatures in the hour of their affliction." In 1863 a Benevolent Fund was established, in order to provide assistance primarily to Masons who were in need, and to their families. As years passed, the need continued to grow. In part, help was provided out of the general fund, but as well, special benevolent funds were established. During the First World War, the number of appeals increased. In 1917, to meet these increasing demands, as we saw, the capitation levy was raised from \$0.50 to \$1.00. But, at the same time, it was further agreed that eighty cents of this was to be used for benevolent purposes alone and for no other purpose, and only twenty cents was to go towards ordinary expenses. This, together with transfers from the special funds and the General Fund, was enough to meet the charitable claims made upon the Grand Lodge. In 1934, at the height of the Great Depression, the Committee on Benevolence had its heaviest year, reporting that it had considered 867 applications for assistance from needy and distressed Masons and their dependents, and had paid out \$122,146.75. Time passed, and in 1953, when the total capitation levy was raised to \$1.10, eighty cents was still reserved for benevolent purposes only.

But in the years following the Second World War, a new factor came into play. Government agencies began to increase their social security benefits, in such areas as old age pensions and hospital insurance. This meant that there were fewer demands on the resources of Grand Lodge, and both the number and the amounts of benevolent grants began to decrease, without neglecting any worthy cases. This had one result that might have been foreseen. At the Annual Communication of the Grand Lodge in 1960, the Grand Treasurer pointed out that the resources of Grand Lodge included \$72,214.60 that, according to the *Constitution*, could be used only for benevolent purposes. This reserve had been building up for four years, and it seemed likely to continue to do so. He therefore introduced a constitutional amendment to

increase the dues from \$1.10 to \$1.20, but to reduce the amount given annually for benevolence by every Mason from eighty cents to sixty cents.

Even this was not sufficient to check the accumulation of benevolent reserves, for within a year another \$24,000 had been added. After the Annual Communication in 1961 the Grand Master appointed a Special Committee, to review the way in which the annual fee was apportioned, and to consider the establishment of a foundation or charitable trust. The end result was the establishment of the Masonic Foundation of Ontario, of which we are so proud. The money that had been earmarked for benevolent purposes was handed over to the Foundation, and in 1963 a constitutional amendment was adopted, stating that the whole amount of the annual fee to Grand Lodge should be contributed to the General Account, with no portion being explicitly designated for charitable purposes.

What can we learn from this bit of history? There are a couple of things we should remember. Perhaps one of them is that we sell our Masonry too cheaply. If we compare the present-day financial situation with those of the past, it is clear that we do not pay enough dues to our lodges, and to Grand Lodge. But there's more to it than that. Freemasonry is in part a benevolent institution. But on the basis of the historical record, it is clear that, as a benevolent institution, we are not pulling our weight. For forty-six years, from 1917 to 1963, every Mason in the province contributed, through Grand Lodge, to Masonic benevolence, the amount beginning as two hours' wages. This is no longer so. When the initial discussions that led to the Foundation were under way in 1962, the Chairman of the Committee had noted that the charitable trust might be expected to draw its funds from various sources, such as transfer from the General Fund of Grand Lodge, or annual appropriation of a fixed proportion of the capitation levy. It is of course true that, in the years 1964-66, Grand Lodge turned over to the Foundation its benevolent surplus of \$161,507.29, and this provided the Foundation's initial funding. Then for four or five years in the early 1980s, Grand Lodge transferred to the Foundation several thousand dollars a year, to be passed on to such worthy organizations as the Heart Fund, the Salvation Army, the Cancer Society, the Boy Scouts, the Girl Guides, and the 4-H Council. But apart from that, Grand Lodge has provided no financial support to the Masonic Foundation.

I do not criticize Grand Lodge. It's not easy to justify raising the annual fee. But look at it in another way. Somewhat fewer than twenty-five percent of the Masons in this jurisdiction contributed to the Foundation's big fund-raising venture two years ago, which collected \$1,170,000. That means that three-quarters of the Masons of Ontario made no contribution to support the primary Masonic charitable outreach. Is that the way you want it? Is the work of the Foundation not worth supporting? Would it not be better for Grand Lodge to increase its annual dues, and give a fixed contribution, from every Mason in the Province, to the Masonic Foundation of Ontario? Think about it.

All of which is respectfully and fraternally submitted.

REPORT OF THE DISCIPLINE COMMITTEE

This Report was presented by R.W. Bro. R. T. Runciman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Runciman, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your committee is pleased to report that for the second successive year no matters have been referred to it for consideration.

During the past year, this committee became aware of situations where private piques and quarrels came into the lodge and resulted in Masonic charges being laid. The charges had no foundation and were rejected by the Reviewing Committees. The Discipline Committee wishes to make it abundantly clear that Masonic Discipline proceedings must not be used to settle quarrels of this nature.

The laying of a Masonic charge is a serious matter with grave consequences and very substantial consideration must be given to the situation before the final step of laying the charge is taken. The laying of a Masonic charge is for a breach of Masonic law and not to settle a private quarrel or for personal gratification.

Your committee wishes to thank the Grand Secretary for his prompt and efficient consideration of routine matters which regularly arise and require attention.

All of which is respectfully and fraternally submitted.

ROBERT T. RUNCIMAN Chairman

R.W. Bro. W. Scott Stoner, Grand Master of the Grand Lodge of Pennsylvania, and our banquet speaker last evening, presented his honorarium to M.W. Bro. David C. Bradley and requested the proceeds be given to the DeMolay organization for use here in Ontario. The cheque was immediately turned over to R.W. Bro. J. Hessey of London, Ontario, who was present and is an active working official in the Order of DeMolay.

REPORT OF THE MASONIC FOUNDATION OF ONTARIO

R.W. Bro. C. J. Woodburn, President, presented the following Report, and on motion, seconded by R.W. Bro. McLeod, it was received by Grand Lodge.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

At the first annual meeting of your Foundation on July 14, 1964, R. C. Berkinshaw was called upon to describe the Masonic Foundation of Ontario. He said -

"The Foundation is a corporate entity through which Masonic charities could have a broader scope of activities than were permitted by the Constitution of Grand Lodge, which was principally confined to the needs of Masons and their dependents."

Since that time your Foundation has worked as a vehicle for Masonic charity within communities across this province. It does not supplant the individual Mason's practice of this virtue but, instead, provides a vehicle for Masons to meld their charitable expression into a larger force.

Nor does your Foundation view the practice of charity as money alone. Instead it encompasses acts, small and large, of assistance and concern by Masons and lodges to their fellow citizens by personal time and talent donations. One shining example this year was the assistance by brethren of Port Arthur Lodge. Electrical work was done, including arranging for the donation of materials, to the family home of a young disabled person.

Your Masonic Foundation's activities are expressed in the community. In this way it is entirely different from the fine work done for Masons and their families by the Grand Lodge Committee on Benevolence.

With the publication of our history, "For The Cause Of Good," beautifully authored by Director Wallace McLeod, the activities and growth of your Foundation since 1964 have been recorded. It records the donation of many distinguished Masonic brethren who have worked and served as directors and officers of the Foundation in its twenty-seven years of operation. It is very exciting to see that this has become a best seller with only 1,000 copies left. We recommend it to lodges as a suitable gift to their new initiates and an elaboration on the charge they've received that evening from the northeast angle. We thank our district and lodge representatives for their sales assistance.

With the vast growth of your Foundation, real sacrifice has been required of your

Board of Directors. Hence a special thanks is recorded here to our elected directors:

Alan Newell	 Brantford 	Ronald Campbell	Ottawa
Wallace McLeod	Toronto	James Cassie	Toronto
Robert Barnett	 London 	Maurice Hamilton	 Willowdale
Neil Britton	 Belleville 	Wayne Nelson	 Englehart

Some four years ago, we amended our bylaws to add three additional directors exofficio as a result of their office in Grand Lodge, namely: the Deputy Grand Master, the Grand Treasurer and the Chairman of the Committee on Benevolence. We thank Norman E. Byrne, A. Lou Copeland and Wayne Elgie for their participation and input as ex-officio directors.

Retirements

The years bring changes with them. This year has been no exception.

This year we bid a very quiet but a very sincere adieu to our immediate Past President, M.W. Bro. N. R. Richards, as he retires from our Board of Directors. Rick first joined the Board of Directors of your Foundation on July 20, 1965. In his twenty-six years of service to your Foundation, Rick Richards has generously contributed in so many areas, latterly until July, 1990, as President.

We also regret to receive the resignation of M.W. Bro. T. John Arthur as our distinguished Secretary-Treasurer. Jack has been the heart of the Foundation for many years and we are pleased that Jack has agreed to complete his term as director with one more year, during which time he will act on special assignments for the Board. We wish Mrs. Arthur and Jack many years of happy retirement.

Frank Bruce left our Board last fall after ten years as a director. Frank contributed in many areas to the Foundation in his liaison work with "Voice For Hearing Impaired Children" - a special joy to him.

We can say of these brethren – like King Hezekiah, "In every work that they began, they did it with all their heart." (Edited from 2 Chronicles 31:32)

Stewardship

This past year has been a very busy one for your directors. Six full directors' meetings were held, as well as four executive committee meetings.

For the first time, we decided to take the show on the road and your directors, at their own sacrifice of time, held three open meetings in Brockville, Hamilton and Sudbury. The enthusiasm from the District Deputy Grand Masters, district representatives, other members of the Board of General Purposes and interested brethren who attended was more than an adequate reward. A further regional meeting, originally scheduled for London, was deferred to next year due to the work schedule of the Board. The demands of regional meetings has meant added time commitment for the Board of Directors. We thank them for their kindness.

Hundreds of manhours are now invested by your directors in their liaison work in areas of traditional support, new areas under consideration, plus all of our activities and engagements within our fraternity. The Foundation, while still volunteer staffed, has become an extremely and challenging master.

As we have opened Masonic windows through the Foundation in our communities, so are we opening our communication channels within the Craft. We thank the District Deputy Grand Masters for their vocal support of our Foundation and their support of the District Masonic Foundation representatives. You have encouraged us to supply you with more information on Foundation activities to pass along to our brethren and your local community media. For this reason, your Board of Directors has requested S. A. (Skip) Whiteley to assist us as Communications Chairman.

Regional Representation

Starting two years ago our then President, N. R. Richards, led us to a regional board representation. In the past year, the directors below have served the Masonic districts listed.

Area	Masonic Districts	Regional Director
Western Ontario	Erie, Windsor, Chatham, Sarnia, St Thomas, London East, London West, Wilson North and South	Robert Barnett
Niagara Peninsula	Brant, Niagara A and B, Hamilton A, B and C	Alan Newell
Central	North and South Huron, Grey, Waterloo, Wellington, Bruce, Georgian North and South	Richard Richards
Toronto	Toronto 1, 2, 3, 4, 5, 6, 7	James Cassie
Durham, Victoria	Ontario, Victoria, Prince Edward, Peterborough	Neil Britton
Eastern Ontario	Frontenac, St Lawrence, Eastern, Ottawa 1 and 2	Ronald Campbell
North East	Temiskaming, Nipissing East, Sudbury- Manitoulin, Algoma East, Musk-P Sound	Wayne Nelson
North West	Algoma and Western	John Woodburn

As you will notice, some Regional Directors have enormous Masonic geography to cover. Your Board has therefore agreed to recruit interested Masons to assist these directors in the year ahead.

Review

Your Foundation has been extremely fortunate in its past leadership through their open, progressive and forward-thinking style. Examples of this are the early move to computerization (1981), investment management subcommittee (1985) etc.

However, from time to time, it's important to invite counsel from non-involved knowledgeable persons. Hence, last July, the Board of Directors decided to create a review task force to examine the operations of the Foundation. We were very fortunate to secure the services of John Goodwin and Donald Woolridge. The former has a successful accounting practice in Toronto, while the latter is Vice-President of Confederation Life. After a considerable amount of time and meetings with interested parties such as T. John Arthur, Doane Raymond, our auditors, John and Don presented their report and recommendations to your Board of Directors on February 25, 1991. One of their major observations was that with the growth of the Foundation, in future the role of Secretary-Treasurer should be divided with a secretary being hired to provide the regular office support necessary.

With the request from T. John Arthur that he be relieved of his role of Secretary-Treasurer, your Board was faced with the necessity to recruit, relocate and reinforce.

Three subcommittees of the Board of Directors were created. Firstly, Bob Barnett and Jim Cassie were asked to study and report on a new location for the Foundation's office. Secondly, Neil Britton and Ron Campbell were asked to create job descriptions, interview and recommend candidates to the Executive Committee for the new roles. Thirdly, Wayne Elgie and Maurice Hamilton studied and reported on the Scottish Rite Charitable Foundation.

On May 11 your Board of Directors met and considered the task force report and the subcommittees' reports. It was decided to proceed as follows:

- Your Masonic Foundation will rent office space in the Grand Lodge Building in Hamilton and become a tenant there.
- 2. The Foundation will locate and recruit the following persons:
 - An executive secretary who will work only for the Foundation. He or she will fill the clerical, accounting, communication and general correspondence role defined in the job description. We hope to have this employee in place in July, 1991. He or she will not be a Director.
 - A Treasurer will be selected to bring his accounting and financial experience to the future operation of the Foundation. This person will be a Mason and could become a future Director. We hope to also welcome this new officer to the Foundation activities this summer.

Future Activities

For some years we have been fortunate to have an investment review sub-

committee comprised of Samuel H. Cohen and T. Richard Davies together with T. John Arthur. These brethren have given wise counsel for the capital investments of your Foundation. After many years of service, these brethren have asked to be relieved and we express our gratitude to them for their generosity over the years.

Your Board, together with our new Treasurer, will review our investment management procedures this fall. Although our capital assets have now passed \$3,000,000, many of our long term support programmes are in dire need of financial expansion. Hence we must review not only our allocations but also our future capital growth. A subcommittee of the Board, chaired by Bob Barnett and Maurice Hamilton, together with T. John Arthur and A. Lou Copeland, is now at work exploring future capital needs and resources.

Major Programmes

The regular work of your Foundation has gone on with great enthusiasm and if you have participated in any way you have been exemplified by our programmes and bursaries. This year the economic decline has been very difficult, not only for work but for adults and youth who have been attempting to complete their education and go on and do things. We have had the highest demand we have ever had on bursary requirements, and we have been severely taxed to find funds for this programme and for other areas. At this particular point we have had 101 awards for students from supporting campuses. Examples of some of the meaningful factors and stories that we have received from the District Deputy Grand Masters regarding the bursary awards have really rewarded and enriched our enjoyment in our participation in this area.

Hearing Research - Project H.E.L.P.

Dr. Alan Newell has continued to serve as our liaison director in this area. He reports that:

- Dr. David Smith has been at work to design new types of electrodes to better stimulate the cochlear nerve;
- Dr. Akira Nagaswa has been doing research on response areas of the brain which give rise to hearing sensations;
- Susan Stanton has been doing post graduate studies in the development of the auditory cortex.

A second exciting area of support has been in the clinical cochlear implant programme at both Sunnybrook Hospital and now at The Hospital for Sick Children.

Fifteen adults have received temporary implants and nine of them have had successful permanent devices. Two have had dramatic results. They have gone from total silence at the start to 90% hearing reception.

In the past year, new work with children has developed. Two successful implants have already occurred and a third is about to be done. Dr. Julian Nedzelski has headed the surgical implant team at both centres mentioned above.

We congratulate Toronto District 1 who raised \$16,000 to pay for the electronic mechanisms for Miss Kathryn Dalrymple, the first successful youth implant patient. On June 30 Gordon Spencer and George Burt, last year's and this year's D.D.G.M. for Toronto 1, and other brethren, met Kathryn and her parents, Rev. and Mrs. James Dalrymple. Their gratitude to Masons is very moving. Kathryn is now 8 years old.

Hearing Impaired Children

Again this year, your Foundation provided support to VOICE for Hearing Impaired Children, an association which has continued since 1982. This year Director Ronald Campbell took over as our liaison director, replacing Frank Bruce. Ron has had previous experience with VOICE in working with our Ottawa brethren when they started their chapter.

In the past year VOICE expanded to eight chapters located in Sarnia, London, Kitchener-Waterloo, Toronto, Ottawa, North Bay, Timmins and Thunder Bay. This year two Districts undertook district projects to assist VOICE. Toronto 7, under the leadership of D.D.G.M. Dennis Walden, and Bert Bell, successfully raised \$17,000 to fund another therapist at North York Hospital. Algoma District, with the leadership of their D.D.G.M. Walter Matyczuk, and Bill Stanfield, raised money to buy six decoders and are now underway in raising \$6,000 to fund visits by an itinerant therapist to work with young people in their area. Masons in St. Lawrence, Sudbury-Manitoulin and Western Districts are also exploring the possibility of working to assist VOICE.

VOICE has always been committed to assisting hearing impaired youth develop oral ability so as to mainstream in school and life. They have also been active in communicating with the Ministry of Education with a blueprint for allowing hearing impaired young people to obtain quality education in the regular school system.

On May 30, 1991, your President attended a reception by the Canadian Hearing Society through arrangements and recommendations by VOICE. At that time, the Canadian Hearing Society presented us with a special award for the outstanding support Masons have given during the last ten years to our fellow citizens who are hearing impaired.

Autism

A potential breakthrough in communication by autistic people has been raised at the Dignity through Education and Language Communication Centre in Melbourne, Australia. This technique involves the use of a \$400 keyboard and it is currently underway on a trial basis at Kerry's Place centres. To date, 36 clients have had preliminary sessions, with 29 showing success.

This year two districts adopted special support programmes for the Kerry's Place Organization.

 Prince Edward District, encouraged by our district representative, Richard Verrall, decided to build benches for the walking track at Melanie's Place, north of Belleville. They also plan to restore the long abandoned orchard on the property. Toronto District 2, under the leadership of their D.D.G.M., Terry McLean, assisted by Gerry Madison, are raising over \$15,000 to aid Kerry's Place.

Director Neil Britton has become our liaison director on autism and is already working with Kerry's Place staff to determine help needed at other centres in the province.

Peer Education - Substance Abuse

Following the completion of the "Help Nip Drugs in the Bud" campaign, our efforts in peer education expanded rapidly. In round figures, we are able to contribute \$100,000 a year to fund the programme.

As you will remember, this successful campaign allowed a commitment to be made principally to the Council on Drug Abuse (C.O.D.A.) and Parents Against Drugs (P.A.D.) to fund geographic expansion of their successful school peer education training programmes.

During the first year, programmes were enthusiastically put on at some 44 locations. This year programmes have expanded and have been put on at in excess of 66 locations. Many new Boards of Education have joined in and several new instructors have been added by P.A.D.

The Foundation meets with the organizations each quarter to review and assess progress and results. P.A.D. and C.O.D.A. both obtain feedback from the students and teachers who have been trained. This year, when back in an area near to a school which received training last year, a half-day review session was held with last year's participants.

We are trying to start a pilot programme with C.O.D.A. and the Boy Scouts in Thunder Bay and will watch its progress for both expansion and possible use by other youth groups outside the school system.

Director Alan Newell and myself serve as liaison directors with Council on Drug Abuse (C.O.D.A.) and Parents Against Drugs (P.A.D.).

District Representatives

Our thanks to the District Deputy Grand Masters for continuing to appoint a District Representative for the Masonic Foundation. Last year we encouraged a term of three years to your representative to assist in communication continuity and information buildup. If your district has a joint chairman for your Foundation and Benevolence, we recommend that these responsibilities be divided.

So many district representatives have aided and innovated in their district activities for the Foundation. Here are just a few examples.

St. Lawrence — Don Moore encouraged your Board of Directors at its Brockville meeting to support the Brockville High School Youth Day. Salem Lodge No. 368

raised \$5,000 for your Foundation's work.

 $\label{eq:continuous} On tario-Len\ Waltham\ developed\ and\ circulated\ news\ items\ for\ lodge\ summonses\ to\ all\ his\ lodges.$

Niagara B- Thomas Williams assisted throughout the district and also participated in the presentation of the special grant by the Foundation to fund the B.A.B.E.S. substance abuse programme training. This programme is for the very early elementary school years in the Niagara South Board of Education.

Hamilton C – Frank Fordham is working with two lodges on a golf day – proceeds to the Foundation.

Georgian North and South — Roger Lockhart and Bill Linton arranged a Foundation evening to which they invited your President to attend and speak.

Grey — Ralph West met with his lodge representatives and the local media. He made sure that funeral homes in his area had a supply of memorial Foundation donation cards and delivered to those who didn't.

Muskoka-Parry Sound - Allan Poolton made it a point of sitting in on all peer education training sessions in his district.

Western — David Whitten is actively leading the district project to buy equipment for a senior's Nursing Home in Dryden.

Most Regional Directors held meetings last fall with their District Deputy Grand Masters and district representatives. The majority of lodges have appointed a Masonic Foundation representative.

We thank each of you for your interest and enthusiasm and welcome your comments and suggestions.

The Future

With the start of our new year, we welcome two new directors to our elected Board of Directors: Maurice Hamilton from Willowdale and James Scarborough from Hanover.

The year ahead offers the promise of new opportunities for community support plus the need to continue long range planning for your Foundation. This August we plan to produce and send to each lodge a donation envelope for their members' voluntary donations.

At no time let us be concerned with building monuments to Masonic charity as this is a transitory life. Yet, as the author of *In Flanders Fields* said, "There still remains the well-wrought deed in honour done!"

With this report, we request your endorsement of the actions of your directors. We honour the past, revel in the present and, with excitement, welcome the future!

Presented on behalf of the Board of Directors: W. E. McLeod, A. N. Newell, T. J. Arthur, R. S. Barnett, N. Britton, N. E. Byrne, R. K. Campbell, J. T. Cassie, A. L. Copeland, W. E. Elgie, M. Hamilton, W. Nelson, N. R. Richards.

Respectfully submitted.

PRESENTATION

R.W. Bro. R. Parliament presented three newly-crafted pedestals bearing brass plates suitably inscribed as follows:

"Presented to the Grand Lodge of Canada in the Province of Ontario by the Masons of the Hamilton Districts at the installation of M.W. Bro. Norman E. Byrne, Grand Master, July 18, 1991. Crafted and donated by R.W. Bro. Herman Schroeder, P.D.D.G.M. Hamilton A." M.W. Bro. N. E. Byrne, in acknowledging this gift, expressed the appreciation and thanks of Grand Lodge to the Masons of Hamilton and to R.W. Bro. Herman Schroeder in particular for their gracious contribution to Grand Lodge.

The Grand Master also expressed the appreciation of all to V.W. Bro. R. Wilson who had crafted and donated the three new daises which support the Grand Senior Warden, Grand Junior Warden and Grand Chaplain.

A further thank you was extended by M.W. Bro. N. E. Byrne to V.W. Bros. R. Wilson and A. Watson for their work in setting up Grand Lodge and to V.W. Bro. Murray Black for his musical contributions at the organ.

M.W. Bro. N. E. Byrne, in recognizing the presence of his son in the audience, invited Bro. Norman Byrne Jr to take a seat on the dais in the East.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The report of the Committee on Fraternal Correspondence is a foreword to the reviews of the current year. We thank R.W. Bro. Branscombe for his careful selection of items of interest to Ontario Masons from the annual Proceedings of other Grand Lodges.

The members of our Grand Lodge will notice that nearly every jurisdiction is realizing the same problem — declining membership — which various Grand Lodges are examining in different ways. They feel confident that this situation can be reversed, but we must be ever mindful of the words of the Grand Master of the United Grand Lodge of England, H.R.H. the Duke of Kent, of the need to maintain high standards in those seeking to join the Craft. He renewed his emphasis on the importance "that membership of a Lodge should not be easy to acquire and that admission among Masons should be carefully considered by candidates and proposers and seconders alike, as an important step in a man's life." Although he addressed primarily the state of Masonry in England, his observations are valid beyond that country. He went on to say that "We might, therefore, use the year ahead to continue thinking how our basic Freemasonry might be improved. We have a great deal to offer society, but we ought also to be examples of internal good order and regularity. The explanation 'we have always done it that way' has never been a good excuse to carry on bad, entrenched practices. If something is patently wrong, it ought to be changed."

Of special interest to all Masons about our Fraternity was a statement by the Grand Chaplain of the Grand Lodge of British Columbia, when, at the outset of their communication, he said, "Imagine my joy, to find an Order devoted to the things in which my heart has always believed: a humane society which brings out the best in every man, and offers support and fellowship in this great cause. My Brother Freemasons, we are in a position to give something very precious to our lost and disordered world. We can offer it a different vision of what human life means, a vision of optimism and order."

Many of our members worked and contributed to our "Nip Drugs in the Bud." We must not relax but keep this very worthwhile programme alive. We harken to the words of the Grand Master of the State of Washington as he sent this message: "Freemasonry teaches us that our children represent our immortality, that though we may die and return to the earth from whence we came, our children must continue our good works after our passing. That which threatens our children, therefore, threatens

our immortality, and nothing today more directly threatens our children than drugs."

This foreword is but a brief sample of the stimulating and thought-provoking overview of Masonic activities and events throughout the world provided by R.W. Branscombe. Please take time to read them . . . you will be greatly rewarded.

Respectfully and fraternally submitted.

DURWARD I. GREENWOOD Chairman

ALBERTA

85th Annual Communication Edmonton, Alberta, June, 1990

156 Lodges 11,824 Members

In addressing the problem of poor attendance, especially in smaller lodges situated in isolated communities, the Grand Master, M.W. Bro. Stanley Erwin Mottershead, pointed out two strategies which he had used with considerable success. First, in order to lessen the feeling in such lodges of isolation from Grand Lodge and the mainstream of Masonry, he determined that every lodge in the province should receive a visit from the Grand Master at least once in every four years. He undertook such a programme himself and he expects it will be continued by his successors so that even the most isolated lodge will feel itself an integral part of Grand Lodge. Secondly, he developed what he called a "combined-Lodge concept." He enlisted the assistance of the District Deputy Grand Masters in arranging several joint meetings involving two, and sometimes even three, lodges. "Those who attended will attest to their success," the Grand Master reported, "not just as a lodge meeting but also as a medium for the Brethren to meet in a social atmosphere."

With respect to ritual in Alberta lodges, M.W. Bro. Mottershead reported that he found that "the Work in the largest percentage of Lodges is well done" but there were a few exceptions. He considered that the root of the problem, in these few problem cases, was insufficient conviction of the importance of good ritual. The remedial action which he took was "to ask the Committee on the Work if they could establish a medium of a more direct nature, perhaps through the District Deputy Grand Masters" so that instructors might be sent "with correct and first-hand knowledge of the Work out to District meetings or individual Lodges." He stressed the importance of direct and cordial interaction between those, on the one hand, responsible for the maintenance of high standards in the work and for providing assistance therein and those, on the other hand, needing such assistance.

Of particular interest to Ontario Masons were the comments which M.W. Bro. Mottershead made concerning his visit to this Grand Lodge. "My attendance at the Grand Lodge of Canada in the Province of Ontario," he said, "left me with a lasting impression of what Masonry can do, and perhaps should be doing, to promote and support programs directed at enhancing that status of children. A social program of entertainment by the students of schools throughout Ontario concluded with everybody singing We Are The World. There was hardly a dry eye in the house. A very moving and appropriate conclusion to a good communication." Such praise is particularly gratifying from a distinguished visitor.

BRITISH COLUMBIA

119th Annual Communication Vancouver, British Columbia, June, 1990

177 Lodges 19,856 Members

At the outset of this Communication, the Grand Lodge of British Columbia was invigorated with an upbeat address by the Grand Chaplain which contrasted stirringly with the doom and gloom so frequently heard these days in Masonic circles around the world. Stating that "We live in a sick society," he said that "we have developed a nihilistic attitude to life, in which personal pleasure is the only value, and personal survival the only good." He continued: "After working with this hopeless generation in both Church and Social Work, I discovered Freemasonry... Imagine my joy, to find an Order devoted to the things in which my heart has always believed: a humane society which brings out the best in every man, and offers support and fellowship in this great cause. My Brother Freemasons, we are in a position to give something very precious to our lost and disordered world. We can offer it a different vision of what human life means, a vision of optimism and order."

The Grand Chaplain then enumerated various ways in which Masons in British Columbia and in other jurisdictions are enthusiastically deriving pleasure from Masonry by helping others less fortunate than themselves. He made specific reference to "such exemplary works as our Cancer Car Project in Vancouver, or the type of work Ontario and California Grand Lodges do in drug prevention." He concluded with, "I look upon Freemasonry as a means of paying tribute to the Most High for the gift of life and the insight into its meaning."

M.W. Bro. John Lobban, in his Grand Master's Address, also referred to the Cancer Car programme in Vancouver by which outpatients are given transportation (if needed) to hospitals or cancer treatment centres for tests, radiation treatment, chemotherapy and other medical procedures. He was sure that the fellowship developed by members working together in this project as drivers and in other ways was an important factor in the renewed enthusiasm in many lodges which he had noticed during the past year. This prompted the Grand Master to observe, "Brethren, you are certainly doing something right."

The Masonic Community Charities Fund, which administers the Cancer Car Project, reported that it plans to extend the project from Vancouver to other areas of the province. During the past year the project's four cars travelled a distance of 164,212 kilometres, while the brethren have volunteered in excess of 14,500 hours as drivers and in other capacities. The financing of the project has two noteworthy aspects, in addition to such conventional methods as assessments and freewill offerings. First, it was reported that "The widow of a recently-deceased brother donated a fully-equipped vehicle in his memory... The same lady donated a second such car." Secondly, the members of Grand Lodge gave hearty recognition to a "considerable donation from B.C. Tel with regard to free air time for the cellular phones."

The Committee of Lodge Buildings stressed the continuing need (on which it had commented in previous years) for "every Lodge in outlying communities throughout the jurisdiction to have appropriate signed recognition at the entrance to their municipalities." The Committee emphasized the importance of having "an appropriate notice directory in the lobby or visible from outside so visitors may see, during the day, when and what Lodge or concordant body will be meeting."

Members of Grand Lodge were urged to continue their commitment to the following Long-Term Goals:

- (1) To further the practices of Charity;
- (2) To make Freemasons more knowledgeable;
- (3) To stimulate pride in being a Freemason; and
- (4) To enhance the public image of Freemasonry.

CHINA

36th Annual Communication Taipei, Taiwan, China, October, 1989

The Grand Lodge of China was formed in Shanghai, China, in 1949, under the sponsorship of the Grand Lodge of the Philippines. It started with six lodges from that jurisdiction. Following the seizure of power by the Communists, the Grand Lodge took refuge in Hong Kong. In 1955 it moved to Taiwan, where it was reconstituted in its present form. This Grand Lodge appears only recently to have completed the process of gaining full recognition by other Grand Lodges. The Grand Lodges of Scotland and Ireland, for example, extended full recognition in 1988 and the United Grand Lodge of England did so in 1989.

Although this circumstance may have given rise to a feeling of being isolated, the Grand Lodge of China is working in close harmony with other Masonic authorities. With reference to a request for recognition which had been received from the Grande Loge de Cote D'Ivoire, for instance, it was decided to delay a decision pending receipt of advice from the Masonic Association of the United States. In this and in other ways, this Grand Lodge seems to be a product of the forces of history and of geography. Its title is the Grand Lodge of China (not of Taiwan or Formosa), although its jurisdiction can hardly be said to be the whole of China. The political events of the past fifty years in mainland China have cut these Masons off from the main body of their fellow Chinese, while their geographical location separates them by great distances from almost all of their fellow Masons.

One senses a duality of purpose: to be loyal to their own traditions of language and culture but also to be faithful to the traditions and customs of Masonry which they have so recently adopted and brought in from Europe and North America. An

example of this double loyalty is their desire to have the Masonic ritual translated into the Chinese language. The work of translation is well in hand and there would appear to be little doubt that they will succeed in their undertaking.

ENGLAND

London, England, March, April, June and September, 1990

It is appropriate that one of the first Grand Lodges to be able to report statistics reflecting growth should be the United Grand Lodge of England, the Mother Grand Lodge of the World. The Quarterly Communication held in March, 1990, was informed that the number of lodges on the Register of Grand Lodge, as of the end of 1989, was 8,421, whereas it had been 8,367 a year earlier. Furthermore, there was an increase in each of the three classifications of lodges: London (2 additional lodges), Provincial (44), District and Abroad (8). This represented a total increase of 54 lodges. There was an increase, also, in the number of Grand Lodge Certificates issued at Freemasons' Hall, London, (523) and for those issued by District Grand Masters (248), or a total increase of 771 certificates in 1989 compared with the previous year. This was the first increase in three years in the number of Grand Lodge Certificates.

Another encouraging figure was the number of visitors (more than 12,000) who came to view the exhibition on the history of Freemasonry. This number included a high proportion of non-Masons. The Museum and exhibition are advertised nationally to the public and are becoming increasingly well known to London tourist guides. Masons and non-Masons alike are discovering (and are telling their friends) that a visit is well worthwhile.

The Annual Investiture of Officers took place at Freemasons' Hall, Great Queen Street, London, on April 25, 1990. The principal officers who were invested were the Grand Master, M.W. Bro., H.R.H. the Duke of Kent; the Pro Grand Master, M.W. Bro., the Rt. Hon. Lord Cornwallis; the Deputy Grand Master, R.W. Bro., the Rt. Hon. Lord Farnham; and the Assistant Grand Master, R.W. Bro., the Rt. Hon. the Earl of Eglinton and Winton.

The Grand Master reminded members of Grand Lodge that, at the previous Annual Communication, he had spoken of the need to maintain high standards in those seeking to join the Craft. He renewed his emphasis on the importance "that membership of a Lodge should not be too easy to acquire and that admission among Masons should be carefully considered, by candidates and by proposers and seconders alike, as an important step in a man's life."

He reminded the brethren, also, that he had previously "offered some suggestions about the size of Lodges and how they should be run." He acknowledged that this had "provoked a fair amount of debate, which is good . . . I welcome such debate, Brethren: Freemasonry must never be static, but should be seen as a developing

organism. As an example, my proposition last year about 'Time in Office,' was not designed simply to remove loyal servants of Lodges and the Craft from office. By suggesting that offices should not be held 'too long,' I hope to ensure that new officers can be trained in good time, while their seniors' experience is still available. Such change is not for change's sake, but is part of a continuing process of renewal."

His Royal Highness continued his consideration of change and renewal by broadening his examination of the problem from individual lodges to Masonry in general. Although he addressed primarily the state of Masonry in England, his observations are valid far beyond that country. "The Craft as a whole," he indicated, "reacts to changes in the society it is part of, not by abandoning its basic principles or character, but by sensible adaptation of its organization and practices. We might, therefore, use the year ahead to continue thinking how our basic Freemasonry might be improved. We have a great deal to offer society, but we ought also to be examples of internal good order and regularity. The explanation 'We have always done it that way' has never been a good excuse for carrying on bad, entrenched practices. If something is patently wrong, it ought to be changed."

Masons having connections with lodges under the English Constitution will be interested in information concerning the Royal Masonic Hospital which was brought before the Grand Lodge (in the June Quarterly Communication) by M.W. Bro. the Pro Grand Master: "At a meeting yesterday, the Hospital Board of Management took the first steps towards reorganizing the whole operation of the charity (i.e. the Hospital and the Samaritan Fund). They resolved in principle:

- (a) to separate the Samaritan Fund from the Hospital,
- (b) to safeguard the Charity's assets, and
- (c) to transfer the operation of the Hospital to a Company limited by guarantee. The Board also authorized their solicitors to discuss with the Charity Commission how these initiatives might be implemented."

The Triennial Report for 1987-1989 on the Grand Lodge Library and Museum indicated increased attendance by general visitors and serious students of history. Some of this probably was the result of the popularity of the permanent exhibition *The History of Freemasonry*. The Librarian noted that "The research facilities continue to be much used by members of the Craft but it is gratifying to report that these facilities are being increasingly used by serious non-Masonic researchers and that the Library is becoming widely recognized within the academic world as a unique storehouse of primary research material on Freemasonry."

IRELAND

Dublin, Ireland, March, June, December, 1989

In his Address to the Grand Lodge on St. John's Day, 1989, M.W. Bro. The Most Hon. the Marquess of Donegall referred to the television series "Inside the Brotherhood." He regarded it as an attack on Irish Masonry just as much as on the

Grand Lodge of England, which was its avowed target. The Grand Master said that in his opinion the series was an exercise in misrepresentation.

With regard to the possibility of defence against such attacks, he stated that this was virtually impossible. "It is as well to realize," said the Grand Master, "that the television journalists and scriptwriters who produce these travesties do it for money, big money, in the full knowledge that provided that they stay clear of the libel laws, which in the past they have not always quite succeeded in doing, there can be no redress. We have no way of establishing the truth except perhaps one. Our only real answer is, as it has always been, in our own lives, and how we collectively manage our affairs."

As an example, the Grand Master referred to a very considerable sum of money which had been raised by Irish Masonry for research into the relief of arthritis. If, as a result of this research, the Masons of Ireland can bring some relief from pain to those who suffer from arthritis or, he continued, if in any way "we can make life better both for our own Brethren and their dependants, who may need help, but also for those who have no connection whatever with the Masonic Order, then people may come to see us as we are, or perhaps I should say as we try to be, and not as the selfish and self-centred Body which the television moguls would have us."

A motion was introduced at the March Quarterly Communication with regard to tenure of Masonic office and approved by Grand Lodge at the Annual Communication. It provided that, other than in exceptional cases (and then only by dispensation), "no Masonic Office or Appointment shall be held or be extended beyond a period of ten years from date of installation or appointment. A Brother shall not be eligible to serve a second term in an Office or Appointment that he has already held for a period of ten years, even after an interval of time shall have elapsed." Paid Officers of Grand Lodge and of a Provincial Grand Lodge, as well as Past Grand Masters, were exempt from the provisions of this resolution.

An announcement was made that it is proposed to reopen the Museum and premises of Freemasons' Hall to the public for the months of June, July and August of each year. Masons who are considering a visit to Dublin may be interested in this development.

The Report of The Grand Lodge Library and Museum noted that, following the appointment six years ago of the first qualified professional Archivist and Curator, "the Museum has been transformed and, to a large extent, order has been bestowed on the chaos that was the Grand Lodge Museum."

Those who are interested in the history of Lodges in Canada and elsewhere which were formerly under the Grand Lodge of Ireland should take notice of a programme of research that is currently under way. It was reported that the Archivist "is listing all the historical material in the Grand Lodge Archives on our old Australian Lodges. This new project has brought to light many interesting aspects of early colonial and masonic life from 1820's – 1880's. It is envisaged that once the lists for all 91 Lodges are complete then microfilms will be made of the original material." This project raises

the possibility of similar research with reference to Canadian Lodges that originally were chartered by the Grand Lodge of Ireland.

M.W. Bro. John E. Anagnostis was particularly optimistic concerning the future of Masonry in Maine. He assured the brethren that "we have turned the corner and are looking at a new era in Masonry. Last year we were on the edge and could have gone in either direction. You chose to go forward and make Masonry a positive part of your communities. Because of you and what you have done, your lodges have begun to be revitalized and there are many Masonic activities all over the state."

The Grand Master then gave several examples of renewed interest and vitality in Maine lodges. He was especially pleased to be able to report that there were many lodges that had shown increases in their membership, one with an increase of eleven and another with a gain of fourteen. There were, of course, lodges with a net decline in membership. It was a hopeful indication, in his view, that in many of these cases the net loss was the result of an unusually high number of deaths, rather than fewer initiations.

The Grand Historian drew the attention of Grand Lodge to what he called Maine's "Golden Age of Masonry," when between 1865 and 1874 some fifty-four lodges were Chartered. As a result, there are several lodges approaching the century and a quarter mark, as well as many that are considerably older. He stressed the importance of lodge histories being written as part of the forthcoming celebrations.

It was interesting to note in the Grand Historian's Report that the Grand Lodge of Maine gives both assistance and recognition to Lodge Historians. A manual or work book for Lodge Historians has been prepared which "contains guidelines, suggestions and recommendations for preparing lodge histories."

More unusual, was the extent to which Grand Lodge gives recognition to the work of Lodge Historians. The Grand Historian praised five who had produced "good histories that deserve recognition." He then proceeded to present each with a Certificate of Merit. Even more highly honoured, however, was the winner of the annual competition for writing the best Lodge History in that year. He is awarded the Historian's Medal for the year.

While lodges that excel in recording their history are publicly praised, those who do less than is expected of them receive similar publicity for their failures. A list of lodges is published annually which shows the date of the last publication of a history.

Masonic Education is an area of activity that Masons frequently "shy away from," according to an introductory comment in the Report of the Program Planning and Education Committee. That Report hastens to add, however, that a negative attitude toward Masonic Education is not merely a regrettable error, it is a dangerous one, capable of doing great harm to the Craft. The writer of the Report states his position thus: "On reflection I believe that we must all agree that FREEMASONRY IS EDUCATION. Our aim is to 'make good men better.' And how? By teaching them the principles of Brotherly Love, Relief and Truth. The Craft faces a challenge: to reverse the downward trend in the number of members. A most effective way of doing this is to educate our existing membership in the history, principles and philosophy of Freemasonry, so that they can in turn, speak knowledgeably about them to non-Masons when the opportunity presents itself."

In his Annual Address, M.W. Bro. John A. Fergusson recommended that consideration be given to changing the requirements regarding presentation of a Master Mason's Apron and a Grand Lodge Certificate. At present, the newly raised Mason must prove himself in lodge before he is eligible for either presentation. The Grand Master proposed no change relative to the Grand Lodge Certificate but that the Master Mason's Apron might be presented to the candidate without the necessity of waiting until he had proved himself in lodge.

M.W. Bro. David C. Bradley was invited to express thanks, on behalf of himself and of the other distinguished visitors, for the welcome extended to them. "Your hospitality has been very gracious and very generous indeed," he said, "and I thank you very much for that: a very simple thank you but it is at the same time a very warm and sincere thank you. The camaraderie, the exchange of information and the talking to people, make me believe even more in Masonry."

After his Installation as the Grand Master for 1990-1991, M.W. Bro. Fred S. Westwood spoke of his plans for the ensuing year. He concluded with these words: "Let us go forward together enjoying the friendship and the fellowship motivated by a great common cause, the promulgation of the ideals and principles of Freemasonry."

MEXICO (YORK)

128th Annual Communication Mexico City, Mexico, March, 1990

13 Lodges

The lodges under the York Grand Lodge of Mexico may be classified along

linguistic lines: seven work in the English language, five in Spanish and one in German.

One of the Spanish-speaking lodges follows a practice which is decidedly unusual. This lodge, as reported by its District Deputy Grand Master, "nurtures its newly initiated brethren as they advance through the degrees. New members, in addition to the Proficiency examination, are required to present a paper in open Lodge on a Masonic subject pertaining to their degree."

Objections to this custom have been raised in Grand Lodge on the grounds that newly made Masons might better devote their efforts to learning the Work, so that they could visit other lodges more easily and also qualify more quickly for election to office. This was not the conclusion of the Committee of Grand Lodge that considered the question. It reported that "Although the primary thrust should be to go through the degrees, the practice of having new brothers, and also the older ones, to prepare papers should be encouraged."

M.W. Bro. Kenneth Bolton gave a brief summary of some initiatives which had characterized his year as Grand Master. These included the Grand Lodge District Meeting, Lodge of the Month Award, Community Recognition Award and the Juvenile Diabetes Program. "We have operated an open Grand Lodge where the opinions of everyone have been considered and valued, and I hope that this approach has been transmitted to each and every lodge in Michigan."

He indicated that a high point of the year for him was a visit to England and Scotland, with a party of Masons and their ladies. As a way of assisting in raising funds for Masonic charities in Scotland and in Kent, they demonstrated the Work as performed in Michigan. The Grand Master found, as have so many other Masonic travellers to foreign jurisdictions, that in Masonic visitation in far away places "the universality of Freemasonry [is] demonstrated to the full."

The Grand Master spoke of some strategic plans relative to the business operations of Grand Lodge, which would be presented later for consideration. He warned the members that considerable change and reorganization would be involved, which some probably would regard as undesirable. M.W. Bro. Bolton said that they would need to overcome the 'we have always done it this way' philosophy.

In explaining more fully the newly-established Community Recognition Award, the Grand Master said that it was to "encourage lodges to recognize a non-Masonic member of the community for exceptional contributions." He believed that added value and meaning had been given to the Award by "naming it after someone who

exemplified the true Masonic character of man: Bro. Edgar A. Guest, author, journalist, Master Mason, who was known and loved as the Poet Laureate of the People."

MINNESOTA

The Grand Master addressed one of Masonry's most pressing problems, not only in Minnesota but in nearly all other jurisdictions as well: loss of membership. M.W. Bro. Ward Sonsteby observed that about fifteen percent of the membership are faithful attenders and willing workers in their respective lodges, whereas another fifteen percent are "at the other end of the stick," never attending, never assisting but always complaining.

He concluded that "The balance of about seventy percent are nonparticipating, don't attend Lodge often, are in the segment that we must educate or lose. We have left them standing West of the Altar after they are made Masons, and that's our fault. Consequently they wind up as only dues paying members and a large number of them will drop out for one reason or another. We need to educate these Brothers and put them to work in our Lodges before it is too late."

The Grand Master issued an edict requiring an addition to the Ceremony of Initiation, in the form of a statement which is to be read to each Initiate following his Obligation. After referring to what some might consider to be an implied threat of a horrible death if the vow were subsequently violated, the statement continues: "I wish to set your mind at ease. The oath is strictly symbolic. In essence you were dramatically impressing upon the Lodge your sincere intention to uphold that obligation. Please rest assured that no penalty of death will ever be inflicted, for no Mason would intentionally harm another." The statement concludes with the assurance that the explanation about penalties applies to later degrees as well.

The Committee on Masonic Research and Education reported that it had given particular attention to something that it called the "Americanization of Lodges." The committee stated its position thus: "Supporting and safeguarding the 'American Way' in local communities as a primary concern is a necessity and duty of each Lodge."

The final act of the Annual Communication was the Installation of the new Grand Master, M.W. Bro. Robert Papas. He announced that his theme would be: "Put Your Heart Into It."

M.W. Bro. Papas placed considerable emphasis on the need to have greater involvement by wives and girl friends in the lodge's social activities. In addition to such familiar ideas as a fine dinner for the ladies, there was one proposal that was distinctly

less usual. "My wife, Donita," he said, "will be introducing a program that she calls 'Woman to Woman.' As each Lodge Secretary sends in a report of the raising of new members, they are being asked to include the name of the new member's wife. My wife will then send her a personal letter of information and encouragement."

MONTANA

124th Annual Communication Missoula, Montana, June, 1990

M.W. Bro. Larry Lund, Grand Master, reported on the condition of Masonry in the State of Montana. In his assessment of the situation, he gave his Grand Lodge some bad news but he also encouraged it with some good news.

The bad news was the dangerous financial situation in which the Grand Lodge found itself. He warned that difficult financial decisions, including some that would be unpleasant and unpopular, would have to be made within twelve months, "if Grand Lodge is to exist in its present form."

On the other hand, M.W. Bro. Lund was encouraged by the prospects for improvement in the condition of Masonry in Montana as a result of the work of the Masonic Awareness Committee. This committee had been established a year before to "promote Freemasonry" to Masons and non-Masons alike. Its purpose, also, was to develop an awareness of the attitudes towards Masonry by men both within the Craft and outside it.

The Grand Master reported that the Awareness Committee was performing admirably and that one of its strengths was that it had "some of our most progressive thinking members" on it. The Committee "has concluded a state-wide survey which further allows us to analyze the needs of our members and their attitudes towards our Fraternity." It will be on the basis of the findings of this survey, M.W. Bro. Lund indicated, that the "Committee will be suggesting directions to the Grand Lodge officers and the Executive Committee regarding areas of change and the most effective ways to promote Freemasonry."

The Grand Master, M.W. Bro. Charles N. Hollett, announced that the first Senior Citizen complex was completed and was opened officially in 1989. He remarked that

he "was very pleased to see it operating so smoothly under a committee from St. Mark's Lodge" of St. Andrews. The active participation of local lodges in the planning and operation of these complexes is an interesting characteristic of the New Brunswick programme. For example, the Grand Master went on to indicate that "A similar, but larger Senior Citizen complex has since been completed and occupied at Woodstock, N.B. This time, the planning and operation is under the capable direction of Woodstock Lodge." He noted, also, that Sussex Lodge, of Dorchester, N.B., is well advanced in its plans for a Senior Citizens complex in that community. M.W. Bro. Hollett stated that "the Masons of New Brunswick can feel justifiably proud of their efforts to help seniors acquire more adequate housing."

The New Brunswick Masonic Charities and Housing Company reported that it had printed Memorial Cards and sent them to most Funeral Homes and all lodges in the province. It is hoped that upon the death of a Brother, the Brethren might prefer to make a donation to Masonic charities rather than to send flowers.

NEW HAMPSHIRE

Although he found the condition of Masonry in New Hampshire to be in good shape, on the whole M.W. Bro. Philip Hall indicated that there were a few lodges where this was not the case. "Some Lodges today," he stated, "do not have the depth of leadership or organizational experience in their officer line, and find themselves without the confidence or enthusiasm to try new ideas necessary to involve the Lodge in some simple community project, to put variety in the meetings or to plan social events for family and friends."

The Grand Master reported that, in order to assist lodges with relatively weak leadership, he had instituted a programme that he termed an "executive dialogue." He explained that in this programme "the district officers are working with their masters and wardens to create a simplified model for planning and executing the proper administration for each Lodge. The key to success is to keep it simple, and at the same time involve a maximum number of members through active committee work."

M.W. Bro. Hall remarked that throughout the jurisdiction, "There is an excitement of renewed interest and activity. There is an increase in the number of new candidates joining our fraternity, as well as younger officers serving the Lodge. I am also aware of an increase in the activities and community events in which the Lodge is involved."

In assuming his duties as Grand Master for the following year, M.W. Bro. Philip White outlined the programme which he proposed to follow. He said that he wished to "implement an alternative route to membership." Instead of the traditional

examination in open lodge following each degree with its memorized answers to prescribed questions in a catechism and the repetition of an Obligation, he proposed that the candidate should have the option of attending an Instructional School "consisting of several lectures each time, consuming some two hours for each Degree."

The world has changed and the pressures on men have increased to the point where many candidates just do not have the disposable time necessary in order to advance by the traditional system. It was M.W. Bro. White's strongly held conviction that "We must get away from the idea that the recitation of memorized text is the only way to teach a man what we want him to learn . . . We MUST have an alternate path for those who desire and need it."

The Board of Benevolence reported that during the past fiscal year it had authorized 178 bursaries (of which 101 were Masonic and 77 were non-Masonic) for students attending universities and colleges, as well as secondary schools. That brought to \$144,500 the total value of bursaries currently in existence.

In addition, the Board of Benevolence made grants (totalling \$283,641.29) in support of the following: to provide additional "Freemasons Bursaries" to university students; to send relief to the victims of natural disasters; to support lodge charitable projects, to fund the New Zealand Masonic Chair of Geriatrics at the University of Auckland and to finance the New Zealand Masonic Postgraduate Fellowships in Paediatrics at the University of Otago.

A motion was passed to liberalize the wearing of Masonic regalia in public. The precise terms of the amendment to the Constitution are of less significance to Masonic observers from other jurisdictions than the reason for the change. The sponsor of the motion stated that in the past the rules had been based on the premise that the public wearing of regalia was to be discouraged. It was his opinion that this was "an extension of the facet of our organization which we deem to be the secret side, in that our secrets should not be revealed to all and sundry, the least of which would be the wearing of Regalia in public. As to how far this rule has ever advanced our organization I think it is difficult to gauge, but I think it has probably advanced it little."

It was reported that there continue to be some lodges in New Zealand that maintain allegiance to one of the United Grand Lodge of England, the Grand Lodge of Scotland or the Grand Lodge of Ireland.

NORTH DAKOTA

M.W. Bro. Donald Laschkewitsch reported that Masonry in North Dakota recently had the advantage of increased public awareness and recognition. "This has been natural for us this year," he indicated, "as our State and our Grand Lodge celebrate their Centennial Anniversaries with commemorative events." He noted that, to a greater extent than had been the case ever before, Masons had been seen in public and in positions that reflected recognition and approval by leaders in the community.

The Grand Master said that the momentum generated by the centennial celebrations was already having a beneficial effect on the Craft. "I am encouraged, he said, "by the activity we see across the state. Lodges which have not raised a candidate in years have been busy conferring the degrees."

M.W. Bro. Laschkewitsch made a number of recommendations for the continued growth and prosperity of Masonry in North Dakota, including the following:

- (a) Grand Lodge should continue to emphasize the visibility of the Craft;
- (b) North Dakota Masons should participate in community projects; and
- (c) Emphasis should be placed on contributions to the Masonic Foundation.

NOVA SCOTIA

The Grand Master reported on an event which was the highlight in 1989 for Masonry in Nova Scotia, indeed in all of Canada. M.W. Bro. Frank E. Milne indicated that in September of that year there occurred "The celebration of 250 years of Masonry in Canada which had its beginning in Annapolis Royal in Nova Scotia."

Lodge secretaries are held in high regard in all jurisdictions but the importance of their contributions to Masonry has been formally recognized since 1953 by the Grand Lodge of Nova Scotia in the form of a Secretaries' Long Service Medal. The qualifications for this medal were liberalized at this Communication to permit a secretary, who had held the office for at least ten years, to be awarded the medal even though his period of service was not necessarily ten consecutive years and was not necessarily in one lodge. A bar will continue to be awarded for each additional ten year accumulation.

The Committee of the Condition of the Order identified a number of problems and made practical suggestions to remedy them. One suggestion of general interest and usefulness was that "Some of our stronger Lodges should assist those smaller and weaker ones." He concluded with this exhortation: "We have too much at stake; we cannot afford to lose it."

"We stand on the brink of both challenge and opportunity, of change and continuity." With these words R.W. Bro. W. Scott Stoner began his Inaugural Address as the newly installed Right Worshipful Grand Master. He outlined the programme which he proposed to follow and stated that his theme would be, "Masons: Keeping the promise of America."

In the first place, Masons must individually and collectively keep the promise that Masonry represents, that is a belief in the fundamental importance of character and honour, of responsibility and the essential worth of a man's life. He called on the Masons of Pennsylvania to work together to keep that promise, not only with respect to their lodges but also with regard to the youth and the public in general.

In turning to "The Promise Fulfilled — Within our Lodges," the Grand Master made several concrete suggestions for improvement. If meetings are becoming unnecessarily long and boring, he recommended better planning and greater use of community resources. If standards in ritual work are falling, he suggested that districts could consider sponsoring contests among the lodges for the best degree work. If secretaries are being overworked in administrative details, lodges can make use of Grand Lodge's new Subordinate Lodge Accounting System, allowing lodges to keep records on their own computers or use the central system.

Regarding "The Promise Fulfilled — With our Youth," the Grand Master promised that he would continue support (and even increasing it) for the Pennsylvania Masonic Foundation for the Prevention of Drug and Alcohol Abuse Among Children. In addition, he announced that he would establish "The Grand Master's Scholarship Fund" to increase the number and value of scholarships to deserving young people striving for a higher education.

Finally, R.W. Bro. Stoner spoke of "The Promise Fulfilled — With the Public." He said that he wished to direct attention to "the most pressing issue facing Freemasonry in both Pennsylvania and all America today." This was not the problem of membership, as most suppose, but it was an overall absence of Masonic awareness. The key to attracting new members and maintaining interest in current ones was, in his view, twofold: making Masonry's light visible and giving the Craft a public presence. Finally, he stated, "Even more pertinent is the issue of attacks on Masonry by our critics. Our

Fraternity is misunderstood and even maligned for only one reason. We are not doing an effective job in communicating the message of Freemasonry."

PRINCE EDWARD ISLAND

M.W. Bro. Erwin Dennis stated that during the year he had continued a practice followed by previous Grand Masters to visit, as much as possible, "many of the elderly sick and shut-in Brothers or their widows in their homes, hospitals or nursing homes. On all of these visits I was accompanied by the Worshipful Master or some member of his lodge appointed by him, as well as one or more Grand Lodge Officers." The importance of this practice for the Masons of Prince Edward Island is reflected in the Report of the Committee on the Grand Master's Address: "We are pleased to note that the Grand Master made this year a 'visiting year.' As our organization is a fraternal one, the practice was begun by a previous Grand Master." The sick and shutins are visited on the occasion of the Grand Master's official visit to each lodge.

The Grand Lecturer referred in his Report to a current discussion concerning the need (or otherwise) for greater standardization in the Ritual throughout the jurisdiction. "We must be careful, he warned, "to acknowledge that the Ritual and ceremonies alone do not constitute Freemasonry. It is the way in which we instill in our members the highest moral values and direct them to give themselves to the service of others and be true to the tenets of our Fraternity."

QUEBEC

Masons throughout Canada will read with interest and gratification an announcement made by the Grand Master concerning a body which was reported a year ago to be operating in the Province of Quebec, under the style and title of "La Grande Lodge Francophone du Canada." M.W. Bro. Norman Auclair stated that "I am pleased to advise that, from information received to this date, this body has become defunct and is no longer operating in our area. He added, however, that the need continues for caution to be observed with respect to visitors or candidates who claim to hold membership in that body.

Although the formation of a spurious "Grand Lodge" designed to exploit linguistic and cultural differences may be one way of addressing those problems, it certainly is

not the best way. The Committee on the State of Masonry drew attention to another way of adjusting to language differences in Masonry. "A number of lodges in the jurisdiction," the Committee reported, "Which, because of their location are attracting an increasing number of french-speaking candidates, have adopted a bilingual format. While this can take different forms, the preferred method has been to develop degree teams in both the English and French approved rituals so that any candidate joining the lodge can be initiated in the language of his choice. This solution, which demonstrates a high degree of Masonic brotherhood and friendship, has proven a popular solution and should be encouraged.

M.W. Bro. Auclair recommended a change in the regulations governing the awarding of the W. Gordon Parker Medal of Merit. This award was created as a means of recognizing outstanding contributions to Masonry by members of Quebec lodges. Noting that the Grand Lodge of Quebec has insufficient means of recognizing such contributions to Masonry made by deserving brethren from other jurisdictions, the Grand Master recommended that the Constitution be amended to permit the award of the W. Gordon Parker Medal of Merit to brethren of "any other jurisdiction with which we are in amity." (This recommendation was subsequently referred to the Board of General Purposes for its consideration.)

The Grand Master made a surprising reversal in his Address of an opinion so frequently expressed in Masonic circles as almost to be a platitude. Although he expressed his agreement with the judgement that a Mason benefits from Masonry in proportion to his participation in its activities, M.W. Bro. Stanley Tickner disagreed with the commonly held assumption that the individual member is principally, if not solely, to blame for his failure to become involved. "Not all Brethren can participate at the same level," he said, "but all have something to offer for our benefit." In his opinion, the blame for the loss of a member through inactivity and consequent decline of interest should be placed in large measure on those in positions of Masonic authority and leadership. They have a responsibility to seek out the potential for useful participation in members and put it to practical use. For some, this would appear to involve a significant shift in the perception of where such blame belongs.

An effort to involve junior members more actively was reported from Saskatoon. This was the formation of "a Side-Benchers' Club which includes only those who have not held high office in their Lodges."

The Grand Master stated that he had appointed a committee to study the feasibility of an Insurance Pool to lower the cost of insurance for lodges. In reporting

that this committee recommends the adoption of such a plan as soon as possible, he noted that "Similar plans are working well in other parts of society."

Preliminary consideration was given to a recommendation from the Freemasonry and Youth Committee for "the establishment of a provincial Masonic Youth Foundation Trust Fund on a voluntary basis, to offer financial assistance to students wishing to improve their education." The Grand Master indicated that the proposal had been approved in principle by the Board of General Purposes, subject to appropriate details being agreed upon. He believed that the Fund would be "a valuable addition to our Youth Program."

Another fundamental change was the proposal to establish the Masonic Foundation of Saskatchewan. This was recommended by the Board of Trustees and approved by Grand Lodge.

An interesting innovation in the method of balloting on candidates was authorized. The Constitution of the Grand Lodge of Saskatchewan was amended to provide for the following procedure: "In balloting the ballot box shall be placed on the Altar with an equal number of white balls and black cubes, and either each member, beginning on the left of the W.M. shall in rotation proceed to the Altar and cast his ballot, or alternatively each member in order of rank shall do so in rotation."

SCOTLAND

Edinburgh, Scotland, February, May, August and November, 1989

The Grand Master Mason, M.W. Bro. Brigadier Sir Gregor MacGregor of MacGregor, Bart., addressed Grand Lodge at the August Quarterly Communication with particular reference to the Report of the Panel on Doctrine to the General Assembly of the Church of Scotland. He gave an assessment of the situation, not only as it is in Scotland but also as it is in many other parts of the world.

"During the past few years," he said, "it has become fashionable and trendy to knock established organizations within Society, to cast doubts upon their integrity and question their motives, and we are not alone in that. So-called 'Investigative Journalism' and 'Trial by TV' proliferate, trendy historians are rewriting past events, and it is popular to debunk heroes and to make them out not to be heroes all but to have feet of clay." He went on to point out others who publicly and vehemently attack Masonry. These critics "display a high level of intolerance and bigotry; there can be no discussion in their eyes and there is no room for anybody's point of view but their own." Masons must not be surprised, he added, that there are those who are eager to denigrate Freemasonry and to suggest that it is a secret, self-seeking organization, operating to the detriment of society.

The Grand Master Mason warned Masons against falling into the trap of adopting for themselves that "Holier than thou" attitude that they so rightly condemn in others.

It would be counter-productive and of no benefit to the Craft to allow any debate on the subject to degenerate into personalities and insults.

He reviewed the record of collaboration as well as the mutual respect and support of the Protestant Churches and of Freemasonry for the four centuries following the Reformation and Renaissance. Asking why has the Church, since World War II, begun to claim that its theological principles are incompatible with Freemasonry, he stated: "I believe that a major sticking point with the more narrow-minded and bigoted members of the Church is our universality, our willingness to receive men of all Religions, Faiths, Creeds and Races, only demanding that they believe in God, the Supreme Being."

As for the future, he told the members of Grand Lodge that "We must adopt a higher profile; we are not on the run; we have nothing to be ashamed of, indeed we have a great deal to be proud of. Therefore, let us let the world know who we are and what we stand for." He spoke strongly against what he called Masonry's "obsessive secrecy and stubborn defensiveness," which strengthened the public impression that the Craft has something to hide. How can a candidate come forward, he asked, proclaiming that he has a good opinion preconceived of the Order, if no questions can be answered and secrecy prevails?

At a time when the Craft is under great suspicion and is being criticized in many quarters, the Grand Master Mason said, "It is essential that we all individually and collectively, both inside the Lodge and outside in the community, behave in a manner that is above reproach. We must be seen to live up to those precepts to which we claim to aspire and support." He pointed out that Masonic authorities must ensure that clubs and other facilities for entertainment and social activities are not a nuisance in the neighbourhood, with drunken and noisy people coming out of the premises. "I appreciate that these are very isolated incidents," he continued, "but they do occur and the fact that the Lodge room may have been let out to some other organization and these may not have been Masons, quite frankly, is totally irrelevant. As far as the discomfited citizen is concerned, they came from the Masonic Hall, they are Masons and it is all the Craft's fault."

The Grand Master Mason said that much of the controversy currently surrounding Freemasonry is comprised of spurious issues greatly overinflated. He concluded thus: "Freemasonry has flourished for four hundred years in its present form, and I am certain it will continue to flourish in the years ahead and the people will look back at our current problems and see them for what they are - a minor ripple in the long stream of our history."

Preliminary steps were taken during the year to consider a fundamental revision in the ritual. The Grand Committee "agreed that Grand Secretary should request all Provincial and District Grand Masters to report on the question of the deletion of the Ancient Penalties from the Obligations and that further consideration should be given to this matter upon receipt of their replies."

Reminding the Brethren that a year previously he had called on them for a renewal of enthusiasm, M.W. Bro. H. L. Williams said, "I believe that we are broadening our horizons and extending our vision beyond the confines of our individual lodges. Our Homes for the Aged and our Medical Research Foundation are but two areas in which we are demonstrating that Freemasonry does indeed make a positive contribution to the community by putting principles into practice." The opportunities for service, in his judgement, were limited only by their imagination and their willingness to work.

In connection with conferring Honourary Past Grand Lodge Rank on various Brethren for past services, the Grand Master spoke of two other awards for outstanding service. These presentations are of general Masonic interest because of their nature. The first was called the Order of Merit of Grand Lodge. The recipients were two Brothers who had given outstanding service to Masonry. Although the particular qualifications of these two Brothers for this award were not given, it would appear that the Order of Merit of Grand Lodge is intended to recognize unusual zeal and faithfulness on the part of Brethren who were not Past Masters. A number of jurisdictions are now following the example of those Grand Lodges who several years ago pioneered in giving recognition to outstanding Masons who had never occupied King Solomon's Chair and appeared unlikely ever to have that honour.

The second award was somewhat more uncommon. The Grand Master stated that he had presented the Grand Lodge Certificate of Service to four ladies "in recognition of their work for United Service Lodge." The actual presentations of these certificates appear to have been made at an earlier date, possibly in Hobart where United Service Lodge meets. In naming the ladies who had received these certificates, the Grand Master said "Once again it was my pleasure and privilege to acknowledge the very special contribution" of the wives of Tasmanian Masons. This concept of a Grand Lodge Certificate is the way which the Grand Lodge has developed to recognize the contributions made by Masonic wives.

Following his Installation as the Grand Master of the Grand Lodge of Tasmania for the ensuing year, M.W. Bro. Chester Bryce Ward addressed the Brethren. He noted that in its first century Masonry in Tasmania had made great strides, particularly in benevolent activities and the development of caring facilities for the aged. "Now we are sponsoring as our major Centenary activity," he said, "the Masonic Medical Research Foundation to assist with research into the degenerative diseases of the aged." Notwithstanding the great physical growth of Masonry and Masonic facilities in the State of Tasmania during the past one hundred years, he hoped that the greatest Masonic achievement had been "the good which we have done for our lodge members and the training and support which we have given them to enable so many of them to

be our civic, business and political leaders."

M.W. Bro. Ward directed the attention of Grand Lodge towards its second century. He described some of the many ways in which Tasmanian society of 1990 was fundamentally different from that of 1890. "In this changed society," he said, "we must use the same principles and tenets of our Craft that we used in 1890 but we must interpret and apply them in such a way as to make our Craft be, and be seen to be, a positive, dynamic part of the changed society."

As an example of changed practices made necessary by changed conditions, the Grand Master commented, "We have begun to project ourselves into the community and have invited the community in some ways to reciprocate." Society needs Masonry but it must be shown that Masonry has something to offer it. "They will not freely come seeking us," he said, "we have good things to offer them and should take them out to the community."

As a special Centenary project the Grand Master asked every lodge in Tasmania to take on a community related project for the year. It was not important whether the project was short or long term or whether it was a major or a minor one. He expressed the hope that every project "will be able to be seen by the local community as some involvement by their local Lodge."

VICTORIA

Undoubtedly the most impressive event in 1989 in Freemasonry in the State of Victoria, if not in all of Australia, was the Centennial Installation which was held at the National Tennis Centre, Flinders Park, Melbourne, on March 15, 1989. The total attendance of 15,000 included present and past officers of Grand Lodge, Masters and Past Masters, Master Masons, Fellowcrafts and Entered Apprentices, as well as the families and friends of the Brethren. Among the guests were the Grand Masters of every other Grand Lodge in Australia and also delegations from sixteen Grand Lodges in Europe, North America and Asia, with six present Grand Masters and three Past Grand Masters in attendance. These included the Deputy Grand Master of the United Grand Lodge of England, the Grand Master Mason of the Grand Lodge of Scotland and the Grand Master of the Grand Lodge of Ireland.

Following his Installation by M.W. Bro. J. W. Connell (the retiring Grand Master), M.W. Bro. Mr. Justice Williams gave a brief history of Masonry in the State of Victoria. The colony of Victoria was officially separated from New South Wales in 1851. Some thirty-eight years later, when the United Grand Lodge of Victoria was formed, there were 139 lodges in the Colony but most of them operated under overseas constitutions.

The Grand Master then addressed the questions of the purposes and the aims of Freemasonry, saying that these could be summarized as follows:

"To provide opportunities for self-development,

To foster moral standards,

To build friendships,

To practise universal charity,

To seek excellence in all pursuits, and

To believe in God."

He expanded on the concept of "universal charity" by describing the less publicized accomplishments of the Board of Benevolence, as well as the relative high profile work of the Royal Freemasons' Homes of Victoria and the Freemasons' Hospital.

Regarding the prospects for Freemasonry in Victoria, the Grand Master emphasized two points. "Under the enthusiastic guidance of John Connell," he said, "we held what were called **Sharing and Growing** seminars throughout the State. These seminars were directed towards smartening up our ideas, our ceremonies and our temples and were very successful. They were enthusiastically received and will, of course, be followed up during this year."

Secondly, M.W. Bro. Williams stressed the need to attract and hold a greater number of young people, if Freemasonry is to grow in Victoria. He proposed, therefore, to seek direct support from the younger members. "It is my intention shortly," he announced, to arrange a meeting of members under 40 years of age. The meeting will be substantially conducted by these young people. They will be asked to tell Grand Lodge what they consider should be done to hold the interest of members generally, how to attract new and particularly younger people to join the Craft and how to keep them."

An event of interest to Ontario Masons at the June Quarterly Communication was the presentation to R.W. Bro. John Humphris of his Patent of Office as Grand Representative of the Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario near the United Grand Lodge of Victoria. R.W. Bro. Humphris has served in various appointments in his Grand Lodge and was promoted to the rank of Past Deputy Grand Master in 1986.

During the course of this presentation of the Patent of Office, the Deputy Grand Master gave a brief description of the development and present status of the Grand Lodge of Canada in the Province of Ontario. In this connection, he stated that the Brethren would recall M.W. Bro. Lou Copeland. Noting that he had been a distinguished visitor to the recent Centenary Installation, the Deputy Grand Master went on to say that M.W. Bro. Copeland "was also a speaker at our recent International Masonic Conference. He has had a long and distinguished career both in the community and in Freemasonry."

There was a development in the year under review that demonstrated a similar interest in their heritage on the part of Ontario and Victoria Masons. At the September Quarterly Communication, the Grand Master said, "At the June

Communication, I referred to the planned dedication of a Masonic Hall at Coal Creek Heritage Park, Korumburra of 24 June. It was an exciting and enjoyable occasion and the Lodge Room is now on permanent display in the Park, indicating to the general community the historical importance of Freemasonry." From an Ontario point of view, it is interesting to note the similarity of emphasis on Masonic heritage, as demonstrated in two historical projects: one in Coal Creek Park in Korumburra, Victoria, Australia, and the other under the auspices of Heritage Lodge, No. 730, G.R.C., in Black Creek Pioneer Village in Metropolitan Toronto.

Speaking of the condition of Masonry in the State of Washington, M.W. Bro. Harold Tucker referred to the fellowship which is experienced when visitations occur between Masons of different jurisdictions. Although he considered this a good custom and a desirable evidence of mutual support, the Grand Master warned that there are pitfalls in the practice which must be avoided. For example, there have been a number of instances of laxness where visiting Brethren have used ritual from their own jurisdiction rather than Washington ritual. "I agree," he said, "that these foreign Jurisdictions have beautiful ritual, yet we must adhere to our rules and regulations. We need to do this to keep some sense of conformity to our ritual."

Another foreign custom which the Grand Master decried was unauthorized variations in forms of address in lodge. He pointed out that "shortening the title of the Worshipful Master when addressing him as just 'Worshipful' is incorrect." If other wordings and forms of ritual are considered to be preferable, then Grand Lodge should change the currently prescribed forms. Until then, he instructed the Brethren to "return to our Washington Ritual and Customs."

The Grand Master was optimistic about the future of Masonry in the State of Washington. "There are young men petitioning several of our Lodges," he noted, "and some of these young Brethren are filling officer stations." He warned, however, that little appreciable difference will be seen for some time "because our decline of membership did not happen overnight." In the meantime it will be critical that these new candidates and members receive the best possible instruction so that they will understand the true meaning of Freemasonry.

The Committee on the Masonic Foundation for the Prevention of Drug and Alcohol Abuse Among Children reported that it had sent a letter to every lodge to increase its emphasis on the dangers of drug and alcohol abuse and to redouble its support of the work of the committee. The response had been, on the whole, most satisfactory. If any Brother was still unconvinced of the importance of this campaign,

the committee sent this message: "Freemasonry teaches us that our children represent our immortality, that though we may die and return to the earth from whence we came, our children must continue our good works after our passing. That which threatens our children, therefore, threatens our immortality, and nothing today more directly threatens our children than drugs."

The Committee was careful, however, to distinguish between the ways in which Freemasonry can participate in reducing the hazards of drug and alcohol abuse to children, and those which are beyond its capability. "It should be strongly emphasized at this point that while Freemasonry can be instrumental in providing crucial moral support and in sharing financial assistance for such an effort, Masons do not actually operate such a program, nor even design the program. There are plenty of people who already have the expertise and experience to work on drug and alcohol dependency among children; people who are ready, able and willing to do so, if they only have the necessary support."

WESTERN AUSTRALIA

In his Address to the half yearly Communication of Grand Lodge in April, M.W. Bro. Arthur Smith mentioned the plight of many country lodges in the more isolated regions of Western Australia. Their problems are the result of declining population in these areas. He reported that in a number of cases "the work of the lodge is being maintained by a very small core group of brethren who experience frustration and disappointment and often feel very much isolated."

As (at least) a partial solution of the problem, the Grand Master made this proposal: "These Country Lodges would be greatly encouraged and helped if a City Lodge was to enter into a 'twinning' arrangement with a Country Lodge. This could lead to the exchange of visits and to advice, encouragement and practical help being given to the Country Lodge in times of difficulty."

It is not uncommon in many jurisdictions for informal arrangements of a somewhat similar nature to develop casually between pairs of lodges, although they are rarely thought of as between a disadvantaged lodge and a more favoured one. What is novel in the Western Australian concept is the formal structuring of such a partnership, possibly with a Grand Lodge Officer as an intermediary, in order to bring assistance to bear in situations of particular need. This is a strategy which might well be of interest in other jurisdictions as well.

Two decisions of the Board of General Purposes, which were reported to Grand Lodge at the October Communication, are of general interest.

The first of these deals with photography in the lodge room. The Board recognized

the desire and the need for pictorial records of significant events in the history of lodges. It was concerned, however, that "the taking of photographs during the course of ceremonial has increased to the extent that the tenets of the Craft are being infringed and the dignity of the authorised ceremonials impaired." It was the decision of the Board, therefore, "to forbid the taking of photographs while a Lodge is duly opened for the purposes or practices of Freemasonry." However, the Board stated that it had no objection to photographs "of Brethren dressed in Masonic regalia being taken in the Lodge Room before Lodge is opened or after it is closed."

Regarding the presence of non-Masons at banquets held in connection with Masonic meetings, the Board of General Purposes reported that it had issued the following recommendation: "Subject to the Landmarks of the Order being maintained, Lodges give consideration to issuing complimentary invitations to leading local citizens (e.g. the Mayor and Councillors, Church and business leaders and sporting leaders) to attend installation festive boards and other approved Masonic social functions where ladies are to be present."

Following the election of M.W. Bro. Smith for a third term as Grand Master, he addressed Grand Lodge on the progress that had been made to date in improving the condition of Masonry in Western Australia. He stated that, while he was greatly encouraged at the level of enthusiasm and active participation which was evident in many Lodges, he was "acutely aware that in other Lodges much still remains to be done and the deadly enemy that all of us have to confront and defeat is apathy." For these reasons, he announced that he had chosen for his theme for the following year: Make Masonry Meaningful. He outlined various ways in which lodges and individual Masons could make this happen. He concluded thus: "I challenge every Freemason in this State, this year to help me make Masonry Meaningful to himself, to his Lodge and to the Community. Remember Brethren as I have often said before — if it is to be, it is up to me."

ADDRESS BY R.W. BRO. W. SCOTT STONER AT THE GRAND MASTER'S BANQUET JULY 17, 1991

THE GRAND MASTER: I am now going to ask M.W. Bro. E. W. Nancekivell to introduce the speaker.

M.W. BRO. E. W. NANCEKIVELL:

Most Worshipful Grand Master, Officers and Members of the Grand Lodge of Canada in the Province of Ontario, and our Distinguished Guests:

It is my great pleasure tonight to introduce to you the Speaker at the 136th Annual Communication of our Grand Lodge. He is Bro. W. Scott Stoner, the R.W. Grand Master of Masons in Pennsylvania, and a very distinguished Mason indeed. He has the great distinction of being the 100th Grand Master in that great State and of a Grand Lodge of the highest calibre.

You will note that the Grand Master in Pennsylvania is a R.W. and, if you were to ask why, you would be told it is because he is always right — and believe me brethren, this is the case with rare exception, as it is generally conceded that the Grand Master of Masons in Pennsylvania has more absolute authority than any of the Grand Masters in other Grand Lodges either in the U.S. or in Canada.

Have any of you seen the magnificent Masonic Temple in Philadelphia? It is certainly one of the most beautiful temples in the world. I won't attempt to describe it to you, as I couldn't do it justice, but if you ever have the opportunity of seeing it, I know you will be thrilled as I was when I attended the Annual Communication of the Grand Lodge of Pennsylvania in 1976.

Bro. Scott Stoner in private life is a partner in the firm of Dorwart, Andrew & Co., Certified Public Accountants, and has been since 1973. Presently he is an audit partner and is in charge of the firm's continuing professional education. He is a member of the American and Pennsylvania Institutes of CPAs, has served as chairman of several P.I.C.P.A. committees and was president of the South Central Chapter in 1980–81.

Bro. Stoner is a member of Zion Lutheran Church in Landisville, has been a member of both the choir and the Church Council and is a Financial Teller and Chairman of the Endowment Fund Committee. In the community, he has served as a member of the Board of Directors of the Kiwanis Club of Lancaster, and is a former board member of Lutheran Social Services, East Region, and has served on that organization's Finance Committee.

Masonically speaking, Bro. Stoner was initiated in 1966 and served as Worshipful Master of Casiphia Lodge No. 551 in Mount Joy in 1973–74, as Treasurer in 1976–77 and as representative in the Grand Lodge from 1978–83. He was appointed D.D.G.M. for the 1st Masonic District in 1977, was created a P.D.D.G.M. in 1983 when he left that office to assume the station of Junior Grand Warden. Our distinguished speaker was then installed as Grand Master of Masons in the Commonwealth of Pennsylvania on December 27, 1989.

In other branches of our great fraternity, Bro. Stoner is a member of R.A. Chapter No. 43, Goodwin Council No. 19 Royal and Select Masters, as well as Lancaster Commandery No. 13, Knights Templar. In the Scottish Rite he is a Past Thrice Potent Master of the Lancaster Lodge of Perfection, is a member of the Valley of Harrisburg and was coroneted an honourary member of the Supreme Council 33° in Boston in 1984.

Bro. Stoner's other Masonic affiliations include membership in Zembo Temple (Shriners), of the High Twelve Club; York Conclave Red Cross of Constantine; Sovereign Council No. 103 Allied Masonic Degrees and the International Supreme Council Order of DeMolay for Boys, in which he holds both the Legion and the Cross of Honour.

And so I present to you a man who has been and is being an extremely active leader in Craft Masonry and many other branches of our great Order, including both York Rite and Scottish Rite, in the community, in the church and in the business world, the 100th R.W. Grand Master of the Grand Lodge of Pennsylvania, Bro. W. Scott Stoner.

BANQUET ADDRESS

Most Worshipful Grand Master David Bradley, Officers and Brethren of the Grand Lodge of Canada in the Province of Ontario, Distinguished Guests from Sister Jurisdictions and Brethren all:

I extend to each of you my fraternal greetings and those of the Grand Lodge of Pennsylvania. It is indeed a pleasure to be here in Canada for your 136th Annual Communication and I especially want to thank you, Most Worshipful Grand Master Bradley, for the invitation to address this Grand Master's Banquet.

I really do have a special fondness for this area. Friends of ours in my hometown of Lancaster, Pennsylvania, are shareholders in a corporation which owns land by the lake at Tamworth, known as "Puzzle Acres." I come up here from time to time with my family or with some of the boys from our DeMolay Chapter to do some first-class fishing. I don't know how many times in passing through we've seen the Lorne Lodge Hall in Tamworth, but in all our journeys here we've never been fortunate enough to come into contact with any of the brethren from the lodge. Perhaps — if all goes well tonight and I should find myself in the area the first Friday some month and take the opportunity to visit Lorne Lodge — there might be somebody who would recognize me.

Last year when I was with you for your Annual Communication, it was the first time in all of my visits that I ever came here by plane. Every other time I came here by car, usually loaded down with boys and fishing tackle. I was somewhat surprised when our Grand Lodge staff person who arranged that trip advised me that I was booked on a flight from nearby Harrisburg, Pennsylvania, to Toronto and I wouldn't have to change planes. I told the Assistant to the Grand Master, there had to be a mistake: "No way does a plane fly from Harrisburg to Toronto." Well, was I wrong! There is a commuter that flies round-trip several times a day from Harrisburg to Allentown, Pennsylvania and on to Toronto.

I really shouldn't have been surprised with what is possible these days. These are modern times. These are changing times when progress — maybe even survival — depends upon being part of the fast-paced world in which you live.

Here in the Grand Lodge of the Province of Ontario, I see fraternal enthusiasm and achievement — in challenging and well-directed goals and objectives that are the kind of progressive thinking and actions we need in Freemasonry today if we are to be the vibrant Fraternity ready for the 21st Century.

Freemasonry in North America is recognizing that need. Grand Masters from every jurisdiction have been listening, paying attention and are talking about "Masonic Renewal." They are asking themselves — and they are asking their brethren, "What can we do? How can we rejuvenate the interest of this great Fraternity?"

Through the Conference of Grand Masters and with very generous contributions from the Sovereign Grand Commanders of the Northern Masonic Jurisdiction and the Southern Jurisdiction, numerous Grand Lodges and the Imperial Shrine, a Masonic Renewal Task Force was able to have several surveys done of members and non-members. The findings of the surveys are quite interesting, in fact, I would say disheartening or challenging, depending upon how you look at it. In short, what came out of them was the evident need to consider certain changes and certain programs.

The Masonic Renewal Task Force, fortunately, is now a standing committee of the Conference of Grand Masters and will move forward with programs to rejuvenate our beloved Fraternity throughout all of the jurisdictions in the United States and Canada.

The Grand Lodge of Pennsylvania believe in "Masonic Renewal" and supports it wholeheartedly. It is just one reason why we have instituted an Awareness Program in Pennsylvania. It is a dynamic effort with several goals:

To revitalize the values of Freemasonry among Masons;

To rejuvenate pride in the lodge among its members;

And to introduce this great Fraternity to those who have not yet see the light of Freemasonry.

For far too many years, in this Mason's opinion, this great Fraternity has been hidden. For hundreds of years we have been a sleeping giant. We are a Fraternity of good men with high standards. We have quietly practised our teachings. We have quietly taken care of those in need. We have quietly contributed to charities. The benevolences of the charities of the Family of Masonry are astounding — more than two million dollars a day, every day. Masons are leaders in their communities. Yet, in the eyes of the public, Masonry has been a dormant organization. We suffer because we don't tell anybody what we're all about.

Brethren, all of us here and in jurisdictions in the United States, Canada and around the world are builders of today — builders of a great Fraternity.

I would like to share with you a statement that was used many times by a beloved Past Grand Master and Past Grand Secretary of our Grand Lodge, the late Bro. William A. Carpenter. He used this many times as he attempted to visit all of the 546 lodges that were in existence in our jurisdiction during his tenure:

"We are all in agreement that Freemasonry is a splendid Fraternity; that it is steeped in tradition; it numbers many great men of the past and present as its members; it has a beautiful ritual, and it is indeed an honor to be a Freemason. However, my brethren, in the final analysis, the future of Freemasonry depends not on these things, but on the influences that it exerts in the life of each of us.

If society is to be successful and lasting, it must live and breathe the principles on which it is founded; it must be workable and this means that the individual members must live the spirit of brotherhood. We must be a doer of the work; not just a hearer only. To assume obligations of friendship, morality and brotherly love; to reaffirm love for the dependence of an eternal father are but empty words lost forever in the restless air if they are not practised in our daily lives.

In this sense, we as present day Freemasons could very well classify ourselves as Operative Masons. Our Lodge is not just a room; it is not merely just a place to enjoy fraternal fellowship; it is not an organization that replaces the church; it is not a means of promoting oneself in business. What our Lodges are is really a group of men, a group of brothers who dedicated themselves to a common task and that task is to build. A Freemason is a builder — a builder of character, a builder of a better community, a better nation, a better world in which to live — a builder of an eternal temple for the indwelling of God."

Isn't that quite a story to $\underline{\text{live}}$? The members of our Fraternity need to hear it again and again. They have to live it — out of the lodge as well as within it. They have to be visible as Masons in their communities by the examples they set and the deeds they do.

Most Worshipful Grand Master Bradley, last year in your Address to the Annual Communication, you said it this way:

"Let us all, therefore, be Operative Masons again and be apprentices not merely to Masonry, but to all of life.

The fact that Masonry has existed for several hundred years is something of which to be proud; but the fact does not of itself guarantee our continued existence. New thoughts and new ideas are needed . . . Masonry is exciting and venturesome. It has not been built on mediocrity or tameness; but upon a search for excellence.

Although each of us wants Masonry to survive, we tend to leave it to somebody else to undertake the work and do the thinking. We must be masters of our own destiny. If we are to move into the future, we will do so only because we want it."

Isn't that quite a story to <u>tell</u>? Whether it is in Ontario or Pennsylvania the public wouldn't — in fact, they couldn't — continue to believe that Masonry is "dormant" if everybody could know who we are . . . what we stand for . . . what we do for mankind and in our communities.

As Masons we are men of great promise. We remain true to our beliefs in the fundamental importance of character and honor, of responsibility and the essential worth of a man's life. We are not just members of an old and great Fraternity, we are Masons. We are the keepers of that promise.

That's the message of the Grand Lodge of Pennsylvania's Awareness Program: "Keeping the Promise . . ." We will work to Keep the Promise in our lodges. We will work to Keep the Promise to our youth. And, we will work to Keep the Promise with the public.

In Keeping the Promise to our lodges, our focus is on leadership — keeping the lodge dynamic and making programs interesting and inspiring. Our efforts to educate all brethren must continue. Having knowledgeable brethren is the only way that the membership may talk confidently about Masonry and help make an Awareness Program successful.

The Grand Lodge of Pennsylvania continues to set high standards when it comes to a deep commitment to youth. Through the ages, our Grand Lodge leadership has recognized that Masonry has a responsibility to young people. Our Pennsylvania Youth Foundation is a focal point for the youth activities of DeMolay, Rainbow Girls and Job's Daughters. The Youth Foundation also coordinates Grand Lodge and other Masonic-related scholarship programs. I was most interested to note the bursaries provided to youth by your Grand Lodge Foundation and the grants you make to Canadian Youth organizations.

Both of our Grand Lodges are committed to attacking the scourge of drug and alcohol abuse that threatens our youth. I was intrigued by the title of your program, "Help Nip Drugs in the Bud." We operate under the name (and, wait till I take a breath before I say it all) "The Pennsylvania Masonic Foundation for the Prevention of Drug and Alcohol Abuse Among Children. The Foundation works through grants to established hospitals and agencies to provide intervention facilities and with the Pennsylvania Department of Education in training educators and administrators for inschool Student Assistance Programs. The goal is to break the generation chain of addiction.

Keeping the Promise to the Public means taking our message to the public by example, service and communication. We have suffered because we don't tell anybody what we are all about. If the Masonic Awareness Program in the jurisdiction of the Grand Lodge of Pennsylvania achieves the goal I have set, this great Fraternity will have been introduced to every citizen in the Commonwealth — and to anyone else who sees it on television, hears it on the radio, reads in the newspaper or sees it on highway billboards.

I think we are making a difference. Each newspaper ad, television spot or radio commercial invites anyone to call a toll-free number. During the campaign periods, calls to the 800 number are usually 65 a day and, at times, as many as 80 a day. Immediately we send each caller an informative brochure about Freemasonry. Further, every inquiry receives a personal contact at the grassroots. To make that happen, Grand Lodge forwards the information that resulted from each call to the appropriate District Deputy Grand Master who then turns it over to the Worshipful Master of the lodge serving the area of the caller. The Worshipful Master is obliged to make a personal contact to provide more information or answer questions and report back to Grand Lodge.

Feedback indicates that the people really do want to know more about the Fraternity and are pleased about the personal attention given in helping them understand Freemasonry.

You probably will be interested in some results of our recent campaign:

- Ninety percent of those who called for information were <u>not</u> Masons. About a quarter of them learned about Masonry by watching cable television; more than two-thirds responded to the newspaper advertisements, and about seven percent resulted either from personal referrals or they couldn't verify where they received the message.
- There were calls from just about all of the ZIP Code areas in Pennsylvania and several calls from other States. Those were from either residents of bordering States or visitors who took the message with them to their home States.

Certainly, there have been some people who feel that the success of the program is dependent upon a ratio based on petitions for membership. No brethren, this was not, and is not, the goal. In this Grand Master's eyes, the success is the number of

people who, for the first time in hundreds of years, are learning about Masonry — reading about it, hearing about it, seeing in our local communities what our lodges and lodge members are doing. That number is thousands of times more than just those who call our 800 number.

Our message is straightforward. It says:

"Pennsylvania Masons are committed to the values that built America. Values such as family, character, integrity and the promise for tomorrow.

Masons in Pennsylvania have an outstanding record of leadership. With 175,000 members strong, we contribute more than \$100,000 a day — every day — to help the elderly, care for children and help fight drug and alcohol abuse.

More than ever before, Masons want you to know how important our organization is in making life better for all of us — working for the individual \dots the community \dots and mankind.

If you'd like to know more about the Pennsylvania Masons, call now and ask for our brochure, We Stand With You."

Yes, we want people to ask about Masonry. Who we are, what we do and the values we espouse are no secret. The more people ask, the stronger we will become. You see, when we tell others who we are, when we tell people to look us over and ask about us, we are renewing OUR pride in OUR Fraternity and in ourselves.

Here is a true story of just how easily it can work:

A half a dozen community leaders were having a charity fund-raising committee meeting over lunch when a lady in the group commented to the man wearing a Square and Compass lapel pin that she saw the Masons' ad in the newspaper. She said, "I thought the Masons were secret. I didn't know they did things for other people." What a perfect opener and the Mason in the group didn't miss the opportunity to talk about the Fraternity. One comment led to another and finally one business executive said that no one ever asked him to become a Mason. I'm sure you know how the conversation went from there.

What is really important is that several people, respected in their community, left that luncheon knowing good things about Masonry and Masonic values that they would not have known — that they would never have asked about — if it weren't for our Awareness Program.

I emphasize, this is a public education program. It certainly is not a recruiting program — it wasn't meant to be and we don't want it to be. Nevertheless, when the kind of good men who make good Masons gain an appreciation for the values they see in Masons, it is likely they will want to be a part of the Fraternity.

Oh yes, the headline on our ad is: "THE MASONS. Men Who Make a Difference."

I believe we are making a difference. We are making the kind of difference that is necessary to revitalize our Fraternity.

There is so much that is good in the Family of Freemasonry. It all starts with the Blue Lodge, but it includes the whole family of Masonry — the various York and Scottish Rite Bodies, Shrine clubs and units and the Masonically-related women's organizations.

Throughout North America, Masonry and Masonically-related charities are contributing several million dollars every day to help care for the elderly, children, youth, handicapped and the needy.

I dare say that in probably every community in Canada and the United States there are Masons who are the leaders — the movers and the shakers — the people who make things happen and get things done. They are the pillars in most of our churches.

"MASONS. The men who make a difference!"

It is important to our cause — probably to our salvation — that our friends and our neighbors know us and respect us for what we are: A Fraternity built on the cardinal virtues of brotherly love, charity and truth.

Speaking out is a new experience for many of us. We have been quiet far too long. We must seize the opportunity now to revitalize our Fraternity, to communicate our values while always remembering to support the name we have always borne of being a respectable, regular and uniform Fraternity.

Thank you Most Worshipful Grand Master Bradley and Brethren.

DEPUTY GRAND MASTER'S THANKS TO R.W. BRO. STONER

Most Worshipful the Grand Master, Right Worshipful Bro. W. Scott Stoner, Rev. Sirs, Distinguished Head Table Guests and my Brethren:

One of the joys of a Deputy Grand Master in this jurisdiction is the opportunity given to him to extend thanks to our Guest Speaker on the occasion of the Annual Grand Master's Banquet.

I personally am delighted that the opportunity fell to me on this occasion and I hasten to enter upon those responsibilities forthwith. As a Lawyer, I will have lots of words.

You, R.W. Sir, come to us as the Masonic leader of a Grand Jurisdiction which is not only a close neighbour to the south but a Masonic Jurisdiction that is steeped in many, many years of tradition, leadership in our beloved Craft and as a glowing example of true fraternity.

Your Address to your brother Masons here tonight is ample proof to us all of the great skill, zeal and understanding you personally bring to your high and most distinguished office. Not only do you have an extensive knowledge of our Order but you possess a great and unusual talent in being able to instil in us all an excitement in our Masonic membership as well as a special gift in sharing with those here assembled your joy and enthusiasm in the real meaning of brotherhood.

Your reference to the Masonic Renewal Task Force has shown us that Masonry and its leaders are alive and well and taking positive steps to rejuvenate our membership. By your Address here tonight you, indeed, have Kept The Promise.

As the 100th R.W. Grand Master of Masons in Pennsylvania, you honour us with your presence. And if one were conducting an audit of the occasion, your personal efforts in the preparation of your Address which you might personally equate to a liability, is indeed equalled by the sincere thanks of your brethren who have thoroughly enjoyed your remarks, and are the beneficiaries of what is admitted by us all an asset of great worth.

On behalf of all of the brethren I tender to you, R.W. Sir, a simple but sincere "Thank You" and express our collective desire for much happiness and success in your office as R.W. Grand Master of Masons in Pennsylvania.
